2024 Final Form 5500, Plan No. 001

To Whom It May Concern:

I am writing to respectfully request abatement of the late filing penalty assessed for Form 5500-SF for the above-referenced plan. The late filing was due to reasonable cause and not willful neglect.

This plan was terminated, and the 2024 filing is the final filing. Several factors contributed to this late filing. Our office closed in July 2023. The transition to a new office, along with the process of digitizing and transferring our files was overwhelming. During this time, we also lost our firm administrator who had been responsible for working with our 401(k) provider Paychex to meet our reporting obligations. It was our understanding that she worked with our third-party service provider and had completed this filing timely.

The delinquency was discovered as a result of an e mail received on January 27, 2026, from Albert Scott – EBSA. This e mail identified the late filing. I immediately began researching the issue and discovered on February 4, 2026, that the filing indeed had not been submitted. After establishing my online account, I prepared and filed the return.

Again, as a result of our office closing this is our final return and there will not be any future late filings. As you consider our request please consider our history of timely filing. Thank you for your consideration in this matter.

Regards,

Frank P Scotti
