INDEPENDENT AUDITORS' REPORT

To the Plan Sponsor of Central Plumbing & Heating, Inc. VEBA Trust
Great Falls, Montana

Opinion on the Financial Statements

We have audited the accompanying financial statements of Central Plumbing & Heating, Inc. VEBA Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Central Plumbing & Heating, Inc. VEBA Trust as of December 31, 2022, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Central Plumbing & Heating, Inc. VEBA Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Central Plumbing & Heating, Inc. VEBA Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Central Plumbing & Heating, Inc. VEBA Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Central Plumbing & Heating, Inc. VEBA Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

CENTRAL PLUMBING & HEATING, INC. VEBA TRUST

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1: DESCRIPTION OF PLAN

The following description of the Central Plumbing & Heating, Inc. VEBA Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established by Central Plumbing & Heating, Inc. (the "Company") to provide vacation benefits to eligible employees of the Company in accordance with Section 501(c)(9) of the Internal Revenue Code (the IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established on January 1, 2005.

Eligibility

To be eligible to participate in the Plan, employees must be hourly-paid, not covered by a collective bargaining agreement, and must have worked at least one hour on a prevailing wage job. All other employees will become eligible to participate in the Plan in accordance with the personnel policies and procedures of the Company. Eligibility applies only if such benefits are provided for in the employee's job contract. Eligible hourly-paid employees shall enter the Plan immediately upon meeting eligibility requirements. All other eligible employees shall enter the Plan immediately upon hire.

Contributions

The Company makes contributions to the Plan based on each eligible employee's base pay rate (irrespective of any Davis-Bacon or other incentive wage rates) and total hours worked (including hours compensated at Davis-Bacon or other incentive wage rates), multiplied by a discretionary vacation accrual rate established by the Company according to the participant's credited years of service. The Plan is entirely funded by Company contributions; participants are neither required nor permitted to make contributions to the Plan. For the year ended December 31, 2022, contributions to the Plan totaled \$240,199.

Payment of Benefits

The Company makes benefit payments to participants when they take vacation. The amount of each payment is based on the participant's base pay rate, irrespective of any Davis-Bacon or other incentive wage rates, multiplied by the vacation time or amount requested by the participant. Benefit payments are processed in coordination with the Company's regular payroll cycle. Participants are not permitted to receive cash distributions in lieu of taking vacation. Upon termination of employment, any remaining balance in a participant's account is distributed within 15 days of termination or on the next regular payroll date, whichever occurs first.

CENTRAL PLUMBING & HEATING, INC. VEBA TRUST

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited solely with the Company's contributions and an allocation of net earnings from investments and changes in investment values. Allocations are based on Company's contributions, earnings, or account balances, as defined by the Plan agreement. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's account. Participant accounts are not charged with an allocation of administrative expenses that are paid by the Plan sponsor.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions which affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Plan Cash

The Plan's cash consists of amounts held in First Interstate Bank in Montana, which are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per depositor.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3: PLAN TERMINATION

Although the Company expects to continue the Plan indefinitely, it has the right under the Plan to suspend its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, the Plan's assets would be distributed to participants.

CENTRAL PLUMBING & HEATING, INC. VEBA TRUST

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 4: TAX STATUS

The VEBA Trust established under the Plan constitutes a “Voluntary Employee Benefit Association” and has obtained an exemption letter from the Internal Revenue Service dated January 29, 2007, stating that the VEBA Trust is tax-exempt under the provisions of Section 501(c)(9) of the IRC. Therefore, the Plan and related trust are tax-exempt, and once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified as a tax-exempt trust.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2019.

NOTE 5: PARTY-IN-INTEREST TRANSACTIONS

Certain Plan funds are managed by First Interstate Bank. First Interstate Bank is the custodian, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

Additionally, the Plan Sponsor, Central Plumbing & Heating, Inc., is also a party-in-interest to the Plan, however, there were no transactions with the Plan Sponsor other than the funding of contributions to the Plan and payment of certain administrative expenses of the Plan.

NOTE 7: SUBSEQUENT EVENTS

Subsequent events are events or transactions that occur after the statement of net assets available for benefits date but before the financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of net assets available for benefits but arose after the statement of net assets available for benefits date and before the financial statements are available to be issued.

The plan has evaluated subsequent events through November 24, 2025, the date the financial statements were available to be issued.
