INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Spire Global, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Spire Global, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of January 31, 2025 and December 31, 2024 (in liquidation), and the related statement of changes in net assets available for benefits for the period from January 1, 2025 to January 31, 2025 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL's") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of January 31, 2025 and December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Terminating Plan

As further discussed in Note 1 to the financial statements, the Board of Trustees of the Spire Global, Inc. 401(k) Plan, the Plan's sponsor, elected on October 7, 2024 to terminate the Plan. On January 31, 2025, the Plan was terminated and all assets and liabilities of the Plan were transferred out of the Plan. In accordance with U.S. GAAP, the Plan is using the liquidation basis of accounting in presenting the financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

To the Administrative Committee of
Spire Global, Inc. 401(k) Plan

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SPIRE GLOBAL, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

January 31, 2025 (in liquidation)

1. Description of Plan

The following description of Spire Global, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Summary Plan Description and/or Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan was adopted by Spire Global, Inc. (the “Company” and/or “Plan Sponsor”) on January 1, 2016, and was most recently restated effective January 1, 2022. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and certain provisions of the Internal Revenue Code (“IRC”). All employees of the Company (and Spire Global Subsidiary, Inc.) are eligible to participate in the Plan upon employment, unless they are an excluded class as defined by the Plan document. The Board of Trustees is responsible for oversight of the Plan. The Administrative Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan’s Board of Trustees.

Plan Termination

On October 7, 2024, the Plan Sponsor elected to move the Plan into a Pooled Employer Plan, effective January 31, 2025. On January 31, 2025, the Plan Sponsor transferred the Plan and all of its assets, which amounted to \$8,623,396 into the Woodruff Sawyer PEP Plan, which is a pooled employer plan, as a result of this change the Plan was terminated and no longer functions as a retirement Plan.

Plan Administration

The Company is the administrator of the Plan. As administrator, the Company has exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan. Fidelity was the appointed trustee for the Plan in 2025, and acted at the direction of the Plan’s administrator.

Contributions

Employees who elect to participate in the Plan may contribute a portion of their eligible compensation up to 75% of their eligible compensation for that pay period, or up to the limits imposed by Sections 402(g) and 415 of the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may elect to make Roth 401(k) contributions to the Plan and may contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may make a discretionary matching employer contribution or a discretionary nonelective employer contribution; however, no such employer contributions were made or approved for the period from January 1 to January 31, 2025. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, rollovers from other qualified plans, Company discretionary contributions (if any) and Plan earnings or losses. Participants are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. Certain fees are charged to the fund investments and are offset against Plan investment income and loss as presented on the statement of changes in net assets available for benefits. Participants should refer to the prospectuses of these funds for details on the various types and amounts of investment fees charged to the Plan and their individual accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participant contributions, rollovers, and net earnings on these contributions, are fully vested when made or earned.

Discretionary company contributions, if any, as well as all earnings on these contributions vest according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Participants are fully vested upon retirement, death, disability, or Plan termination.

Notes Receivable from Participants

Participants are allowed one note receivable at any time and may borrow from their fund accounts a minimum of \$1,000 up to 50% of the value of their account balance, or \$50,000, whichever is less. Note receivable terms range from one to five years, except for notes receivable used to purchase a primary residence, which have a maximum term of ten years. The notes receivable are secured by no more than 50% of the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates at the time the note receivable originates. Principal and interest are paid in equal installments through payroll deductions, personal checks from employees on leave, or cashier's checks for the full payoff of the notes receivable. Due to Plan termination there were no notes receivable from participants as of January 31, 2025.

Payments of Benefits

When participants leave the Company, upon retirement (age 65) or for any other reason, those participants (or their beneficiaries) may receive the vested value of their account in a single lump-sum payment. The Plan also allows for in-service withdrawals upon a participant attaining the age of 59½, or having a hardship. In-service withdrawals may be taken from all vested accounts, with the exception of hardships that may not be taken from matching contributions or profit sharing contributions. In addition, the Plan allows for withdrawals of any rollover contributions at any time.

Distributions under the Plan shall generally be made as soon as possible after the date of retirement, date of death, or termination of employment. Mandatory distributions of account balances under \$5,000 will be made as soon as possible. In the event of a mandatory distribution greater than \$1,000, if the participant does not elect to have such distribution paid directly to an eligible retirement plan specified by the participant in a direct rollover or to receive the distribution directly, the Plan's administrator will pay the distribution in a direct rollover to an individual retirement account designated by the Plan's administrator.

Investment Options

Upon enrollment in the Plan, a participant may direct his or her contributions in percentage increments into a series of mutual funds, a common/collective trust, a money market fund or a brokerage link account offered by the Plan. Participants may change their investment options at any time.

1. Description of Plan, continued

Forfeitures

Forfeitures that occur during a Plan year will be used to pay expenses related to the administration of the Plan and to reduce future Company discretionary contributions. As of January 31, 2025 and December 31, 2024, forfeitures amounted to \$0 and \$1,367, respectively. For the period from January 1, 2025 to January 31, 2025, no amounts were used, and approximately \$1,370 in forfeitures was transferred to the new plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

In accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), the Plan financial statements are prepared on the liquidation basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, disclosure of contingent assets and liabilities and changes in net assets available for benefits. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are reflected on a trade date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the period.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of January 31, 2025 and December 31, 2024.

Payment of Benefits

Benefits are recorded when paid.

2. Summary of Significant Accounting Policies, continued

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Information Certified by the Trustee

Fidelity has prepared and certified as complete and accurate the Plan's schedule of investment assets, notes receivable from participants, transactions, and net realized and unrealized gains and losses on investments, and interest and dividend income, which were used to prepare the accompanying financial statements.

3. Certified Information

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified as complete and accurate by Fidelity as of January 31, 2025 and December 31, 2024 and for the period from January 1, 2025 to January 31, 2025:

	2025 (in liquidation)	2024 (in liquidation)
Investments, at fair value:		
Mutual funds	\$ -	\$ 8,097,504
Money market fund	-	66,029
Common collective trust	-	38,102
Brokerage link accounts	-	158,376
Total investments, at fair value	\$ -	\$ 8,360,011
Participant notes receivable	\$ -	\$ 42,108
Net appreciation in fair value of investments	\$ 243,181	N/A
Dividends and interest	\$ 11,748	N/A
Interest on participant notes receivable	\$ 199	N/A

4. Fair Value Measurements

Accounting standards for fair value measurements establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under these accounting standards are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

SPIRE GLOBAL, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

January 31, 2025 (in liquidation)

4. Fair Value Measurements, continued

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of January 31, 2025 and December 31, 2024.

Cash equivalent: Valued based on redemption values on the last business day of the Plan year.

Preferred stocks, common stocks, corporate bonds and U.S. government securities: Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

4. Fair Value Measurements, continued

The following table set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

	Assets at Fair Value as of December 31, 2024 (in liquidation)			
	Level 1	Level 2	Level 3	Total
Mutual fund	\$ 8,097,504	\$ -	\$ -	\$ 8,097,504
Money market fund	66,029	-	-	66,029
Brokerage link accounts	158,376	-	-	158,376
	<u>\$ 8,321,909</u>	<u>\$ -</u>	<u>\$ -</u>	
Common collective trust - NAV				38,102
				<u>\$ 8,360,011</u>

The Plan invests in a common collective trust fund, which is measured at fair value using the NAV per share practical expedient. This investment is not categorized within the fair value hierarchy.

Fair Value of Investments in Entities that Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable to the Plan.

December 31, 2024 (in liquidation)	Fair Value	Unfunded Commitments	Redemption Frequency (if eligible)	Redemption Notice Period
Fidelity Managed Income Portfolio	<u>\$ 38,102</u>	N/A	Daily	30 Days

5. Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are managed by Fidelity, the trustee of the Plan. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan, and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. The Plan has a revenue credit program ("RCP") with Fidelity. Fees incurred by the Plan for the investment management services are paid through revenue sharing, rather than a direct payment. Excess revenue sharing received is deposited into the Plan in RCP to offset future Plan expenses. As of January 31, 2025 and December 31, 2024, the balance in the RCP was \$0 and \$3,015, respectively.

SPIRE GLOBAL, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

January 31, 2025 (in liquidation)

6. Tax Status

The Plan uses a non-standardized pre-approved profit sharing plan document sponsored by Fidelity. Fidelity received an opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, which states that the non-standardized pre-approved profit sharing plan document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. The Plan has been amended since Fidelity received the above-mentioned opinion letter. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

7. Plan Termination

The Company has established the Plan with the intention and expectation that the Plan will continue indefinitely. However, the Company reserves the right at any time to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, distributions will be made to participants as described in the Plan agreement, and participants would become 100% vested in their Company contributions (see Note 1).

8. Risks and Uncertainties

The Plan provides for various investment options in any combination of mutual funds, a common collective trust, a money market fund or in brokerage link accounts. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

As of December 31, 2024, approximately 32% of net assets were held in two funds.

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2024 to Form 5500:

	2024 (in liquidation)
Per financial statements	\$ 8,456,524

9. Reconciliation of Financial Statements to Form 5500, continued

The following is a reconciliation of the increase in net assets per the financial statements for the period January 1, 2025 to January 31, 2025 to Form 5500:

	2025 (in liquidation)
Per financial statements	\$ 166,872
Participant contributions receivable - 2024	<u>54,405</u>
Per Form 5500	<u><u>\$ 221,277</u></u>

10. Subsequent Events

In accordance with accounting standards affecting disclosures of subsequent events, the Plan evaluated subsequent events for recognition and disclosure through January 14, 2026, the date which these financial statements were available to be issued. Management concluded that no material subsequent events have occurred since January 31, 2025 that require recognition or disclosure in such financial statements.

Auditors did not complete our audit timely.
