Independent Auditor's Report

To the Participants and Plan Administrator of the
Culinaire 401(k) Plan
Dallas, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Culinaire 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of July 7, 2025 (in liquidation) and December 31, 2024 (ongoing), the related statement of changes in net assets available for benefits for the period from January 1, 2025 through July 7, 2025 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of July 7, 2025 (in liquidation) and December 31, 2024 (ongoing), and for the period from January 1, 2025 through July 7, 2025 (in liquidation), stating that the certified investment information described in Note 4 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter — Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 1 to the financial statements, the Company's board of directors resolved to terminate the Plan effective January 10, 2025. As a result, the Plan changed its basis of accounting from the ongoing basis used in presenting the 2024 financial statements to the liquidation basis used in presenting the 2025 financial statements. Our opinion is not modified with respect to this matter.

Management's Responsibilities for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events that, considered in the aggregate, raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not absolute assurance; therefore, it is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

To the Participants and Plan Administrator of the
Culinaire 401(k) Plan

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events that, considered in the aggregate, raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Culinaire 401(k) Plan

Notes to the Financial Statements

July 7, 2025 (in Liquidation) and December 31, 2024 (Ongoing)

Note 1 – Plan Description

The following description of the Culinaire 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement or Summary Plan Description for a more complete description of the Plan’s provisions.

Plan Termination

The Company’s board of directors resolved to terminate the Plan effective January 10, 2025 (the “Termination Date”), and to distribute Plan assets as soon as administratively feasible. Effective January 10, 2025, the Plan ceased all contributions and new participant loans. The nonvested portion of all participant accounts were fully vested upon the Termination Date. All Plan participants received an account closing distribution of their account balances based on their distribution election. Distributions were requested in a lump sum cash distribution or as a direct rollover to an Individual Retirement Account (“IRA”) or other qualified retirement plan. As of July 7, 2025, immediately following completion of all distributions of Plan assets, in full satisfaction of all benefits and expenses due under the Plan, the trust was fully liquidated and terminated. As a result of the termination, the Plan filed a final Form 5500.

General

The Plan is a defined contribution 401(k) plan that provides retirement savings benefits to eligible employees of Culinaire International, Inc. (the “Company” or “Employer”). The Plan commenced effective January 1, 1996, and was amended and restated to comply with the latest rules and regulations effective April 25, 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the Internal Revenue Code (“IRC”).

Plan Custodian and Trustee

Fidelity Management Trust Company (“Fidelity,” the “Custodian,” or “Trustee”) is the Custodian maintaining custody of all investments held by the Plan, maintaining the Plan’s participant account balances, and providing recordkeeping services to the Plan. Among other duties, the Custodian receives contributions, holds and invests the fund assets in accordance with the directions of participants, and makes distributions as directed by the Plan Administrator. Fidelity also serves as the Plan’s Trustee.

Eligibility and Plan Entrance Date

All employees of the Company who are 18 years of age, have completed two months of service, and are not a nonresident alien or covered by a collective bargaining agreement are permitted to participate in the Plan. Eligible employees are permitted to enter the Plan on the first day of each month after which the employee has satisfied the eligibility requirements.

Contributions

Prior to the Termination Date, the Plan permitted participants to contribute, on a before-tax or Roth basis, up to 90% of annual compensation as defined in the Plan, up to the maximum amount allowed for deferral annually by the IRC. The deferral limit for 2025 was \$23,500. Participants who have reached 50 years of age before the end of the Plan year are eligible to make catch-up contributions up to the maximum amount allowed annually by the IRC, which was \$7,500 for 2025. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (“rollover”).

Note 1 – Plan Description (continued)

Employer Contributions

Prior to the Termination Date, the Employer may make discretionary matching contributions, as determined by the Employer. For the period from January 1, 2025 through July 7, 2025, the Company made matching contributions to the Plan on behalf of participants in an amount equal to 25% of the first 10% of the participant's eligible compensation that the participant contributed to the Plan. Employer matching contributions are calculated and paid each payroll period. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's discretionary matching contributions, and an allocation of Plan earnings, and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant-Directed Investments

All assets of the Plan are participant-directed investments. The Plan has selected various investment options, as more fully described in the Plan Document, to which participants may designate the allocation of their account balances. Participants may direct their account balances to one or more of the investment options offered, which vary in types of investments, rates of return, and investment risk.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Prior to the Termination Date, vesting in the discretionary matching contributions and nonelective contributions, plus any income or loss thereon, were subject to the following vesting schedule:

Years of Service	Vesting %
Less than 1 year	0%
1	33%
2	66%
3	100%

Notes Receivable from Participants

Prior to the Termination Date, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. A participant may only have one outstanding loan at a time. The loans must be repaid over a period of no longer than five years. Loans are secured by the balance in the participant's account. The loan interest rate is set at a commercially reasonable rate of interest, as defined. Principal and interest are paid ratably through payroll deductions at least quarterly.

Note 1 – Plan Description (continued)

Payment of Benefits

Upon separation of service due to death, disability, normal retirement, or termination of employment, a participant receives a distribution of the vested portion of their account balance. If the vested account balance is less than or equal to \$1,000, the Plan permits involuntary lump sum cash distributions. Distributions to a terminated employee with a vested account balance less than or equal to \$5,000 are made as a lump sum distribution as soon as administratively possible following the participant's termination of employment. The participant may elect whether to receive the distribution directly or to rollover the distribution into another retirement plan. If a terminated employee has an account balance exceeding \$5,000, the participant may elect to take a distribution of less than the entire vested account balance.

A participant may withdraw all or a portion of their vested account balance in the event of a financial hardship, as defined by the Plan. Additionally, in-service withdrawals are permitted upon attainment of age 59 ½.

Forfeited Accounts

At July 7, 2025 and December 31, 2024, forfeited nonvested accounts totaled \$0 and \$14,807, respectively. Employer contributions were reduced by \$6,173 from forfeited nonvested accounts for the period from January 1, 2025 through July 7, 2025. Plan expenses of \$14,997 were paid from forfeited nonvested accounts for the period from January 1, 2025 through July 7, 2025.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

Effective January 10, 2025, a decision was made to terminate the Plan. As a result, the 2024 financial statements have been prepared on the ongoing basis, and the 2025 financial statements have been prepared on the liquidation basis of accounting in conformity with the accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as those held during the year.

Notes to the Financial Statements

July 7, 2025 (in Liquidation) and December 31, 2024 (Ongoing)

Note 2 – Summary of Significant Accounting Policies (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of July 7, 2025 and December 31, 2024. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan Agreement.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRC are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2024 excess contributions to the applicable participants prior to March 28, 2025.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain expenses for maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain expenses specifically incurred by, or attributable to, a participant will be paid from that participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1), and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820 are described as follows:

- **Level 1** – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.
- **Level 2** – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- **Level 3** – Inputs that are unobservable inputs for the assets or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at July 7, 2025 and December 31, 2024.

Culinaire 401(k) Plan

Notes to the Financial Statements

July 7, 2025 (in Liquidation) and December 31, 2024 (Ongoing)

Note 3 – Fair Value Measurements (continued)

- **Mutual Funds** – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- **Common Collective Trust Stable Value Fund** – The Plan’s investment in the Putnam Fiduciary Trust Company Common Collective Trust Stable Value Fund is primarily comprised of fully benefit responsive investment contracts that are valued at the NAV of units of the collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily and there are no unfunded commitments. The redemption frequency is immediate. There are no significant restrictions on participant redemptions and there is no redemption notice period. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of July 7, 2025 and December 31, 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Investments at Fair Value as of July 7, 2025				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ -	\$ -	\$ -	\$ -
Total assets in the fair value hierarchy	-	-	-	-
Investments measured at NAV (a)	-	-	-	-
Investments at fair value	\$ -	\$ -	\$ -	\$ -
Investments at Fair Value as of December 31, 2024				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 10,174,795	\$ -	\$ -	\$ 10,174,795
Total assets in the fair value hierarchy	10,174,795	-	-	10,174,795
Investments measured at NAV (a)	-	-	-	242,862
Investments at fair value	\$ 10,174,795	\$ -	\$ -	\$ 10,417,657

(a) In accordance with ASC Topic 820-10, certain investments (Common Collective Trust Stable Value Fund) that were measured at NAV (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Notes to the Financial Statements

July 7, 2025 (in Liquidation) and December 31, 2024 (Ongoing)

Note 4 – Information Prepared and Certified by the Plan’s Trustee

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company has certified that the following data included in the accompanying financial statements are complete and accurate.

	July 7, 2025	December 31, 2024
Investments at fair value	\$ -	\$ 10,417,657
Notes receivable from participants	-	49,294
For the Period from January 1, 2025 through July 7, 2025		
Net depreciation in fair value of investments		\$ (72,296)
Dividends		13,093
Interest income on notes receivable from participants		1,065

The Plan’s independent auditor did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements.

Note 5 – Related-Party and Party-in-Interest Transactions

Certain Plan investments are managed by the Custodian; therefore, these transactions qualify as party-in-interest transactions as defined by ERISA. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA. All investment fund earnings or losses posted to each participant’s account are net of investment management fees charged by each investment fund under the Plan.

The Plan has notes receivable from participants as of December 31, 2024. These receivables and all related transactions qualify as party-in-interest transactions and are exempt from being prohibited by ERISA.

Note 6 – Tax Status

The Plan operates under an adoption agreement in connection with a volume submitter profit sharing plan sponsored by Fidelity Management and Research Company (the “Prototype Plan”). This Prototype Plan document has been filed with the appropriate agency and has obtained a determination letter from the IRS, dated June 30, 2020, stating that the Prototype Plan constitutes a qualified plan under Section 401 of the IRC, and that the related trust was tax exempt as of the financial statement date. The Plan has not filed individually with the IRS for a letter regarding the Plan’s qualified tax status.

The Prototype Plan has been amended since receiving the opinion letter; however, the Plan Administrator and the Plan Trustee believe that the Prototype Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. The Plan and related trust continue to be tax-exempt, and accordingly, no provision for income taxes has been included in the Plan’s financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Notes to the Financial Statements

July 7, 2025 (in Liquidation) and December 31, 2024 (Ongoing)

Note 7 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rates, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of July 7, 2025 and December 31, 2024:

	July 7, 2025	December 31, 2024
Net assets available for benefits per the financial statements	\$ -	\$ 10,420,968
Excess contributions payable	-	45,983
Net assets available for benefits per Form 5500	<u>\$ -</u>	<u>\$ 10,466,951</u>

The following is a reconciliation of the net decrease per the financial statements to Form 5500 for the period from January 1, 2025 through July 7, 2025:

Net decrease per the financial statements	\$ (10,420,968)
Less: excess contributions payable, beginning of period	<u>(45,983)</u>
