INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Remote DBA Experts, LLC 401(k)/Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Remote DBA Experts, LLC 401(k)/Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA 103(a)(3)(C) audit]. The financial statements comprise the statements of assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Termination

As discussed in Note 1 to the financial statements, the governing body of the Plan approved a plan of liquidation effective January 26, 2024. The Plan, however, did not change its basis of accounting from the going concern basis to the liquidation basis due to insignificant, if any, differences in the values of net assets or the changes thereto. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes at December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that

agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

REMOTE DBA EXPERTS, LLC 401(K)/PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of the Remote DBA Experts, LLC 401(k)/Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan established by Navisite, LLC (formerly known as Remote DBA Experts, LLC) effective August 1, 2010 and most recently restated effective January 1, 2021. The Plan covers virtually all eligible employees of Navisite, LLC and any other entity that has adopted the Plan with approval of Navisite, LLC (the entities will be referred to collectively as the "Company") who have attained the age of 21, except for nonresident aliens and temporary/part-time employees. Employees are eligible to participate on the first day of the month after meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

In February 2024, the Company amended the Plan to reflect a termination of the Plan effective January 26, 2024. At that point, no additional participants will enter the Plan and there will be no further benefit accruals. The Plan, however, did not change its basis of accounting from the going concern basis to the liquidation basis due to insignificant, if any, differences in the values of net assets or the changes thereto. Distributions to Plan participants occurred throughout 2024 with completion in 2025.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting periods. Actual results could differ from those estimates.

Contributions - Eligible participants may contribute a portion of their compensation each year to the Plan, subject to annual limits prescribed by the Internal Revenue Code. Employee contributions are recorded in the period during which the Company makes payroll deductions from the Plan participants' earnings. The Plan also accepts rollover contributions from other qualified plans.

The Company, at the discretion of management, may make matching contributions equal to a discretionary percentage determined by the Company. The Plan also allows for discretionary employer profit sharing contributions. Employees must complete one year of service (defined as at least 1,000 hours) and be employed on the last day of the Plan year to be eligible for profit sharing. There were no discretionary profit sharing contributions for the years ended December 31, 2024 and 2023.

Investment Valuation and Income Recognition - Investments are carried at their fair value based on published quotations or, in the absence of readily ascertainable market values, at such values as the custodian determines. The Plan presents net appreciation or depreciation in the fair value of its investments, which consists of the undistributed realized gains or losses and the unrealized appreciation on these investments, in the statements of changes in net assets available for benefits. Gains and losses on securities sold or redeemed are determined on the basis of specific identification. Dividends are recorded on the ex-dividend date. Investment management fees and operating expenses charged to the Plan for investments in the various funds are deducted from income earned on a daily basis and are reflected as a component of net appreciation in fair value of investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Fair Value Measurements - U.S. GAAP establishes a framework for measuring fair value of financial assets. That framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are described below:

- Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2 Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 Unobservable inputs that reflect the reporting entity's own assumptions.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies for the years ended December 31, 2024 and 2023:

Mutual Funds: Valued at the quoted prices of the respective funds at year end (level 1 measurement).

Fixed Accounts: Contract based accounts credited with minimum interest as defined by the contract. The credited interest rate, account balance and formulas, upon which contract values are based, are observable through the website and communications (level 2 measurement).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Participant Accounts - Participants direct the investment of their account balances and contributions and may change such at any time. Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution and plan earnings. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting of employer contributions and earnings thereon occurs according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1 but less than 2	33%
2 but less than 3	66%
3 or more	100%

Participants are 100% vested in the event of total disability, death or upon reaching retirement age. Further, participants became fully vested in connection with the termination discussed above.

Forfeitures - Forfeitures represent the portion of non-vested benefits remaining in the Plan for all current-year terminated employees. At the end of the fifth year in which a participant reaches their fifth consecutive one-year break-in-service, as defined in the Plan agreement, forfeiture balances are applied to cover administrative expenses, with any remaining amounts serving to reduce employer contributions. During the years ended December 31, 2024 and 2023, forfeitures applied toward employer contributions and plan expenses were \$36,991 and \$201,827, respectively. At December 31, 2024 and 2023, forfeitures available for use were \$2,462 and \$29,305, respectively.

Payment of Benefits - Benefits are reflected when they have been approved for payment and are paid by the Plan. Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her accounts or a distribution in the form of an annuity. All distributions are subject to the provisions of the Plan agreement.

Participants who break service with an account balance of \$5,000 or less will receive a lump-sum distribution of their account balance.

Notes Receivable from Participants - Participants may borrow from their accounts up to the lesser of \$50,000 or 50% of the participant's vested account balance. Loans must be at least \$1,000 and are secured by the balance in the participant's account. Loans bear interest at 1% above the prime rate on the origination date of the loan. At December 31, 2024 and 2023, the interest rates on loans outstanding ranged from 4.25% to 9.5%, including loans transferred from plans of acquired companies.

Administrative Expenses - Either the Company or the Plan may pay the Plan's expenses as provided by the Plan agreement.

Subsequent Events - Management has evaluated subsequent events through August 20, 2025, the date which the financial statements were available to be issued.

2. INVESTMENTS

The following table presents the Plan's investments by level within the fair value hierarchy at December 31, 2024 and 2023:

	<u>Fair Value at December 31, 2024</u>		
	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Mutual funds	\$ 24,287,104	-	\$ 24,287,104
Fixed accounts	<u>-</u>	<u>\$ 2,370,813</u>	<u>2,370,813</u>
Total	<u>\$ 24,287,104</u>	<u>\$ 2,370,813</u>	<u>\$ 26,657,917</u>
	<u>Fair Value at December 31, 2023</u>		
	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Mutual funds	\$ 57,644,489	-	\$ 57,644,489
Fixed accounts	<u>-</u>	<u>\$ 4,500,220</u>	<u>4,500,220</u>
Total	<u>\$ 57,644,489</u>	<u>\$ 4,500,220</u>	<u>\$ 62,144,709</u>

3. PLAN TERMINATION

As indicated in Note 1, the Company elected to terminate the Plan effective January 26, 2024 at which time contributions were discontinued and management pursued termination of the Plan subject to the provisions of ERISA. In conjunction with the Plan termination, participants became fully vested in their accounts.

4. INCOME TAX STATUS

The Plan operates under an adoption agreement in connection with a non-standardized pre-approved defined contribution plan. The Internal Revenue Service has stated in a letter dated June 30, 2020 that the plan is acceptable for use by employees under IRS Section 401. Although the Plan has since been amended, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, the administrator believes that the Plan is qualified and the related trust is tax-exempt.

Management believes that there is no liability related to uncertain tax positions at December 31, 2024 or 2023. The Plan remains subject to tax examinations for all years since 2021.

5. CERTIFIED FINANCIAL INFORMATION

Voya Institutional Trust Company, the custodian, has certified that the following data included in the accompanying financial statements is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of assets available for benefits as of December 31, 2024 and 2023.
- Investment income and interest income on notes from participants, as shown in the statements of changes in assets available for benefits for the years ended December 31, 2024 and 2023.
- Investment information included in the schedule of assets held for investment purposes at December 31, 2024, as shown on the accompanying schedule.

6. PARTIES-IN-INTEREST AND RELATED PARTIES

Voya Institutional Trust Company provides access to certain investments and, accordingly, is considered to be a party-in-interest.

Certain administrative functions of the Plan are performed by employees of the Company. Neither the Company nor its employees receive any compensation from the Plan.
