INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
NYSА-PPGU Vacation and Holiday Fund and Plan

Opinion

We have audited the accompanying financial statements of NYSА-PPGU Vacation and Holiday Fund and Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of September 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended September 30, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of NYSА-PPGU Vacation and Holiday Fund and Plan as of September 30, 2025 and 2024, and the changes in its net assets available for benefits for the year ended September 30, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of NYSА-PPGU Vacation and Holiday Fund and Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about NYSА-PPGU Vacation and Holiday Fund and Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,

intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NYSA-PPGU Vacation and Holiday Fund and Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about NYSA-PPGU Vacation and Holiday Fund and Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NYSA-PPGU VACATION AND HOLIDAY FUND AND PLAN
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

Note 1 – Description of the Plan

The following brief description of the NYSA-PPGU Vacation and Holiday Fund and Plan ("Fund") is provided for general information purposes only. The *Summary Plan Description* includes more complete information concerning the Plan's provisions.

a) General

The Fund is an employee welfare benefit fund established to provide paid vacation (paid time-off), holidays, and days off for required training to eligible employees. The Fund is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

New York Shipping Association, Inc. (d/b/a Shipping Association of NY & NJ) ("NYSA") and the Port Police & Guards Union Local 1456 ("PPGU") are parties to a Collective Bargaining Agreement ("Agreement") effective through December 31, 2025. NYSA represents the employers of PPGU members and PPGU represents the participating employees of those employers. The employer members of NYSA consist primarily of operators of port terminals and providers of security services in the Port of New York and New Jersey.

The Fund is administered pursuant to the Agreement and Declaration of Trust and Plan ("Trust") as amended and restated effective January 1, 2008, and as amended subsequent thereto.

b) Contributions and Benefits

The employer members of NYSA are assessed on a basis that will produce an amount sufficient to fund anticipated benefits and related administrative expenses. The vacation (paid time-off) pay each eligible participant receives is determined in accordance with an hours-worked formula as set forth in the Agreement and an eligible participant may use (5) paid time-off days as sick days during the calendar year provided certain conditions are met. Eligible participants also receive payments for certain holidays as defined in the Trust. During the fiscal year ended September 30, 2025, participants may have also received payments for their attendance at required training programs.

c) Administrative Expenses

The Fund incurs certain administrative expenses in connection with the benefit payments. During fiscal year 2025, administrative expenses include costs allocated to the Fund from the NYSA-PPGU Welfare Fund in the amount of \$19,326. These expenses are allocated on the basis of estimated utilization of services and consist primarily of salaries, payroll and fringe benefits for shared services.

Note 2 – Summary of Significant Accounting Policies

a) Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting.

b) Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America required the Board of Trustees to make estimates and assumptions that affect certain reported amounts disclosed. Accordingly, actual results may differ from those estimates.

c) Benefits Payable – Holidays

Two retrospective payments are to occur each year as follows: 1) in July for those holidays earned between January and July; and 2) in the following January for those holidays earned between August and December. On September 30, 2025, the Fund accrued for the cost of all holidays that were expected to be earned for the period August through December 2025.

Note 3 – Related Party Transactions

Due from Shipping Association of NY & NJ generally represents assessment revenue not received as of the end of this year. Amounts are payable as needed to fund the liabilities of the Fund as they come due. Amounts are payable on demand of the Fund.

Note 4 – Tax Status

The Fund is exempt from Federal income taxes under Section 501(c)(9) of the Internal Revenue Code. Accordingly, no provision for income taxes has been recorded in the statement of changes in net assets available for benefits. The Fund has obtained a favorable determination letter from the Internal Revenue Service, dated July 15, 2009. The Trust was amended and restated April 17, 2008, effective January 1, 2008. It is the opinion of outside legal counsel and the Board of Trustees that the Fund continues to qualify for tax exempt status in accordance with the applicable provisions of the Internal Revenue Code. The Fund had no unrecognized tax benefits as of and for the fiscal year ended September 30, 2025 and has no open years subject to examination prior to the fiscal year ended September 30, 2024. The Fund has no income tax related penalties or interest for the period reported in the financial statements.
