INDEPENDENT AUDITOR'S REPORT

Board of Trustees  
International Brotherhood of Electrical Workers  
Local No. 56 Employees Deferred Savings Plan  
Erie, PA

Opinion

We have audited the financial statements of International Brotherhood of Electrical Workers Local No. 56 Employees Deferred Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of May 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of International Brotherhood of Electrical Workers Local No. 56 Employees Deferred Savings Plan as of May 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of International Brotherhood of Electrical Workers Local No. 56 Employees Deferred Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about International Brotherhood of Electrical Workers Local No. 56 Employees Deferred Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of International Brotherhood of Electrical Workers Local No. 56 Employees Deferred Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about International Brotherhood of Electrical Workers Local No. 56 Employees Deferred Savings Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS**  
**LOCAL NO. 56 EMPLOYEES DEFERRED SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED MAY 31, 2025 AND 2024**

**NOTE A - DESCRIPTION OF PLAN**

The following description of the International Brotherhood of Electrical Workers Local No. 56 Employees Deferred Savings Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

1. **General** - The Plan is a defined contribution plan covering all employees working under the jurisdiction of the International Brotherhood of Electrical Workers Local No. 56, who are employed by an employer who is obligated, pursuant to a collective bargaining agreement or other written document, to make contributions on their behalf to the fund. It is subject to the provisions of the Employee Retirement Income Security Act (ERISA). The Plan's investments are participant directed.
2. **Contributions**. Under a collective bargaining agreement, participating employers contribute at the agreed rate per hour for each participant covered. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers several mutual funds and common collective trusts as investment options for participants. Contributions are subject to certain limitations.
3. **Participant Accounts**. Each participant's account is credited with (a) the employer's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. **Vesting**. Participants are 100 percent vested immediately.
5. **Payment of Benefits**. When a participant meets one of the conditions which precipitate payment, they may choose either a lump sum payment, installments, or one of several annuity options. There are also provisions for payment to designated beneficiaries if a participant dies before receiving the full amount in their account. Hardship withdrawals are permitted subject to the provisions of the plan document. Amounts due participants at any time are limited in total to the net assets of the Plan.

**NOTE B - SUMMARY OF ACCOUNTING POLICIES**

**Basis of Accounting** - The accounting records of the Fund are maintained on the accrual basis.

**Investment Valuation and Income Recognition** - Investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

**Payment of Benefits** - Benefits are recorded when paid.

**NOTE C - ESTIMATES**

The preparation of financial statements in conformity with generally accepted accounting principles requires the organization's management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**NOTE D - SUBSEQUENT EVENTS**

The Plan evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through February 2, 2026, the day the financial statements were approved and authorized for issue.

**NOTE E - FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (FASB), Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at May 31, 2025 and 2024:

*Registered Investment Companies - Mutual Funds* are valued at the net asset value of shares held by the plan at year end.

*Common Collective Trusts* - Valued at unit values provided by the respective trustees of those trusts based on the estimated fair value of the underlying investments held by the trust as determined by the trustees.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE E - FAIR VALUE MEASUREMENTS-(continued)**

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of May 31, 2025 and 2024:

Description	5/31/2025	Fair value Measurements at Reporting Date Using:		
		Quoted Prices In Active Markets For Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

(a) In accordance with subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

**FAIR VALUE – ENTITIES THAT CALCULATE NET ASSET VALUE PER SHARE**

The following is additional information regarding the Plan's investments in entities that calculate net asset value per share at May 31, 2025 and May 31, 2024.

**NOTE F - PLAN TERMINATION**

Although it has not expressed an intent to do so, the Plan has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would be 100 percent vested in their account balances.

**NOTE G - TAX STATUS**

The Internal Revenue Service has determined and informed the Plan by a letter dated December 30, 2015 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

**NOTE H - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

**NOTE I - ADMINISTRATIVE EXPENSES**

The Plan's administrative expenses are paid by the Plan, as provided by the Plan Document. The Plan shares administrative costs with the IBEW Local No. 56 Pension Plan and IBEW Local No. 56 Health and Welfare Plan. The shared costs are allocated to each fund by a formula determined by the board of trustees. Shared costs include payroll and benefits, rent, conferences, meetings, training, postage, insurance, office supplies and expense.

**NOTE J - RELATED PARTY TRANSACTIONS**

The Fund leases office space from the International Brotherhood of Electrical Workers Local Union No. 56, a party-in-interest, at 185 Pennbriar Drive, Erie, PA. As this represents reasonable compensation for the space provided, and as the lessor-lessee relationship is carried out in an arm's-length manner, this arrangement does not constitute a prohibited transaction under ERISA. A month-to-month lease agreement has been executed, establishing a monthly rent of \$199. The total rent paid to the International Brotherhood of Electrical Workers Local Union No. 56 for the years ended May 31, 2025 and 2024 was \$ 2,394 and \$2,394 respectively.
