INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Mid-City 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Mid-City 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Mid-City 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended June 30, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mid-City 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mid-City 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mid-City 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mid-City 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of June 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is a supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MID-CITY 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2025 AND 2024

1. DESCRIPTION OF PLAN:

The following description of the Mid-City 401(k) Plan, (the “Plan”), provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution pension plan established on January 1, 1987, covering substantially all employees of Mid-City Scrap Iron & Salvage Company, Inc. and Mid-City Steel Corporation (the “Companies”) who have completed one year of service and 1,000 hours. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA).

In October 2024, Mid-City Scrap Iron & Salvage Co., Inc., (“Scrap”) was sold, and Mid-City Steel Corporation replaced Scrap as the Plan Sponsor and Plan Administrator. The employees of Scrap continued to be employed by Mid-City Steel Corporation and continued to be participants of this Plan until December 31, 2024. In 2025, the employees of Scrap are no longer allowed to contribute to this Plan and these balances were distributed or rolled over into the Plan of the acquiring Company.

Administration of the Plan

Mid-City Scrap Iron & Salvage Company, Inc. (the “Company”) was the Plan sponsor and was responsible for the monitoring and administration of the Plan until December 31, 2024. Effective January 1, 2025, Mid-City Steel Corporation is the Plan Sponsor and is responsible the monitoring and administration of the Plan. Angell Pension Group, Inc. (“Angell”), the Plan’s third-party administrator, is responsible for the general administration of the Plan. Capital Bank and Trust Company (“Capital Bank”) serves as the asset custodian for the Plan.

Eligibility provisions

Eligible employees become participants after completing one year of service (1,000 hours). The Plan entry dates are the first day of each Plan quarter coinciding with or next following the date on which the employee meets eligibility requirements.

Contributions

Each year, participants have the right to elect to defer a specific percentage or dollar amount of eligible compensation, as defined by the Plan, subject to certain limitations (both in pre-tax elective deferrals and Roth elective deferrals). Participants that are age 50 or older may elect to defer additional amounts (“catch up contributions”) to the Plan. A participant’s total deferral in any taxable year may not exceed a dollar limit established by the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified plans and certain Individual Retirement Accounts (IRA). A participant may change the amount of his or her contribution on the first of each month and his or her investment allocations at any time.

The Plan allows the Companies to contribute as a matching contribution an amount equal to 100% of a participant’s contribution that are not in excess of 4% of the participant’s compensation. The Companies contributed a 4% safe harbor match in fiscal year 2025 and 2024 of eligible compensation. The Companies’ portion of the match totaled \$247,107 and \$265,782 for the years ended June 30, 2025 and 2024, respectively.

MID-CITY 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2025 AND 2024

1. DESCRIPTION OF PLAN: (CONTINUED)

Participant accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Companies' contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on employment classification and participant account balances, as defined. Participants invest their contributions in a variety of investment options allowed by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions to the Plan plus actual earnings thereon. All safe harbor matching contributions are 100% vested. Non-elective contributions that were made prior to July 1, 2002 are subject to a vesting schedule beginning with the participant's second year, and participants become 100% vested after five years of credited service.

Forfeitures

As of June 30, 2025 and 2024, the unused forfeiture balance related to non-elective contributions made prior to July 1, 2002 was \$3,788 and \$3,344, respectively.

Payment of benefits

Upon termination of employment, retirement, disability or death, a participant is entitled to the full value of all the participant's contributions to the Plan, all vested Company contributions and all related earnings. For vested account balances under \$5,000, lump sum distributions or direct rollovers will be made. Distributions of vested account balances more than \$5,000 cannot be made before the participant's normal retirement age without the participant's written consent. In addition, during employment, a participant may withdraw all or a portion of their vested account balance at age 59 ½ or to the extent necessary to meet a qualifying financial hardship.

Benefits are recorded when paid.

SECURE 2.0 Act of 2022

The SECURE 2.0 Act of 2022 (the "Act") was signed into law on December 29, 2022, to increase retirement savings, improve retirement rules, and lower employer costs of setting up a retirement plan. Plan amendments required by the Act generally need not to be made until the end of the first plan year beginning on or after January 1, 2026, however, plans must operate in accordance with effective date of each new provision.

Major provisions of this Act that may affect the Plan include:

- Effective January 1, 2024, the limit for mandatory cash outs was raised from \$5,000 to \$7,000.
- Effective January 1, 2025, further expansion of eligibility to long-term part-time workers, which will allow participation after two consecutive years of 500 or more hours.
- Effective January 1, 2026, catch up contributions for any participants over age 50 who earn over \$145,000 are now required to be made on a Roth basis.

MID-CITY 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2025 AND 2024

1. DESCRIPTION OF PLAN: (CONTINUED)

Notes receivable from participants

Participants may borrow from the Plan any amount greater than \$1,000 but less than 50% of the participant's vested account balance. In no event can the participant borrow more than \$50,000. Loans are for a period not to exceed five years (except, longer terms are available for loans issued for the purchase of a principal residence). The loans are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 8.50%, which is commensurate with local prevailing rates, as of the date of loan issuance. A participant may only have two loans outstanding at any given time. Principal and interest is paid ratably through payroll deductions so long as the participant is employed by the Companies and thereafter by regular installment payments.

Basis of presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America and the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). All investments are participant directed.

The Plan administrator is responsible for determining the Plan's valuation policies and analyzing information provided by the investment advisors and record keeper that is used to determine the fair value of the Plan's investments. See Note 3 for further discussion of fair value measurements.

In accordance with the policy of stating investments at fair value, net unrealized appreciation (depreciation) in fair value is reflected in the statements of changes in net assets available for benefits. The net appreciation (depreciation) in the fair value of investments consists of realized gains or losses and unrealized appreciation (depreciation) on those investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Earnings on investments, with the exception of participant loans, are allocated on a pro rata basis to individual participant accounts based on the type of investment and the ratio of each participant's individual account balance to the aggregate participant account balances. The portion of interest included in each loan payment made by a participant is recognized as interest income in the participant's individual account.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2025 AND 2024

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (CONTINUED)

Notes receivable from participants

Notes receivable from participants are recorded at their unpaid balance plus any accrued but unpaid interest. Since the participant's remaining vested investment balance is sufficient to cover the outstanding loan amount, there is no allowance for doubtful accounts at June 30, 2025 and 2024. Interest is calculated and included in the repayment terms of the loan when the loan is initiated and is recognized with the amortization of the loan as each payment is remitted. Loans are monitored for repayment under the original loan terms and defaulted when active participants cease payments past the allowed grace period. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. For terminated participants, once a distribution is requested, the outstanding loan balance will be netted against the remaining vested investment balance.

Administrative expenses

Plan expenses relating to the management of the investments are paid by the Plan and included in net appreciation of fair value of investments (see Note 6), however, the Plan sponsor pays certain other administrative Plan expenses. Certain administrative fees for administering accounts and loans (custodial services) are paid by the Plan.

3. FAIR VALUE MEASUREMENTS:

The Plan follows established guidelines for a fair value hierarchy that prioritizes the inputs used to measure fair value. An asset or liability's classification within the hierarchy is determined based on the lowest level input that is significant to the fair value measurement. This hierarchy prioritizes the inputs into three broad levels as follows:

- Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities. Market price is generally obtained from exchange or dealer markets.
- Level 2 Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. Inputs are obtained from various sources including market participants, dealers, and brokers.
- Level 3 Unobservable inputs that are supported by little or no market activity, as they trade infrequently or not at all, and that are significant to the fair value of the assets or liabilities.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2025 and 2024.

Mutual funds: Valued at their daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission. These funds are valued at the closing price recorded in the active market in which these individual securities are traded.

3. FAIR VALUE MEASUREMENTS: (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30:

<u>June 30, 2025</u>	<u>Assets at Fair Value</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Mutual funds	\$ <u>6,089,796</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>6,089,796</u>
 <u>June 30, 2024</u>				
Mutual funds	\$ <u>5,741,801</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>5,741,801</u>

4. INFORMATION CERTIFIED BY TRUSTEE:

The Plan administrator has elected the method of compliance permitted by Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Capital Bank and Trust Company, the trustee certified to the Plan administrator the fair value and physical custody of investments, notes receivable from participants, and investment transactions to be complete and accurate as of June 30, 2025 and 2024, which are included in the Statements of Assets Available for Benefits, as well as dividend and interest income, and net appreciation in the fair value of investments included in the Statements of Changes in Net Assets Available for Benefits for the years ended June 30, 2025 and 2024 and the information contained in Note 3 concerning investments and information included in the Schedule of Assets (Held at End of Year).

5. TAX STATUS:

The Internal Revenue Service ("IRS") has determined and informed the Companies by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC.

During the year ended June 30, 2025, Plan management discovered an operational failure whereby one employee did not properly receive employee contributions and employer matching contributions for the period January 10, 2025 through August 15, 2025. These missed contributions amounted to approximately \$4,400 in employee contributions and approximately \$1,800 in employer matching contributions. The Company is in process of correcting the error. Plan management believes that the final outcome of the correction process will not have a material impact on the Plan's qualified tax status.

MID-CITY 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2025 AND 2024

5. TAX STATUS: (CONTINUED)

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of June 30, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to June 30, 2022.

6. RELATED-PARTY TRANSACTIONS:

Capital Bank is the trustee and custodian of the Plan's investments, therefore, these transactions qualify as party-in-interest transactions. Fees paid to Capital Bank by the Plan for the certain custodial services amounted to \$913 and \$925 for the years ended June 30, 2025 and 2024, respectively. Fees paid by the Plan for investment management services were included in net appreciation in the fair value of the investments, as they are paid through revenue sharing rather than a direct payment.

Certain fees paid by the Plan are reimbursed through an expense sharing agreement with Capital Bank. Under the terms of the agreement, each quarter Capital Bank refunds and deposits into the Plan's expense budget account certain excess fees. These deposits were included as an offset to administrative expenses in the accompanying financial statements. For the years ended June 30, 2025 and 2024, the Plan received revenue sharing amounts of \$27,352 and \$7,068, respectively, which may be used to offset eligible plan expenses or allocated to eligible participants. The Plan used \$19,350 and \$20,677 in fiscal years 2025 and 2024, respectively, to offset certain eligible Plan expenses. As of June 30, 2025 and 2024, \$18,243 and \$4,875 remained in the expense budget account.

Certain employees and officers of the Companies who may also be participants in the Plan perform administrative services at no cost to the Plan.

7. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

8. RISK AND UNCERTAINTIES:

The Plan provides for various investment options in investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. SUBSEQUENT EVENTS:

Management has evaluated subsequent events through December 29, 2025, the date on which the financial statements were available to be issued.
