To Whom It May Concern,

This letter is submitted in support of the late-filed Form 5500 for the American Alarms, Inc. 401(k) Plan (Plan No. 515050-01) and to formally request abatement of any penalties based on reasonable cause.

American Alarms, Inc. sold its operating business in May 2024. As a result of that sale, the company ceased active operations and the 401(k) plan became inactive at that time. Since May 2024, there have been no employees, no payroll, no participant activity, and no employer or employee contributions. The only post-sale activity related to the plan consisted of administrative compliance testing and recordkeeper coordination necessary to address the mid-year cessation of operations and prepare for plan termination.

For many years, Form 5500 preparation and submission had been handled by our long-standing external accountant as part of a well-established process. During the transition period following the business sale, that accountant retired. Responsibility for coordination shifted simultaneously to a new CPA and a new recordkeeping platform, requiring use of unfamiliar systems and processes. This coincided with the complexities of a short plan year and compliance recalculations triggered by the mid-year sale of the business.

Throughout 2024 and 2025, we worked in good faith with the plan recordkeeper and compliance team to complete required testing and resolve questions arising from the sale and plan inactivity. Given the extensive back-and-forth, multiple Empower-generated compliance forms, and direct coordination with our CPA, we reasonably believed the Form 5500 filing was being handled as part of that process, consistent with our historical experience. We did not become aware that the Form 5500 had not yet been submitted until recently.

Once this issue was identified, we acted promptly to complete, sign, and submit the Form 5500. At no point was there any intent to avoid filing or to delay compliance. The delay was the result of administrative disruption caused by the sale of the business, retirement of the prior accountant, transition to new service providers, and the added complexity of a mid-year inactive plan. There was no harm to plan participants, no misuse of plan assets, and no ongoing plan operations during the period of delay.

Given these facts, we respectfully submit that the late filing was due to reasonable cause and request that any penalties associated with the delayed Form 5500 filing be waived or abated. We are now working with the plan termination team to complete final distributions and formally close the plan, and we are committed to ensuring that all remaining compliance obligations are satisfied in full.

Thank you for your consideration.

Sincerely,

Jennifer Baratta  
Plan Sponsor  
American Alarms, Inc.
