Re: Explanation for Late Filing of Form 5500

To Whom It May Concern:

We are submitting the Form 5500 for the plan year ending 2024 after its original filing deadline. The late submission was due to unexpected turnover within our finance office, which resulted in a loss of access to the EFAST2 filing system and a delay in re-establishing authorized credentials required for electronic filing. As soon as we became aware of the issue and regained access, we completed and submitted the required Form 5500.

We have since updated our internal procedures to ensure continuity of EFAST2 access and to prevent delays in future filings.

Thank you for your understanding.

Sincerely,

Lydia DeNasha
