INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Mental Health Association of Nassau County, Inc. as Sponsor of Mental Health Association of Nassau County 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Mental Health Association of Nassau County 403(b) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023 and for the years then ended stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**MENTAL HEALTH ASSOCIATION OF NASSAU COUNTY 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Mental Health Association of Nassau County 403(b) Plan (formerly known as 403(b) Thrift Plan for Employees of Mental Health Association of Nassau County, Inc.), (the "Plan") provides only general information. Readers should refer to the Plan document for a more complete description of the Plan's provisions.

A. **General** – The Tax Deferred Annuity Plan of Mental Health Association of Nassau County, Inc., a defined contribution plan covering all eligible employees of the Sponsor, was established on August 1, 1984 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), and subsequent amendments. On December 1, 2020, the Plan's name was changed to the 403(b) Thrift Plan for Employees of Mental Health Association of Nassau County, Inc. and the plan was amended to adopt a 403(b) Thrift Plan to provide retirement benefits for employees of the Plan sponsor. – Effective October 2023, the plan was restated and the Plan's name was changed to Mental Health Association of Nassau County 403(b) Plan.

B. **Contributions**

Employee Elective Deferrals

Each year, participants may elect to make pre-tax or Roth deferrals of their total compensation, to be deducted each pay period, up to the maximum amount allowed under the Internal Revenue Service ("IRS") rules. Participants who have attained age 50 or older before the end of the Plan year, and are making maximum contributions, are eligible to make catch-up contributions, up to the maximum as permitted by the Internal Revenue Code ("IRC").

Effective December 1, 2020, the Plan adopted an automatic contribution provision whereby all eligible employees shall be deemed to have directed the Plan Sponsor to make salary reduction contributions on their behalf at the deferral rate of 1% and increasing to 2% for the second year, then 3% for the third year and thereafter.

Employer Contributions

No employer matching contributions were made into the Plan. However, employees who have attained age 21 and completed one year of service are entitled to receive a pro-rata allocation of employer base contributions at the employer's discretion.

Rollover Contributions

The Plan accepts rollovers from other qualified retirement plans or IRAs.

C. **Eligibility** – All employees are eligible except for those who are non-resident aliens with no U.S. source income.

D. **Participant Accounts** – Each participant's account is credited with the participant's contributions and allocations of (a) any Sponsor discretionary contributions, and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct their accounts into various investment options offered by the Plan.

E. **Vesting and Forfeiture** – Participants are immediately vested in their elective basic contributions plus actual earning thereon. Vesting in the Sponsor's contribution portion of their accounts is based on years of continuous service according to the following schedule:

<u>Years of Service</u>	<u>Vested %</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF PLAN (Continued)

- F. **Notes Receivable from Participants** – Participants may borrow from their fund accounts a minimum of \$1,000 and a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The account balances attributable to designated Roth contributions shall be disregarded for purposes of determining the available loan amount and for purposes of securing a loan. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates, as defined by the Plan Sponsor. Notes receivable from participants as of December 31, 2024 and 2023 were \$43,014, and \$45,076, respectively.
- G. **Payments of Benefits** – On termination of service due to death, disability or retirement, a participant (or their beneficiary in the event of death) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or in installments. The Plan provides for mandatory distributions of a participant's vested account balance following severance from employment when a participant's vested account balance is less than or equal to \$7,000. Hardship distributions are permitted from all participant accounts.
- H. **Forfeiture Accounts** – If a participant's employment terminates for reasons other than retirement, disability or death, the unvested portion of his/her account is forfeited either when the vested portion of his/her account is distributed or when he/she completed five consecutive one-year breaks-in-service. Forfeitures shall be used to first to pay any charge in connection with the termination of employment, second, to restore the forfeited portion of the accounts of reemployed participants and third, to be allocated to the remaining active participants' accounts in the ratio that the compensation of such participant bears to the compensation of all plan participants. Forfeitures used in the years ended December 31, 2024 and 2023 were \$0. At December 31, 2024 and 2023, respectively, the balance of available forfeitures for future use was \$108 and \$103, respectively.
- I. **Regulatory Compliance Affecting Retirement Plans** – The Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE 1.0 Act) became law on December 20, 2019. The SECURE Act made major changes to the Required Minimum Distribution ("RMD") rules, increasing the age from 70 ½ to 72 to participants over 72 after January 1, 2020. Plans were required to be formally amended for certain other changes if adopted on or before the last day of the 2024 Plan year.

The SECURE 2.0 Act (SECURE 2.0) was signed into law in December 2022, delivering dozens of new retirement-related provisions. These changes build on the original SECURE Act of 2019, which altered the rules around how employees can save and withdraw money from their retirement accounts. SECURE 2.0 further increased the age of RMDs, increased the catch-up contributions for older workers and required automatic enrollment for new plans. The SECURE 2.0 Act increased the age at which individuals must begin taking RMDs to 73 from 72, beginning January 1, 2023, as well as other increases starting in 2030.

The SECURE 2.0 Act increases the limit for catch-up contributions for individuals ages 60 to 63, effective for taxable years beginning after December 31, 2024. In addition, the SECURE 1.0 Act and the SECURE 2.0 Act, lowered the eligibility requirements to enable part-time workers to participate in 401(k) plans. These rules for long-term, part-time workers are expanded to apply to ERISA 403(b) plans, as well. The SECURE 2.0 Act changes the eligibility requirements under 401(k)'s so that it is easier for part-time employees to participate in them. The enacted law, the SECURE 1.0 Act, allows plans to limit eligibility for participation of part-time employees who reach the later of: (1) age 21 or completion of one 12-month period in which the employee worked at least 1,000 hours (pre-SECURE 1.0 Act rule); or (2) three consecutive years of service with 500 or more hours in each year. Under the SECURE 2.0 Act, a plan must allow a part-time employee to participate if the employee has either satisfied the above rule #1, or if the employee has completed two consecutive 12-month periods in which the employee worked at least 500 hours in each one of the two periods and reached age 21 by the end of the second 12-month period.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. **Basis of Accounting** – The financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).
- B. **Use of Estimates** – The preparation of financial statements in accordance with U.S. GAAP requires the Plan Sponsor to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.
- C. **Investment Valuation and Income Recognition** – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, a fair value hierarchy prioritizes observable and unobservable inputs used to measure fair value into three levels, as described in Note 4.
- Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.
- D. **Payment of Benefits** – Benefits are recorded when paid.
- E. **Expenses** – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. The Plan Sponsor pays certain expenses related to the Plan. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant’s account and are included in the financial statements. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

NOTE 3 – INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN AS COMPLETE AND ACCURATE

As noted in the independent auditors' report, the Plan administrator has elected the method of compliance in accordance with ERISA Section 103(a)(3)(C) as permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, as permitted under such election, the following information was certified as complete and accurate by Mutual of America Life Insurance Company, the custodian of the Plan, for the years ended December 31, 2024 and 2023, and was not subjected to any auditing procedures performed by the independent auditors except for comparing such information to information included in the Plan's financial statements.

The Plan transferred some of its assets to BPAS, a third-party provider in September 2023 and BPAS has certified the information from September 1, 2023 through December 31, 2024. Both providers certified to the completeness and accuracy of the investments included in the financial statements and the supplemental schedule as of December 31, 2024 and 2023, and the investment activity included in the financial statements for the years ended December 31, 2024 and 2023.

As of December 31, 2024 and 2023, the investments consist of the following:

	2024	2023
Investments, at fair value	\$ <u>1,994,342</u>	\$ <u>1,662,608</u>

Investments for the Plan are subject to market volatility conditions that could substantially change their carrying values in the near term.

DECEMBER 31, 2024 AND 2023**

NOTE 3 – INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN AS COMPLETE AND ACCURATE (Continued)

Investment activity consists of the following for the years ended December 31:

	2024	2023
Net appreciation in fair value of investments	\$ 229,728	\$ 228,011
Interest income & dividends	32,120	15,995
Total investment activity	\$ 261,848	\$ 244,006

Notes receivable from participants of \$43,014 and \$45,076 as of December 31, 2024 and 2023, respectively, and interest income on notes receivable from participants of \$1,990 and \$389 for the years then ended, have also been certified by the custodians.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2024 and 2023.

Interest Accumulation Account

The interest accumulation account is an interest account in which amounts placed in the account are credited with interest at a rate determined by Mutual of America Life Insurance Company. Mutual of America reserves the right to change the interest rates applicable to amounts held in the interest accumulation account at their discretion, but not below the minimum guaranteed interest rate. It is valued at fair value by discounting the related cash flows based on current yields or similar instruments with comparable durations considering the creditworthiness of the issuer. The effective interest rate was 2.85% and 1.6% during the years ended December 31, 2024 and 2023, respectively.

**MENTAL HEALTH ASSOCIATION OF NASSAU COUNTY 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Separate Account No. 2

Investments held in this account consist of mutual funds valued at net asset value (“NAV”) provided by Mutual of America administrator of the trust. The NAV is based on the value of the underlying assets, minus its liabilities, divided by the number of shares outstanding, and is considered a practical expedient. Mutual of America Separate Account No. 2 is a direct filing entity and there are no restrictions or unfunded commitments in this fund.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Mutual Funds:

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Financial assets carried at fair value at December 31, 2024 are classified as follows:

	<u>Level 1</u>	<u>Level 3</u>	<u>Total</u>
Interest Accumulation Account	\$ -	\$ 112,877	\$ 112,877
Mutual Funds	<u>915,135</u>	<u>-</u>	<u>915,135</u>

Separate Account No. 2 – NAV			<u>966,330</u>
Total Investments at Fair Value			<u>\$ 1,994,342</u>

Financial assets carried at fair value at December 31, 2023 are classified as follows:

	<u>Level 1</u>	<u>Level 3</u>	<u>Total</u>
Interest Accumulation Account	\$ -	\$ 109,656	\$ 109,656
Mutual Funds	<u>729,029</u>	<u>-</u>	<u>729,029</u>

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Fair Value of Investments in Entities that use NAV Per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31:

	<u>2024 Fair Value</u>	<u>2023 Fair Value</u>	<u>Redemption Frequency</u>	<u>Redemption Notice</u>	<u>Unfunded Commitment</u>
Separate Account No. 2	\$ 966,330	\$ 823,923	Daily	None	N/A

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

NOTE 5 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain investments are held and managed by Mutual of America and BPAS, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services, recordkeeping and distribution are netted in investment income, as they are paid through revenue sharing, rather than direct payment. Actual direct administrative and investment advisory fees paid by the Plan amounted to \$19,910 and \$3,332, respectively, for the years ended December 31, 2024 and 2023.

NOTE 6 – TAX STATUS

The Plan has adopted the Prototype Non-Standardized 403(b) Thrift Plan which has been determined by the IRS in a letter dated March 31, 2017 to be in accordance with the applicable sections of the IRC. The Plan has not received a determination letter specified to the Plan itself; however, the Plan administrator and the Plan's tax counsel believe that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the funds of the Plan will be allocated to individual participants, former participants or beneficiaries. Any unallocated funds shall be allocated according to the terms of the Plan until distributed in accordance with the provisions of the Plan.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 – SUBSEQUENT EVENTS

Management has evaluated, for potential recognition and disclosure, events subsequent to the statement of net assets available for benefits date through January 27, 2026, the date the financial statements were available to be issued.
