## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
of Jeffords Steel & Engineering 401(k) Profit Sharing Plan  
Plattsburgh, New York

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audits of the accompanying financial statements of Jeffords Steel & Engineering 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statements of net assets available for benefits as of September 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Jeffords Steel & Engineering 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from a qualified institution as of and for the years ended September 30, 2025 and 2024, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Jeffords Steel & Engineering 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jeffords Steel & Engineering 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jeffords Steel & Engineering 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jeffords Steel & Engineering 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS  
September 30, 2025

NOTE A DESCRIPTION OF PLAN

The following description of the Jeffords Steel & Engineering 401(k) Profit Sharing Plan ("Plan") and is intended to provide only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan covering all compensated employees of Jeffords Steel and Engineering Company (the Company) who have three months of service as of October 1<sup>st</sup> and April 1<sup>st</sup> of the current plan year after they have turned 21 years of age. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to contribute up to the maximum amount allowed under the Internal Revenue Code of their compensation as defined by the Plan. Dollar limits was \$23,500 and \$23,000 for September 30, 2025 and 2024, respectively. Participants may also contribute amounts representing distributions from other qualified defined contribution plans. Participants direct the investment of their contributions through various investment options offered by the Plan.

Contributions by the Company to the plan are discretionary and are determined annually by the Company's Board of Directors. To share in any profit sharing allocation, a participant must complete 3 months of service during and the Plan year.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Organization's discretionary profit sharing contributions, and allocations of Plan Earnings.

Allocations are based on participant's eligible compensation relative to total eligible compensation of account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant determines the investment strategy of his or her account as provided in the Plan.

Employee contributions are invested with American Funds while profit sharing contributions are invested with Wells Fargo at management's discretion.

Forfeitures

Forfeitures of a participant's non-vested account balances are used by the plan for several purposes such as payment of Plan expenses. Any forfeiture not used by the Plan in this manner is allocated to participants eligible to share in the Company's discretionary contribution as defined in the plan document. There were forfeitures of \$10,214 and \$8,055 allocated to participants in September 30, 2025 and 2024, respectively. The balance of forfeitures at September 30, 2025 was \$10,214.

Retirement

Participants are eligible for retirement benefits upon reaching age 65. Participants are eligible for early retirement at age 55 with 10 years of service.

NOTE A DESCRIPTION OF PLAN (continued)

Vesting

Participants are immediately vested in their voluntary contributions. Participants are vested in employer contributions based on years of service. A participant is 100% vested after three years of credited service. Participants automatically become fully vested upon retirement, disability, death, or early retirement while under the employment of the Company.

Payment of benefits

Immediately (or when administratively feasible) upon termination of employment, a participant is entitled to request payment of his vested balance from the plan. If the participant's vested account balance exceeds \$5,000, the participant must complete and sign the plan's distribution authorization forms before payment can be made. Terminated participants may elect to receive payment of their vested account balances in cash (subject to immediate federal and New York state income tax withholding) or as a direct rollover to an Individual Retirement Account- or to another employer plan.

The plan allows for in-house distributions when a participant reaches age 59 ½.

NOTE B SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United State of America. Under the accrual basis of accounting, revenues are recorded as earned and expenses are recorded at the time liabilities are incurred.

Cash and Cash Equivalents

The plan considers all highly liquid instruments purchased with a maturity of three months or less to be cash equivalents.

Investments

The Plan's investments are stated at fair value (see Note C). Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Expenses of the plan

Certain investment expenses of the Plan are paid by the Plan, while administrative fees and the annual financial statement engagement fee are paid by the Company.

Payment of benefits

Benefits are recorded when paid.

NOTE B SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of estimates

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, the Plan Administrator is required to make and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Uncertain tax positions

The Plan follows the provisions of Accounting for Uncertainty in Income Taxes. The standard clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements and prescribes a threshold of more-likely-than-not for recognition of tax benefits of uncertain tax positions taken or expected to be taken in a tax return. The standard also provides related guidance on measurement, de-recognition, classification, interest and penalties, and disclosure. The adoption of this standard did not have an impact on the Plan financials.

NOTE C FAIR VALUE MEASUREMENTS

The Plan has implemented Fair Value Measurements that prioritize the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

- Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2 Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.
- Level 3 Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 30, 2025 and 2024.

NOTE C FAIR VALUE MEASUREMENTS (continued)

*Mutual Funds, U.S. Government Securities, Corporate Department Instruments and Corporate Bonds:* Valued at the daily closing price. Funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. They are deemed to be actively traded.

The following tables present by level, within the fair value hierarchy, the Plan investment assets at fair value, as of September 30, 2025 and 2024. As required, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

NOTE F TAX STATUS

The Plan uses a prototype plan document sponsored by Nova 401(k) Associates, Inc. Nova 401(k) Associates, Inc., received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRS. Therefore, no provision for income tax has been included in the Plan's financial statements.

The plan administrator believes that the Plan is designated and is currently operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Consideration has been given to uncertain tax positions. The federal income tax returns for the years ended after September 30, 2019, remain open for potential examination by the Department of Labor, generally for six years after they were filed.

NOTE G PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts managed by American Funds, the Plan's trustee, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The related interest income is also considered party-in-interest transactions.

Certain Plan investments are shares of mutual funds managed by Wells Fargo, one the Plan's asset custodians. These transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

NOTE H PLAN TERMINATION

Although it has not expressed any intent to date, the Company has the right under the provisions of the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE I ADMINISTRATIVE EXPENSES

Administrative expenses consist of brokerage fees which totaled \$44,101 and \$43,598 for the year ended September 30, 2025 and 2024, respectively.
