REPORT OF INDEPENDENT AUDITORS

To the Plan Administrator of the
WTG Downstream 401(k) Employees Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the WTG Downstream 401(k) Employees Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets as of July 2, 2025 and December 31, 2024 (in Liquidation), the statement of changes in net assets for the period from January 1, 2025 through July 2, 2025 (in Liquidation), and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of July 2, 2025 and December 31, 2024 and for the period from January 1, 2025 through July 2, 2025, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (“GAAP”).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Terminating Plan and Liquidation Basis of Accounting

As discussed in Note B to the financial statements, WTG Downstream Services, LLC, the plan sponsor, elected to terminate the Plan effective December 31, 2024, and management determined that liquidation is imminent. In accordance with GAAP, the Plan has presented its financial statements using the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

General

The following brief description of the WTG Downstream 401(k) Employees Plan (the “Plan”) is provided for general information purposes only. The Plan is sponsored by WTG Downstream Services, LLC (the “Company” or “Plan Sponsor”). Participants should refer to the Plan document for more complete information. The Company’s corporate offices are in Midland, Texas.

The Plan was terminated effective December 31, 2024, see Notes B and G for additional information. The following is a description of the Plan prior to termination.

The Plan was effective January 1, 2022, and was restated most recently effective January 1, 2024. This Plan was a defined contribution plan available to all employees of the Company who had attained age 18 and completed three months of service. All employees of the Company were eligible to participate in the Plan, except for those employees covered by a collective bargaining agreement and non-resident aliens. Eligible employees entered the Plan on the first day of each month after meeting the eligibility requirements. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The purpose of the Plan was to encourage the Company’s employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

Contributions

Participants were able to contribute up to 100% of pre-tax annual compensation, as defined by the Plan. In addition, participants were able to contribute designated Roth (after tax) contributions. All contributions were subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code (the “Code”) as defined in the Plan document. Eligible participants were able to make rollover contributions to the Plan.

Participants who were eligible to make salary deferral contributions under the Plan and who had attained age 50 before the close of the year were able to make catch-up contributions in accordance with, and subject to the limitations imposed by the Code.

The Company was able to make discretionary matching contributions and non-elective contributions to the Plan as determined annually by its Board of Directors. For the period from January 1, 2025 through July 2, 2025, no discretionary matching contributions or non-elective contributions were made. All participants were eligible for discretionary matching contributions and participants were either required to complete 1,000 hours of service, or events such as disability, early retirement, or death were required to have occurred for participants to be eligible for non-elective contributions.

Participant Accounts

Each participant's account was credited with the participant's contributions and allocations of the Company's contribution and Plan earnings. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant was entitled was the benefit that can be provided from the participant's account.

Vesting

Participants were immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company contribution portion of accounts, plus actual earnings thereon was as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 or more years	100%

In the event of disability, early retirement, or death, the participant became fully vested.

Effective December 31, 2024, all participants were 100% vested due to the termination of the Plan. See Note B.

Benefit Payments

Participants who withdrew during the year for reasons of service or disability, retirement, death, or termination were entitled to their vested account balance. Benefits were distributed in the form of rollovers or lump sum payments. If withdrawing participants were not entitled to their entire account balance, the amounts not received were forfeited. Certain in-service withdrawals were allowed. A participant was also able to elect to withdraw all or a portion of their vested account balance while employed after reaching age 59 ½.

A. Description of the Plan – continued

Benefit Payments – continued

A participant may have received a hardship distribution from salary reduction contributions if the distribution was: (1) on account of uninsured medical expenses incurred by the participant, their spouse, or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses; (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) payments for burial or funeral expenses for the participant's parent, spouse, children or dependents; or (6) expenses for the repair of damage to the participant's principal residence.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts were used to offset employer matching contributions for the period. In accordance with the Plan termination documents, forfeitures of \$11,169 were allocated to participants prior to liquidation for the period from January 1, 2025 through July 2, 2025. There were no unallocated forfeitures remaining as of Plan termination as of July 2, 2025. Unallocated forfeitures as of December 31, 2024 were \$15,794.

Investment Options

Upon enrollment in the Plan, a participant directed their salary deferrals in 1% increments into any of the Plan's investment options.

Plan Expenses

Employees of the Company performed certain administrative functions with no compensation from the Plan. In accordance with Plan provisions, the Company paid substantially all costs relating to asset charges and recordkeeping. All significant administrative expenses were paid by the Company and are not reflected in the accompanying financial statements.

B. Summary of Significant Accounting Policies

Basis of Accounting and Liquidation

On November 14, 2024, the Plan Sponsor elected to terminate the Plan effective December 31, 2024, subject to provisions set forth in ERISA, and management determined that liquidation was imminent. In accordance with accounting principles generally accepted in the United States of America ("GAAP"), the Plan changed its basis of accounting from the going concern basis to the liquidation basis of accounting.

WTG DOWNSTREAM 401(k) EMPLOYEES PLAN
NOTES TO FINANCIAL STATEMENTS (*continued*)

B. Summary of Significant Accounting Policies – continued

Basis of Accounting and Liquidation – continued

Under the liquidation basis of accounting, assets are measured to reflect the estimated amount of cash expected to be collected in settling or disposing of the assets during the liquidation process, and liabilities are measured using the accrual basis of accounting and would include any expected costs of the disposal of assets, and other costs expected to be incurred during the liquidation process. As of July 2, 2025, the Plan was fully liquidated and there were no remaining assets within in Plan. See Note G.

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Contributions

Contributions from the Company and participants were accrued as they became obligations of the Company, as determined by the Plan's administrator, and in the period in which they were deducted, in accordance with salary deferral agreements.

Investment Valuation and Income

The investments of the Plan are stated at their estimated net realizable value, representing the amount expected to be collected upon liquidation, based on observable market data or other valuation techniques, net of any costs to sell. The investments were subject to market or credit risks customarily associated with equity investments. Fair value measurements were determined in accordance with GAAP, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan's valuation methodologies.

Investment gains and losses were accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments included realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year end. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Code were recorded as a liability with a corresponding reduction to contributions.

B. Summary of Significant Accounting Policies – continued

Payment of Benefits

Benefits were recorded when paid.

C. Fair Value Measurements

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value. The three levels defined are as follows:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.
- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.
- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

GAAP requires that management describe the methodologies used to measure the fair value of assets and liabilities. The methodologies used to measure the fair value of the Plan's investments were as follows:

- Mutual funds were valued at the published per share net asset value of shares held by the Plan and were classified within Level 1 of the valuation hierarchy. There were no significant restrictions on redeeming these investments at net asset value. The net asset value approximates the net realizable value of mutual funds.

The Plan had been fully liquidated as of July 2, 2025 and there were no investments remaining in the Plan. See Note G. There had been no changes in the methodologies used as of December 31, 2024. The following table details the Plan's investments at net realizable value as of December 31, 2024.

WTG DOWNSTREAM 401(k) EMPLOYEES PLAN
NOTES TO FINANCIAL STATEMENTS (continued)

C. Fair Value Measurements – continued

	2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$15,055,517	\$ -	\$ -	\$15,055,517
Total investments at net realizable value	\$15,055,517	\$ -	\$ -	\$15,055,517

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy.

D. Fully Benefit-Responsive Investment Contracts

The Plan held a traditional investment contract. This contract met the fully benefit-responsive investment contract criteria and therefore was reported at contract value adjusted for expected liquidation proceeds as of December 31, 2024. The Plan had been fully liquidated as of July 2, 2025, and there was no fully-benefit responsive investment contract or other investments remaining in the Plan. See Note G. Contract value was the relevant measure for fully benefit-responsive investment contracts because that was the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represented contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The traditional investment contract held by the Plan was a guaranteed investment contract. The contract issuer was contractually obligated to repay the principal and interest at a specified interest rate that was guaranteed to the Plan. The crediting rate was based on a formula established by the contract issuer but may not be less than 0 percent. The crediting rate was reviewed on a quarterly basis for resetting.

E. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements, including investments held at July 2, 2025 and December 31, 2024, and net realized and unrealized gains on investments and interest and dividends for the period from January 1, 2025 through July 2, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC and Empower Annuity Insurance Company of America, the trustees of the Plan.

WTG DOWNSTREAM 401(k) EMPLOYEES PLAN
NOTES TO FINANCIAL STATEMENTS (continued)

F. Tax Status

The Plan was formed effective January 1, 2022 by the adoption of the Actuaries & Associates Defined Contribution Pre-Approved Base Plan Document #20 which has a favorable opinion letter from the Internal Revenue Service (“IRS”) dated June 30, 2020. This opinion letter states that the form of the prototype plan is acceptable under Section 401 of the Code. The Company may rely on this letter with respect to the qualification of the Plan under Code Section 401(a) with certain limitations.

Once qualified, the Plan was required to operate in conformity with the Code to maintain its qualification. The Company believes that the Plan was being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of July 2, 2025, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan was subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

G. Plan Termination

Effective December 31, 2024, the Plan Sponsor elected to terminate the Plan. See Note B. Participants were notified to transfer their funds to another employer-sponsored retirement plan, an individual retirement account (“IRA”), or take a lump-sum distribution. If a participant did not move his or her funds by June 30, 2025, an IRA was established with the broker of the Plan in the participant’s name to accept the rollover of the participant’s funds. The Plan completed the distribution of all remaining assets to participants and was fully liquidated by July 2, 2025. These distributions represent the full settlement of participant account balances, including accrued contributions and forfeitures.

H. Risks and Uncertainties

The Plan invested in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. All of the Plan’s assets, including investment securities, were fully liquidated as of July 2, 2025. See Note G.

NOTES TO FINANCIAL STATEMENTS (*continued*)

I. Parties-in-Interest Transactions

Party in interest transactions included those with fiduciaries or employees of the Plan, any person who provided services to the Plan, an employer whose employees were covered by the Plan, an employee organization whose members were covered by the Plan, a person who owned 50% or more of such an employer or employee organization, or relatives of such persons.

The Plan invested in a fixed account managed by Empower Annuity Insurance Company of America ("Empower"). Empower acted as trustee for only those investments as defined by the Plan. Transactions in such investments qualified as party in interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions were party in interest transactions under ERISA which are exempt from the prohibited transaction rules.

J. Subsequent Events

In preparing the accompanying financial statements, management has evaluated all subsequent events and transactions for potential recognition or disclosure through January 21, 2026, the date the financial statements were available for issuance.
