To the Trustee of
The Green Family 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of The Green Family 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the 2024 audit of The Green Family 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying 2024 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Green Family 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Green Family 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Green Family 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Green Family 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2024 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024, and schedule of delinquent contributions as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2023 Financial Statements

Predecessor auditors performed an audit of the 2023 financial statements of The Green Family 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 15, 2024, indicated that (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Green Family 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE A | DESCRIPTION OF THE PLAN

The following description of The Green Family 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering substantially all employees (excluding union employees and nonresident aliens) of Green Lincoln, Inc., Green Chevrolet, Inc., Green Nis, Inc., Green Automotive Limited, Inc., Green Family Stores, Green Family Insurance, Inc., and The Gold Center, Inc. (the Companies). Employees are eligible to participate in the Plan once they have completed three months of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Contributions

As defined in the Plan document, each year participants may contribute up to the maximum dollar amount determined by the Federal government pre-tax and post-tax (Roth) annual compensation limits. The maximum deferral for 2024 and 2023 was \$ 23,000 and \$ 22,500, respectively. Participants who will be age 50 or older by the end of the year are eligible to make catch-up contributions of up to \$ 7,500 for each of the 2024 and 2023 plan years. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

For the plan years ended December 31, 2024 and 2023, the Companies made discretionary matching contributions in the amount of 50% of the first 4% of eligible compensation that a participant contributes to the Plan.

The Companies may also make discretionary nonelective contributions to those participants who are employed on the last day of the plan year. For the years ended December 31, 2024 and 2023, the Companies did not make any discretionary nonelective contributions.

3. Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contribution, plan earnings, and administrative expenses. Allocations are based on participant earnings (losses), account balances, or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE A | DESCRIPTION OF THE PLAN

4. *Vesting*

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Companies’ discretionary matching contribution portion and the discretionary nonelective contribution portion of their accounts is based on years of continuous service as follows:

<u>Years of Credited Service</u>	<u>Percent Vested</u>
Less than one year	0%
1	10%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

5. *Payment of Benefits*

On termination of service, death, disability, or retirement a participant may receive a lump sum amount equal to the value of the participant’s vested interest in his or her account or partial or installment payments for those subject to required minimum distributions. A participant that terminates employment whose account balance is less than \$ 5,000 will receive a distribution of their vested aggregate account balance without the consent of the participant. If the distribution is less than \$ 1,000 the distribution will be made in the form of a lump sum cash payment. If the distribution is greater than \$ 1,000, but less than \$ 5,000, the Plan will pay the distribution in an automatic direct rollover to an individual retirement account (IRA). In-service withdrawals of all or a portion of the participant’s vested account balance are also permitted upon the participant’s attainment of age 59 ½. Participants may receive a hardship distribution under certain conditions.

6. *Notes Receivable from Participants*

A participant may borrow from their account a minimum of \$ 1,000, up to a maximum equal to the lesser of \$ 50,000 or 50% of the total value of the participant’s vested account balance. The loans are secured by the balance in the participant’s account and bear interest at the prime rate plus 1%. The term of the loan may not exceed 5 years or 15 years if the loan proceeds will be used to acquire the principal residence of the participant. Principal and interest are paid ratably through payroll deductions.

NOTE A | DESCRIPTION OF THE PLAN

7. *Forfeitures*

As of December 31, 2024 and 2023, forfeited nonvested accounts totaled \$ 1,215 and \$ 10,835, respectively. These amounts will be used in accordance with the applicable plan provisions to either reduce future Company contributions or pay administrative fees of the Plan. Forfeitures of \$ 18,182 were used to pay administrative fees in 2024. There were no forfeitures used to reduce Company contributions or pay administrative expenses of the Plan during 2023.

8. *Administrative Expenses*

Certain expenses of maintaining the Plan are paid by the Companies and are excluded from these financial statements. Loan administration, distribution and contract administration fees are charged directly to the participant's account and are included in administrative expenses. The Plan also pays certain investment advisory and plan administration fees from plan assets. Certain investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE B | SUMMARY OF ACCOUNTING POLICIES

1. *Basis of Accounting*

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

2. *Cash*

Cash is defined as currency on hand, in demand deposits.

3. *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

NOTE B | SUMMARY OF ACCOUNTING POLICIES

4. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management and the Trustee determine the Plan's valuation policies utilizing information provided by the investment adviser and custodian. See Note C for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred.

5. Payment of Benefits

Benefits are recorded when paid.

6. Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan did not distribute the 2024 or 2023 excess contributions to the applicable participants prior to March 15, 2025 and 2024, respectively.

7. Subsequent Events

Management has evaluated subsequent events for recognition and disclosure in the financial statements through January 21, 2026, which is the date the financial statements were available to be issued. Through January 21, 2026, no subsequent events required recognition or disclosure in the financial statements.

NOTE C | FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Valuation is based on quoted prices for identical assets and liabilities in active markets.

Level 2 - Valuation is derived from inputs, other than quoted prices included in Level 1, which are observable for the asset or liability either directly or indirectly. Investments classified as Level 2 are generally valued by benchmarking model-derived prices to quoted market prices and trade data for identical or comparable securities. The significant inputs needed in this approach include interest rates, prepayment timing, yield spreads, maturities, credit losses, and credit ratings of the securities.

Level 3 - Valuation is derived from unobservable inputs that are not corroborated by market data.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable relevant inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The money market account is valued at the deposit account balances, payable on demand.

The Plan has investments in collective investment trusts. These investments are reported at the Plan's proportionate share of the NAV (or its equivalent) as provided by the management of the trust.

NOTE C | FAIR VALUE MEASUREMENTS

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2024</u>				
Mutual funds	\$ 10,943,250	\$ -	\$ -	\$ 10,943,250

Total assets in the fair value hierarchy	<u>\$ 10,943,567</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,943,567</u>
Investments measured at net asset value				<u>1,014,840</u>
Investments, at fair value				<u>\$ 11,958,407</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2023</u>				
Mutual funds	\$ 9,773,123	\$ -	\$ -	\$ 9,773,123

Total assets in the fair value hierarchy	<u>\$ 9,854,503</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,854,503</u>

In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE D | INVESTMENTS IN ENTITIES THAT CALCULATE NET ASSET VALUE PER SHARE

As a part of the Plan’s investment portfolio, there are certain investments made in entities in which purchases and withdrawals are not made in an open market. Instead, the purchases and withdrawals occur with the entities, and in certain circumstances, those transactions are entirely controlled and/or restricted by the entities. The fair values of these investments are determined by the management of the collective investment trusts and are reported to the Plan as the Plan’s proportionate share of the NAV of the entities. The NAV is based on the fair value of the underlying investments held by the funds, less their liabilities. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The table below provides information related to these types of investments. A detail of all collective investment trusts can be found in the supplementary information accompanying the financial statements. Additional information on these investments, which are direct filing entities, can be found by viewing its U.S. Department of Labor Form 5500. The Plan did not hold any collective investment trusts at December 31, 2023.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
<u>December 31, 2024</u>				
Collective Investment Trusts	\$ 1,014,840	\$ -	Daily	1 day - 1 year

NOTE E | CERTIFIED FINANCIAL INFORMATION

The following is a summary of the unaudited information regarding the Plan as of and for the years ended December 31, 2024 and 2023, included in the Plan’s financial statements and supplementary schedule that was prepared by, or derived from, information provided by the Custodian of the Plan, and furnished to the Plan administrator. The Plan administrator has obtained certification from Charles Schwab Trust Bank that such information is complete and accurate.

	<u>2024</u>	<u>2023</u>

NOTE F | PLAN TERMINATION

Although it has not expressed any intention to do so, the Companies have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE G | TAX STATUS

The Companies have adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). Although, the Plan has been amended since adopting the pre-approved plan document; the plan administrator believes the Plan is designed, and is being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the Plan is qualified.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H | RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by Charles Schwab Trust Bank, the custodian; therefore, these transactions qualify as party-in-interest. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. The Plan issues loans to participants, which are secured by the vested balance in the participant's accounts and certain administrative fees related to the administration of the Plan were paid by the Plan or by the Companies. These transactions qualify as party-in-interest. Certain employees of the Companies provide administrative services to the Plan. These employees are not paid by the Plan for their services.

NOTE I | RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

Net assets per the Form 5500	<u>\$ 2,139,238</u>	<u>\$ 1,629,868</u>

NOTE K | EXCESS CONTRIBUTIONS PAYABLE

Excess contributions represent amounts withheld from participants in excess of IRS limitations that are to be refunded at year end. As of December 31, 2024 and 2023, \$ 418,639 and \$ 195,545, respectively, of excess contributions and earnings thereon are required to be refunded prior to December 31, of the subsequent year. These amounts were refunded to participants in November 2025. Excess contributions are netted against employee contributions in the statements of changes in net assets available for benefit.

NOTE L | PROHIBITED TRANSACTIONS

Under DOL Reg. 2510.3-102(b), the Companies are required to remit employee contributions to the Plan at the earliest date such amounts can be segregated from the Companies general assets. As reported on the Schedule of Delinquent Contributions, certain contributions totaling \$ 59,225, were remitted late during the year ending December 31, 2024. Delays in remitting contributions and loan repayments to the custodian were due to administrative errors, and the Companies have made, and will make, contributions to the affected participants' accounts to compensate those participants for potential lost income due to the delays.
