The financial statements comprise the statements of net assets available for benefits as of November 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended November 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Adrian L. Merton, Incorporated Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended November 30, 2024 and 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Adrian L. Merton, Incorporated Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Adrian L. Merton, Incorporated Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

REGAN, SCHICKNER, & HARPER LLC

CERTIFIED PUBLIC ACCOUNTANTS

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Adrian L. Merton, Incorporated Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Adrian L. Merton, Incorporated Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS NOVEMBER 30, 2024

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Adrian L. Merton, Inc (“Company”) Profit Sharing Plan (“Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General

The Adrian L. Merton Profit Sharing Plan was established by Adrian L. Merton, Inc. (a Delaware corporation). The original plan was effective on December 1, 1968. The effective date of the most recent amendment and restatement is October 18, 2021. The Plan year begins on December 1 and ends on November 30 of the following calendar year.

The Plan is a defined contribution plan covering substantially all full-time employees of the Company excluding union, leased and non-resident aliens. It is subject to the requirements of the Employee Retirement Income Security Act (“ERISA”) of 1974. The Plan has a 401(k) deferral provision, safe harbor, discretionary match, and discretionary non-elective profit sharing contributions. The Plan’s assets are held by Lincoln Financial Group Trust Company, the Plan trustee. The trustees also retained MAP Retirement as the third-party administrator which provides administrative, compliance, and record keeping services.

Eligibility Requirements

Employees are eligible to participate in the Plan as of the first day of each plan quarter coinciding with, or next following, the date upon which they have completed ninety days of service and attained age eighteen, effective August 1, 2024.

Contributions

The maximum dollar amount each participant may contribute annually on a pre-tax basis is \$22,500 in 2024 as defined in the plan. Additional contributions of up to \$7,500 in 2024 are allowed for participants who are over age fifty by November 30, 2024. The Company may make discretionary non-elective profit sharing and discretionary matching contributions as determined by the employer, annually. During the year ended November 30, 2024, the Company did not make any profit sharing or matching contributions to the Plan. For the years ended November 30, 2024 and 2023, the safe harbor non-elective contributions were 3% of eligible compensation. For the years ended November 30, 2024, and 2023, the Company made safe harbor contributions of \$211,986 and \$193,206 , respectively.

Participants may also contribute rollover amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

ADRIAN L. MERTON, INCORPORATED PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS NOVEMBER 30, 2024

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

- 401(K) & Roth salary deferrals and rollovers - Each participant's account is credited with the employee contribution, if any. Each participant's account is segregated and self-directed as to the investment vehicle. Gains and losses of segregated accounts are credited to that account only.
- Safe harbor, profit sharing and matching - Each participant's account is credited with the allocation of (a) the Company's contribution, if any and (b) Plan earnings. Allocations are based on participant earnings, as defined in the Plan document. Each participant's account is segregated and self-directed as to the investment vehicle. Gains and losses of segregated accounts are credited to that account only.

Vesting

- 401(K) & Roth salary deferrals and rollovers - Participants are immediately vested in their voluntary contributions plus actual earnings thereon.
- Safe harbor matching - Participants are immediately vested in their safe harbor matching contributions plus actual earnings thereon.
- Profit sharing and matching - The Plan has a 6-year graded vesting schedule based on Participant's years of service as of the date of determination.

The Plan defines normal retirement age as the later of the date a participant reaches age 65 or the fifth anniversary date of participation. Disability is defined as having been determined disabled by the Social Security Administration and being eligible to receive disability benefits under the Social Security Act.

Forfeited Accounts

Forfeited non-vested accounts may be used to reduce future employer contributions, pay reasonable plan expenses, or to restore forfeitures. As of November 30, 2024 and 2023, forfeited non-vested accounts totaled \$1 and \$995, respectively. The Company elected to re-allocate forfeitures to offset employer contributions for the years ended November 30, 2024 and 2023 in the amounts of \$2,798 and \$0, respectively.

Notes Receivable from Participants

Participants may take out a loan against their outstanding participant balance. Loans will be limited to the lesser of \$50,000 reduced by the excess of the highest outstanding balance of loans from the plan to the participant, or 50% of the present value of the non-forfeitable accrued benefit of the participant. The loans shall be made available to all participants and beneficiaries on a reasonable equivalent basis. Loans shall not be made to highly compensated employees in an amount greater than the amount made available to other participants and beneficiaries. Loans shall bear a reasonable rate of interest, be adequately secured, and provide repayment over a reasonable period of time.

Withdrawals and Benefits

Benefits are distributed upon termination, death, disability or other reasons allowable per the plan document in a single-sum cash payment or installment payments equal to the participant's vested interest in their account. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

NOTES TO FINANCIAL STATEMENTS NOVEMBER 30, 2024

NOTE 2 - ACCOUNTING POLICIES AND PROCEDURES

Date of Management's Review

Subsequent events were evaluated through January 26, 2026, which is the date the financial statements were available to be issued.

Basis of Accounting

The accompanying financial statements and supplemental schedule have been prepared in conformity with the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted under such rules and in accordance with the Trust agreements, the accounting records maintained by the custodian are on the accrual basis.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative expenses

All expenses of administration may be paid out of the Plan unless paid by the Company.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring the fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

ADRIAN L. MERTON, INCORPORATED PROFIT SHARING PLAN

**NOTES TO FINANCIAL STATEMENTS
NOVEMBER 30, 2024**

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the assets or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at November 30, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

General Account: The fair value of assets held in general account by the insurance company is based on quoted net asset values of the shares held by the Plan at year-end.

ADRIAN L. MERTON, INCORPORATED PROFIT SHARING PLAN

**NOTES TO FINANCIAL STATEMENTS
NOVEMBER 30, 2024**

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of November 30, 2024 and 2023.

<i>Assets at Fair Value as of November 30, 2024</i>				
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Mutual Funds	\$ 15,792,468	\$ -	\$ -	\$ 15,792,468
Insurance company general account	2,452,364	-	-	2,452,364
Total assets at fair value	\$ 18,244,832	\$ -	\$ -	\$ 18,244,832

<i>Assets at Fair Value as of November 30, 2023</i>				
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Mutual Funds	\$ 13,225,256	\$ -	\$ -	\$ 13,225,256
Insurance company general account	2,724,967	-	-	2,724,967
Total assets at fair value	\$ 15,950,223	\$ -	\$ -	\$ 15,950,223

Gains and losses included in changes in net assets available for benefits for the year ended November 30, 2024, are reported in net appreciation (depreciation) in fair value of investments.

The Plan reported no significant assets or liabilities at fair value using significant unobservable inputs, Level 3 instruments, as of November 30, 2024 and 2023.

NOTE 4 – TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

ADRIAN L. MERTON, INCORPORATED PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS NOVEMBER 30, 2024

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan. In the event of Plan termination, participants would become fully vested in their accounts.

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of Investments managed by Lincoln Financial Group. Lincoln Financial Group is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing rather than direct payment. For the year ended November 30, 2024, the Plan paid additional fees for the investment management services of \$71,468 to the trustee.

NOTE 7 – RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements available for benefits.

NOTE 8 – CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at November 30, 2024 and 2023, and net appreciation (depreciation) in fair value of investments, interest and dividends for the year ended November 30, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Lincoln Financial Group.
