INDEPENDENT AUDITOR'S REPORT

To the Plan Administrators
Schwartz & Associates, P.A.
401(k) Salary Savings Plan
Jackson, Mississippi

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Schwartz & Associates P.A. 401(K) Salary Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Schwartz & Associates P.A. 401(K) Salary Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Schwartz & Associates P.A. 401(K) Salary Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Schwartz & Associates P.A. 401(K) Salary Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Schwartz & Associates P.A. 401(K) Salary Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Schwartz & Associates P.A. 401(K) Salary Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets held at end of year are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

A. DESCRIPTION OF PLAN

The following description of Schwartz & Associates, P.A. (the "Company") 401(k) Salary Savings Plan ("Plan") provides only general information. Participants should refer to the Plan agreement and amendments for a more complete description of the Plan's provisions.

1. *General* - The plan is a defined contribution plan covering all employees of the Company who have been employed for at least one year, have worked a minimum of 1,000 hours during that year, and are at least 21 years of age. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

American United Life Insurance Company ("AUL") is the custodian of the Plan's assets.

2. *Contributions* – Participants may contribute up to the maximum percentage of compensation and dollar amounts permissible under Code Section 402(g) and 414(v), not to exceed the limits of Code Sections 401(k), 404 and 415. The Company makes matching contributions on behalf of Participants in an amount equal to 3% of the Participant's compensation. At its discretion, the Company may also make profit sharing contributions on behalf of Participants. Participants are eligible to make deferral contributions to the Plan on the first day of the payroll period following the quarterly entry date coinciding with or next following the date in which an employee meets eligibility requirements. An employee is eligible for the Sponsor contribution when the employee is also eligible to make deferral contributions. Participants may also transfer to the Plan certain vested account balances from other qualified benefit plans, subject to regulatory requirements.
3. *Participant Accounts* - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings, and charged with an allocation of the administrative expenses. Allocations are based on participant earnings or account balances, as defined.
4. *Participant Investment Programs* - Contributions in the Plan are invested with AUL, in one or more of the investment funds available under the Plan provisions, in such proportions as participants direct. The Plan does not require any collateral or other security from the participant.

A. DESCRIPTION OF PLAN - (Continued)

5. *Vesting* – Participants are immediately vested in their contributions and the Company's safe harbor contributions, plus actual earnings thereon. Vesting in the Company's profit sharing contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after six years of credited service.
6. *Payment of Benefits* - Benefits are generally payable on termination, retirement, death or disability. Benefits are paid by lump-sum payment if the vested account balance does not exceed \$5,000. For vested account balances that exceed \$5,000, distributions may be made in a single lump-sum payment, or installments over a period of time not more than the Participant's assumed life expectancy.
7. *Forfeitures* - Forfeitures of employer contributions must be disposed of no later than the last day of the plan year following the plan year in which the forfeiture occurs. Forfeitures may be: added to any employer discretionary contribution and allocated in the same manner; used to reduce any employer contribution (matching or profit sharing); added to any employer matching contribution and allocated as an additional matching contribution; or allocated to all participants in the same proportion that each participant's compensation for the plan year bears to the compensation of all participants for such year. Forfeitures totaling \$25,560 and \$6,075 respectively, were applied to individual accounts or to reduce employer contributions for the years ended December 31, 2024 and 2023. The balance in the forfeiture account on December 31, 2024 and 2023 was \$10,943 and \$48,305, respectively.

B. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS – (Continued)
FOR THE YEAR ENDED DECEMBER 31, 2024

B. SUMMARY OF ACCOUNTING POLICIES – (Continued)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note H for discussion of fair value measurements.

Purchases and sales of investments are accounted for on the settlement date, the use of which has not differed materially from the use of the trade date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses on the Plan's investments are included in net depreciation in the fair value of investments at year-end in the statement of changes in net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses incurred by the Plan are generally paid by the Sponsor. However, the Plan is required to pay asset management and disbursement fees.

C. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following investment information as of December 31, 2024 and 2023, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by AUL, the custodian of the Plan:

	2024	2023
Investments, at fair value		
Guaranteed investment contracts	\$ 22,609	\$ 44,693
Pooled separate accounts	8,476,365	7,440,329
	\$ 8,498,974	\$ 7,485,022
		2024
Realized and unrealized gains		\$ 932,038
Net appreciation in fair value of investments		\$ 932,038

D. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by AUL. AUL is the custodian of the Plan, and therefore, these transactions qualify as party-in-interest transactions. The following presents investments in guaranteed investment contracts managed by AUL included in the plan assets at December 31, 2024 and 2023:

	2024	2023
Guaranteed investment contracts	\$ 22,609	\$ 44,693

SCHWARTZ & ASSOCIATES, P.A.
401(k) SALARY SAVINGS PLAN
JACKSON, MISSISSIPPI

NOTES TO FINANCIAL STATEMENTS – (Continued)
FOR THE YEAR ENDED DECEMBER 31, 2024

D. EXEMPT PARTY-IN-INTEREST TRANSACTIONS – (Continued)

Certain officers and employees of the Company (who may also be participants in the Plan) perform certain administrative, record keeping, accounting and financial reporting services on behalf of the Plan. The Company pays these individuals' salaries and also pays certain other administrative expenses on behalf of the Plan. Administrative expenses paid from the Plan to AUL during the year ended December 31, 2024 totaled \$21,464. The Plan Sponsor believes that these transactions are not deemed prohibited party-in-interest transactions because they are covered by statutory and administrative exemptions from the Code and ERISA's Rules on Prohibited Transactions.

E. PLAN TERMINATION

Although the Sponsor has not expressed any intent to do so, it has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. If terminated, the net assets of the Plan are to be set aside for the participants' vested benefits.

F. TAX STATUS

The IRS has determined and informed the Plan sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Service Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

G. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

SCHWARTZ & ASSOCIATES, P.A.
401(k) SALARY SAVINGS PLAN
JACKSON, MISSISSIPPI

NOTES TO FINANCIAL STATEMENTS – (Continued)
FOR THE YEAR ENDED DECEMBER 31, 2024

H. FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, as follows: Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available, or assets valued at inputs other than quoted prices that are observable; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's policy is to recognize significant transfers between levels at the end of the year.

Asset Valuation Techniques –

Guaranteed investment contract: Valued at fair value by discounting the related cash flows based on minimum contract rates. (Level 2)

Pooled separate accounts: Valued at the accumulated unit value of units held by the Plan at year end, based upon the market value of its underlying investments. (Level 2)

These methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumption to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS – (Continued)
 FOR THE YEAR ENDED DECEMBER 31, 2024

H. FAIR VALUE MEASUREMENTS – (Continued)

The Plan’s assets at fair value by level as of December 31, 2024 and 2023 are:

As of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Guaranteed investment contract	\$ -	\$ 22,609	\$ -	\$ 22,609
Pooled separate accounts	-	8,476,365	-	8,476,365
	\$ -	\$ 8,498,974	\$ -	\$ 8,498,974

As of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Guaranteed investment contract	\$ -	\$ 44,693	\$ -	\$ 44,693
Pooled separate accounts	-	7,440,329	-	7,440,329
	\$ -	\$ 7,485,022	\$ -	\$ 7,485,022

I. GUARANTEED INVESTMENT CONTRACT

The Plan invests in a benefit-responsive guaranteed investment fund with AUL. AUL maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

SCHWARTZ & ASSOCIATES, P.A.
401(k) SALARY SAVINGS PLAN
JACKSON, MISSISSIPPI

NOTES TO FINANCIAL STATEMENTS – (Continued)
FOR THE YEAR ENDED DECEMBER 31, 2024

I. GUARANTEED INVESTMENT CONTRACT – (Continued)

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at fair value, which also approximates contract value for the investment. Contract value, as reported to the Plan by AUL, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer all or a portion of their investment at contract value.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise. The crediting interest rate of the associated guaranteed investment contracts are based on a formula agreed upon by the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Average yields of the fund for the year ended December 31, 2024 are as follows:

Ratio of year-end market value yield to investments	2.70%
Ratio of year-end crediting rate to investments	2.70%

NOTES TO FINANCIAL STATEMENTS – (Continued)

J. SUBSEQUENT EVENTS

In accordance with FASB Accounting Standards Codification Topic 855, Subsequent Events, the Plan has evaluated subsequent events through December 19, 2025, which is the date the financial statements were available to be issued. All subsequent events requiring recognition as of December 19, 2025, have been incorporated into these financial statements.

K. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits and net decrease in net assets available for benefits per the financial statements at December 31, 2024 and 2023 to Schedule H of Form 5500:
