Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☐ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☒ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **JOHNSON OCONNOR FERON & CARUCCI LLP**

(2) EIN: **20-3985546**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)		☒	
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?	☒		
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)	☒		
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.	☒		

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Savings Banks Employees Retirement Association

Opinion

We have audited the accompanying financial statements of SBERA 401(k) Plan as adopted by Dedham Institution for Savings, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of January 31, 2025 and December 31, 2024, and the related statements of changes in net assets available for benefits for the period from January 1, 2025 to January 31, 2025 and for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of SBERA 401(k) Plan as adopted by Dedham Institution for Savings as of January 31, 2025 and December 31, 2024, and the changes in its net assets available for benefits for the period from January 1, 2025 to January 31, 2025 and for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SBERA 401(k) Plan as adopted by Dedham Institution for Savings and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SBERA 401(k) Plan as adopted by Dedham Institution for Savings's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SBERA 401(k) Plan as adopted by Dedham Institution for Savings's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SBERA 401(k) Plan as adopted by Dedham Institution for Savings's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**SBERA 401(k) PLAN AS ADOPTED BY DEDHAM INSTITUTION FOR SAVINGS
NOTES TO FINANCIAL STATEMENTS**

1. DESCRIPTION OF PLAN

The following brief description of the SBERA 401(k) Plan as adopted by Dedham Institution for Savings (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for more complete information.

General –

The Plan was a defined contribution plan covering substantially all employees of Dedham Institution for Savings (the Bank). Effective January 1, 2024, the holding company for Dedham Institution for Savings merged with the holding company of South Shore Bank to form one joint mutual holding company, Charlesbridge, MHC. Effective January 1, 2025, the Board of Directors of the Bank voted to merge the Plan into the Charlesbridge, MHC 401(k) Plan. All Plan assets and respective participant accounts were transferred out of this Plan and into the Charlesbridge, MHC 401(k) Plan in early January 2025. As a result, a transfer out totaling \$52,738,365 is reflected in the accompanying Statement of Changes in Net Assets Available for Benefits for the period from January 1, 2025 to January 31, 2025. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was administered by Savings Banks Employees Retirement Association (SBERA) which had overall responsibility for the operation and administration of the Plan. An Investment Committee consisting of the Plan's trustees determined the appropriateness of the Plan's investment offerings and monitors investment performance.

The Plan participated in the SBERA Common Collective Trust (the Trust). Under the Trust agreement, the Plan owned a portion of the net assets of the Trust, which represented its interest in the Trust. Within the Trust, each of the member banks' plan assets were jointly invested and the return on the assets was allocated to each plan based on the percentage of ownership each plan had in the Trust's net assets. Contributions made to and benefits paid from the Trust for the Plan resulted in increases or decreases in the Plan's ownership percentage in the net assets of the Trust.

Eligibility Requirements –

To become eligible for participation, an employee must have reached 21 years of age.

Contributions –

Each year, participants may have contributed to the Plan a percentage of their annual compensation, on a pre-tax or after-tax Roth basis as defined in the Plan, up to 75% of eligible compensation subject to the Internal Revenue Code (IRC) limitations. Participants who have attained age 50 before the end of the plan year were also eligible to make catch-up contributions. Participants may have also contributed amounts representing distributions from other qualified plans or defined contribution plans (rollovers). Participants directed the investment of their contributions into various investment options offered by the Plan.

The Bank made a safe harbor matching contribution equal to 100% of eligible participant deferrals, up to 4% of each participant's eligible compensation contributed to the Plan. To be eligible for a safe harbor contribution, participants needed to complete 1 year of service. There were no safe harbor contributions to the Plan for the period from January 1, 2025 to January 31, 2025. For the Plan year ended December 31, 2024, the Bank made safe harbor contributions totaling \$716,391. Contributions were subject to certain Internal Revenue Service (IRS) limitations.

NOTES TO FINANCIAL STATEMENTS**

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts –

Each participant's account was credited with the participant's contribution, the Bank's contribution and an allocation of Plan earnings. Allocations were based on the participant's earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Investments –

The Plan offered a variety of unitized funds comprised of investments contained in the Trust.

Vesting –

Participants were vested immediately in their contributions and Bank contributions, plus actual earnings thereon.

Notes Receivable from Participants –

Participants may have borrowed from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes were required to be repaid within 5 years unless the note was to be used for the purchase of a primary residence in which case the note may have been repaid within a period of no more than 20 years. Participants may have had up to 2 loans outstanding at any time. The notes were secured by the balance in the participant's account and bore interest at a rate ranging from 4.25% to 9.50%. The note interest rate was set at the prime rate as published by the Wall Street Journal plus 1%. Principal and interest was paid ratably through payroll deductions.

Payment of Benefits –

Upon termination of service, retirement, disability or death, a participant may have elected to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount, installment payments or partial payments. In-service withdrawals from the participant's account were available upon reaching age 59½. A participant may have withdrawn from their rollover account at any time. If a participant's vested account balance was \$1,000 or less, the Plan administrator could distribute the entire balance in a lump-sum amount.

Hardship withdrawals were available from a participant's account, with a minimum amount of \$500, in order to meet a participant's immediate financial need, as defined in the Plan document.

Forfeitures –

At January 31, 2025 and December 31, 2024, forfeited nonvested accounts totaled \$0 and \$3,114, respectively. These accounts may have been used to offset future Bank contributions, pay eligible Plan expenses or be reallocated to participants. During the period from January 1, 2025 to January 31, 2025 and for the year ended December 31, 2024, no forfeited amounts were used to offset Bank contributions to the Plan, respectively. Due to the plan merger, the remaining forfeited nonvested account balance was transferred to the successor plan.

NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following were significant accounting policies followed by the Plan:

Basis of Accounting –

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates –

The preparation of financial statements, in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition –

The Plan's interest in the Trust was reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determined the Plan's valuation policies utilizing information provided by its investment managers and custodians.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net investment income included interest and dividend income and the Plan's gains and losses on investments bought and sold as well as held during the year. The Plan's sole investment at December 31, 2024 was its interest in the Trust. Consequently, it recognized investment income based on its underlying assets in the Trust.

Notes Receivable from Participants –

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were charged against participant accounts when incurred. No allowance for credit losses was recorded as of December 31, 2024. Delinquent notes receivable from participants, if applicable, were reclassified as distributions based upon the terms of the Plan document. The amounts reported on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2024 represented the Plan's portion of notes receivable from participants recorded by the Trust.

Payment of Benefits –

Benefit payments to participants were recorded when paid.

NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses –

Administrative expenses, including investment related fees, were paid directly by the Trust and were reflected in the Plan's share of the Trust net investment activity. In addition, included within the Plan's interest in the Trust's net investment income, in the accompanying Statements of Changes in Net Assets Available for Benefits, were certain investment related expenses included in the net appreciation in fair value of investments. Fees related to the administration of notes receivable from participants and benefit payments were charged directly to the participant's account and were included in administrative expenses in the accompanying Statements of Changes in Net Assets Available for Benefits.

Date of Management's Review –

The Plan has evaluated subsequent events through January 26, 2026, the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Trust has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Certain investments are measured using the net asset value (NAV) as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. These investments measured using the NAV practical expedient in *Fair Value Measurement (Topic 820)* are exempt from categorization in the fair value hierarchy.

SBERA 401(k) PLAN AS ADOPTED BY DEDHAM INSTITUTION FOR SAVINGS
NOTES TO FINANCIAL STATEMENTS

3. FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value by the Trust. There were no changes in these methodologies used by the Trust at January 31, 2025 and December 31, 2024.

Certificates of deposit:

Certificates of deposit are measured at amortized cost, which approximates fair value.

Collective funds:

Valued at either the closing price reported on the active market on which the individual securities are traded or valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value or is a readily determinable fair value and is the basis for the current transactions. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Trust to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the Trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Equity securities:

Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual funds:

Valued at the daily closing price as reported by the fund. Mutual funds held by the Trust are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Trust are deemed to be actively traded.

Hedge funds:

The funds are valued at NAV, without further adjustment, as calculated by the fund's manager based upon the terms and conditions of the organizational documents of the underlying investments, with further consideration to portfolio risks.

Self-directed brokerage account:

The brokerage account is comprised of exchange-traded funds and equities, which are listed on major U.S. exchanges and actively traded. The funds are valued at the closing price reported in the active market in which the securities are traded.

3. FAIR VALUE MEASUREMENTS (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Trust believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Trust's assets at fair value as of December 31, 2024. Classification within the fair value hierarchy tables is based upon the lowest level of any input that is significant to the fair value measurement:

Description	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Certificates of deposit	\$ 9,009,306	\$ -	\$ -	\$ 9,009,306
Collective funds	172,509,488	-	-	172,509,488
Equity securities	252,509,360	-	-	252,509,360
Mutual funds	150,095,062	-	-	150,095,062
Self-directed brokerage account	320,467	-	-	320,467
Investments measured in the fair value hierarchy	584,443,683	-	-	584,443,683
Investments measured at net asset value (a)	-	-	-	1,448,474,544
Total investments, at fair value	\$ 584,443,683	\$ -	\$ -	\$2,032,918,227

- (a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

There were no transfers to or from Levels 1, 2, and 3 during the period from January 1, 2025 to January 31, 2025 and for the year ended December 31, 2024.

Private investment entities (c)	12,022,314	-	Quarterly	90 Days
	<u>\$ 1,448,474,544</u>	<u>\$ -</u>		

- a) This category includes investments in hedge funds that pursue multiple strategies to diversify risks and reduce volatility. Fund objectives are to seek above-average rates of return and long-term capital growth through investments, which are fund of funds with a diversified portfolio of private investment entities and/or separately managed accounts managed by investment managers or achieve superior risk-adjusted capital appreciation over the long-term, generally through an investment, which invests in private investment funds and discretionary managed accounts, structured notes, swaps or other similar products. The fair values of the investments in this category have been determined using the net asset value per share of the fund(s).
- b) This category has an investment strategy to pursue a hybrid absolute return via portfolio managers, secondaries and co-investments with a flexible and opportunistic mandate tactically allocating capital to look to capitalize on market dislocations and inefficiencies. The opportunities are expected to fall within the following strategies: Niche Alternatives and Private Credit and Hedge Fund secondaries. The fair value of the investments in this category have been determined using the last sales price, for listed securities, and in accordance with the agreement terms for portfolio-managed investments, notes, swaps, and other similar products.

3. FAIR VALUE MEASUREMENTS (Continued)

Investments Measured Using the Net Asset Value per Share Practical Expedient (Continued) –

- c) The fund's investment objective is to invest in highly attractive, select investment opportunities by maintaining investments through private investment entities and/or separately managed accounts (each, an Investment or a Portfolio and collectively, the Investments or the Portfolios) with investment management professionals (each a Manager and collectively, the Managers) specializing in various alternative investment strategies. The Managers have broad investment experience and the ability to leverage their existing relationships with corporate management teams, investment banks and other institutions to gain access to certain investment opportunities. As such, the Manager is presented with "best idea" investment opportunities, typically in asset classes where market dislocations or other events have created attractive investment opportunities. The Managers are not restricted in the investment strategies that they may employ across different asset classes and regions. The Manager anticipates that any number of strategies will be eligible for consideration for investment by the fund and the fund reserves the right to invest in any particular strategy or asset class it deems appropriate.

4. INVESTMENT - PLAN INTEREST IN THE TRUST

Prior to January 31, 2025, all of the Plan's investments were in the Trust, which was established for the investment of assets of the Plan and several other member bank sponsored retirement plans. Each participating retirement plan has a divided interest in the Trust. The assets of the Trust are held by several custodians. The Trust allows for daily redemptions. The Plan does not have any unfunded commitments.

The value of the Plan's interest in the Trust is based on the beginning of year value of the Plan's interest in the Trust plus actual contributions and allocated investment income less actual distributions and allocated administrative expenses plus the Plan's portion of notes receivable from participants held as of the plan year end. At January 31, 2025 and December 31, 2024, the Plan's interest in the Trust was approximately 0% and 2.44%, respectively. Investment income and administrative expenses relating to the Trust are allocated to the individual plans based upon average monthly balances invested by each plan.

5. PLAN TERMINATION

Effective January 1, 2025, the Board of Directors of the Bank voted to merge the Plan into the Charlesbridge, MHC 401(k) Plan. All Plan assets and respective participant accounts were transferred out of this Plan and into the Charlesbridge, MHC 401(k) Plan in early January 2025. As a result, a transfer out totaling \$52,738,365 is reflected in the accompanying Statement of Changes in Net Assets Available for Benefits for the period from January 1, 2025 to January 31, 2025.

6. TAX STATUS

The SBERA 401(k) Plan as adopted by the Plan was a volume submitter plan. Benefit Plans Administrative Services, LLC maintains the overall volume submitter plan document (master document). Benefit Plans Administrative Services, LLC has applied for and received Internal Revenue Service (IRS) approval of the master document. As of June 30, 2020, a favorable opinion letter has been received by the volume submitter plan sponsor. The Plan has been amended since the date of the opinion letter, however the Plan's Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

6. TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor or IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

7. RISK AND UNCERTAINTIES

The Plan, through its investment in the Trust, invested in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

8. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Northeast Retirement Services (NRS), by contract with the approval of the Boards of Trustees of SBERA and NRS, provides consulting, recordkeeping and other services in connection with the administration of the 401(k) plan for SBERA. The costs associated with these services are funded by an assessment on each SBERA employer member on a quarterly basis for their proportionate share. In 2025 and 2024, the rate for the 401(k) plan was \$929.50 per employer member (\$1,229.50 for plans with over 100 participants) per quarter, plus \$21.00 per active participant per quarter (\$24.00 for member with bank stock), plus an additional 1.25 basis point assessment on assets.

The Plan invested in a common collective trust managed by SBERA, the Trustee of the Plan. Additionally, Global Trust Company, a wholly owned subsidiary of NRS, is the trustee of two collective funds that the Plan held investments in. Therefore, these qualify as party-in-interest transactions. Additionally, the Plan extended notes to participants, who are considered parties-in-interest.
