## INDEPENDENT AUDITOR'S REPORT

To the Participants and Trustees of  
California Teachers Association Employees'  
Health and Welfare Benefits Trust:

### Opinion

We have audited the financial statements of California Teachers Association Employees' Health and Welfare Benefits Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits and of benefit obligations as of August 31, 2024 and 2023; the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended; and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of California Teachers Association Employees' Health and Welfare Benefits Trust as of August 31, 2024 and 2023, and the changes in net assets available for benefits and benefit obligations for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of California Teachers Association Employees' Health and Welfare Benefits Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the California Teachers Association Employees' Health and Welfare Benefits Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of California Teachers Association Employees' Health and Welfare Benefits Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about California Teachers Association Employees' Health and Welfare Benefits Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

##### **Basis of Accounting**

The accompanying financial statements of California Teachers Association Employees' Health and Welfare Benefits Trust (the "Plan") are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

##### **Investment Valuation, Transactions and Income Recognition**

###### *General*

Investments are carried at fair value, which is determined, presented and disclosed in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*. Under FASB ASC 820, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants at the measurement date.

FASB ASC 820 establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Plan. Unobservable inputs reflect the Plan's assumptions about inputs that market participants would use in pricing the investments developed based on the best information available in the circumstances. The fair value hierarchy is categorized into three levels, based on the inputs, as follows:

*Level 1* - Valuations based on quoted market prices in active markets for identical assets or liabilities that the Plan has the ability to access.

*Level 2* - Valuations based on quoted prices in markets that are not active, quoted prices for similar investments in active markets or model-based valuations for which all significant assumptions are observable and can be corroborated by observable market data.

*Level 3* - Valuations based on unobservable inputs that are supported by little or no market activity and are significant to the overall fair value measurement. Values are determined using proprietary pricing models, discounted cash flow models that include the investment entities' own judgments and estimations or some other pricing method using unobservable inputs.

###### *Inputs and Valuation Methods*

In determining fair value, FASB ASC 820 allows various valuation approaches. The specific methods used for each of the Plan's investment classes are presented below.

*Mutual Funds:* The fair value of mutual funds is generally based on quoted market prices in active markets (Level 1).

*Money Market Mutual Fund:* The money market mutual fund is composed of institutional shares that are actively traded and are valued at cost, which approximates fair value (Level 2).

###### *Valuation Methods, Consistency*

The valuation techniques used in the accompanying financial statements have been consistently applied.

## Notes to Financial Statements

### August 31, 2024 and 2023

---

#### *Transactions and Income Recognition*

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Certain investment related expenses are included in net appreciation (depreciation) in fair value of investments.

#### **Contributions Receivable**

Employer contributions due but not paid at year-end are recorded as employer contributions receivable. An allowance for uncollectible accounts is considered unnecessary and is not provided. Therefore, delinquent contributions are recorded when received. Contributions due as a result of payroll audits have been recorded net of an allowance equal to the amount due because collectability is uncertain.

#### **Payments of Benefits**

Premiums paid are recorded as premium payments in the accompanying statements of changes in net assets available for benefits. Claim payments are recorded when paid by the Plan to third-party claims processor for reimbursement. Claims paid by the claims processor prior to year-end or claim payments submitted to the Plan by the third-party claims processor that are not yet paid are recorded as an amount currently payable in the accompanying statements of benefit obligations.

#### **Prescription Refunds**

Prescription refunds due from the Plan's Pharmacy Benefit Manager ("PBM") are recorded when earned. Refunds due at year-end are recorded as a receivable on the consolidated statements of net assets available for benefits, with the offset of being netted against claims paid in the accompanying statements of changes in net assets available for benefits.

#### **Benefit Obligations**

Claims payable and incurred but not reported were estimated by the Plan's consultant based on claims experience. Post-retirement benefit obligations were actuarially determined by the Plan's actuary. The post-retirement benefit obligations are computed as the net cost to the Plan and consider the future contributions to be received during the participants' remaining active service and post-retirement periods.

#### **Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

#### **Risks and Uncertainties**

The actuarial present value of post-retirement benefit obligations is calculated based on certain assumptions pertaining to interest rates, participant demographics and other assumptions, all of which are subject to change. Due to the inherent uncertainty of the assumption process, it is at least reasonably possible that changes in these assumptions in the near term would be material to the disclosure to the financial statements of the actuarial present value of post-retirement benefit obligations.

The Plan invests in mutual funds and a money market mutual fund. Such investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty with respect to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

**2. DESCRIPTION OF THE PLAN**

The following description of the Plan provides only general information. For more complete information, participants should refer to the Summary Plan Description.

**General**

The Plan was established under the terms of an agreement and declaration of trust for the purpose of providing health and welfare benefits to eligible employees and domestic partners and their dependents. Participants covered under the Plan include employees and retirees of the California Teachers Association ("CTA"), as well as employees and retirees of certain other affiliated organizations. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended.

**Benefits**

The purpose of the Plan is to provide hospital, medical, dental, prescription drug, vision care and psychiatric care to all eligible participants. Non-trust-sponsored life insurance, disability, accidental death and dismemberment and salary continuance benefits are also provided for CTA employees through the trust. Medical benefits are provided either through a self-funded program administered by Blue Cross of California or through insurance and health maintenance organization contracts with Kaiser Foundation Health Plan. Prescription drug benefits are provided through a contract with Express Scripts. The trust also reimburses certain retired participants for their Medicare Part B premiums.

Plan benefits are available to employees of participating employers who work at least 20 hours per week or as provided in the employment agreements between the parties. Retiree coverage is available to former employees who meet specified eligibility criteria. Contributions from participating retirees are not currently required.

The Plan has a stop-loss insurance policy in connection with its self-funded medical claim program, which provides for reimbursement of claims paid by the Plan that exceed specified amounts. As of August 31, 2024 and 2023, stop-loss reimbursements totaling \$1,354,984 and \$540,733, respectively, were due to the Plan.

Dental and vision benefits were provided by Delta Dental and Vision Service Plan, respectively.

Continuation of health care benefits to persons who would otherwise lose those benefits due to certain events, as mandated by the Consolidated Omnibus Budget Reconciliation Act, has been adopted by the Plan.

**3. PRIORITIES UPON TERMINATION**

It is the intent of the trustees of the Plan (the "Trustees") to continue the Plan in full force and effect; however, to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. In the event of termination, the Trustees shall first satisfy, or make provisions to satisfy, the obligations of the Plan.

Any remaining Plan assets will be distributed in such manner as will, in the opinion of the Trustees, bring about the purpose of the Plan. Termination shall not permit any part of the Plan to be used for, or diverted to, purposes other than the exclusive benefit of the participants.

---

**4. TAX STATUS**

The Plan obtained its latest exemption letter, dated May 4, 1994, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under Section 501(c)(9) of the Internal Revenue Code. The Plan has been amended since receiving the exemption letter. However, the Plan's administrator and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified, and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require management to evaluate the tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the Plan and has concluded that, as of August 31, 2024 and 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**5. FUNDING POLICY**

Contributions are made pursuant to collective bargaining agreements, which include contributions made on behalf of retirees at a rate of 16% of the gross wages for active participants.

Contributions on behalf of participants who are employees of CTA and other affiliated organizations are determined by the Trustees based on the estimated cost of the benefits provided, plus an administrative cost assessment.

**6. CASH CONCENTRATIONS**

The Plan places its cash with financial institutions deemed to be creditworthy. The balances are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000. Cash balances may at times exceed the FDIC-insured deposit limits. Any loss incurred or a lack of access to such funds could have a significant adverse impact on the Plan's financial condition, results of operations, and cash flows. As of August 31, 2024 and 2023, cash in excess of the FDIC limit consisted of the following:

<u>Depository</u>	<u>2024</u>	<u>2023</u>
U.S. Bank deposit accounts	<u>\$ 3,174,520</u>	<u>\$ 1,725,619</u>

The Plan places its cash with financial institutions deemed to be creditworthy. Cash balances may at times exceed the insured deposit limits.

**7. INVESTMENTS AT FAIR VALUE HIERARCHY**

Assets measured at fair value on a recurring basis, based on their fair value hierarchy at August 31, 2024 and 2023, are as follows:

	<b>2024</b>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 13,158,491	\$ -	\$ -	\$ 13,158,491
Money market mutual fund	<u>-</u>	<u>25,792</u>	<u>-</u>	<u>25,792</u>
Total investments at fair value	<u>\$ 13,158,491</u>	<u>\$ 25,792</u>	<u>\$ -</u>	<u>\$ 13,184,283</u>

  

	<b>2023</b>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 15,393,172	\$ -	\$ -	\$ 15,393,172
Money market mutual fund	<u>-</u>	<u>11,085</u>	<u>-</u>	<u>11,085</u>
Total investments at fair value	<u>\$ 15,393,172</u>	<u>\$ 11,085</u>	<u>\$ -</u>	<u>\$ 15,404,257</u>

**8. MAJOR EMPLOYER**

CTA accounted for more than 80% of employer contributions to the Plan for the years ended August 31, 2024 and 2023. In the event this employer ceased contributions, the Plan would terminate coverage to the employer's participants, as required under the Plan document. The Plan would retain the responsibility for current fixed administrative expenses.

**9. POST-RETIREMENT BENEFIT OBLIGATIONS**

The post-retirement benefit obligation represents the total actuarial present value of those estimated future benefits that are attributed to employee service rendered to August 31, 2024 and 2023, and reduced by the actuarial present value of contributions expected to be received in the future from current Plan participants.

Active and retired Plan participants are not currently required to contribute to the Plan. Post-retirement benefits include future benefits expected to be paid to or for (1) currently retired or terminated employees and their beneficiaries and dependents, and (2) active employees and their beneficiaries and dependents after retirement from service with the participating employers. Prior to an active employee's full eligibility date, the post-retirement benefit obligation is the portion of the expected post-retirement benefit obligation that is attributed to that employee's service rendered to the valuation date.

The actuarial present value of the expected post-retirement benefit obligation is determined by an actuary and is the amount that results from applying actuarial assumptions to census and claims-cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment.

**California Teachers Association Employees' Health and Welfare Benefits Trust**  
**Notes to Financial Statements**  
**August 31, 2024 and 2023**

---

Some of the more significant actuarial assumptions used to calculate the post-retirement health and death benefit obligations at August 31, 2024 and 2023, are as follows:

Interest: 5.00% (2024); 5.15% (2023).

Mortality rates: PRI-2012 Head Count Weighted Whit Collar Mortality Tables, projected generationally with MP 2021 Scale (2024). PRI-2012 Head Count Weighted White Collar Mortality Tables, projected generationally with MP 2020 Scale (2023).

Trend rates:

Medical: For pre-65 retirees and post-65 retirees: 6.75% per year beginning in 2024 then graded down to 6.00% in 2025, 5.50% in 2026, 5.25% in 2027, 5.00% in 2028-2029, 4.75% in 2030, 4.50% in 2031-2032, 4.25% in 2033-2063, and 3.75% in 2073 and onward (2024). For pre-65 retirees and post-65 retirees: 5.75% per year beginning in 2022 then graded down to 5.25% in 2023, decreasing to 5.0% in 2025 and graded down to 4.75% in 2056, 4.25% in 2071 and 4.00% by 2073 (2023).

Dental: 3.0% per year.

Vision: 3.0% per year.

Retirement rates: Percentage of members who retire at each age:

Age	Males	Females
50-54	3.00%	3.00%
55-59	5.00%	10.00%
60-61	10.00%	12.50%
62-63	25.00%	15.00%
64	15.00%	15.00%
65-69	25.00%	25.00%
70+	100.00%	100.00%

The impact of the changes in assumptions on the post-retirement benefit obligations for 2024 includes a decrease of approximately \$164,000 as a result of the decrease in discount rate from 5.15% to 5.00%, the updating of health cost trends to reflect the latest economic conditions, the updating of mortality improvements projection scale to MP-2021, and the updating of spouse coverage to 70% of retiree coverage.

The trend rate assumption has a significant effect on the amounts reported in the accompanying financial statements. If the assumed rates increased by one percentage point in each year, it would increase the post-retirement obligation as of August 31, 2024 and 2023, by approximately \$33,521,000 and \$38,931,000, respectively.

Contributions from participating retirees are not currently required. Effective January 1, 2008, funding of post-retirement medical benefits is based on 8% of gross payroll of active employees. Effective January 1, 2015, the contribution rate was increased to 16% of gross wages for active participants. In the event of a projected deficiency of the estimated cost of providing retirement medical benefits, the CTA and unions shall commence bargaining on Plan benefits and contributions.

**10. MEDICARE PART D**

Effective June 1, 2015, the Plan entered into a Medicare Part D Waiver Plan with its prescription drug service provider. The prescription drug service provider received approval from the Centers for Medicare

and Medicaid Services ("CMS") to serve as the prescription drug sponsor and to provide prescription drug coverage that meets the requirements of, and is pursuant to, the Voluntary Prescription Drug Benefit Program set forth in Part D of the Medicare Modernization Act. The Plan received \$1,616,218 and \$1,068,516 for the years ended August 31, 2024 and 2023, respectively, under the Medicare Part D Waiver Plan with its prescription drug provider.

**11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of August 31, 2024 and 2023:

Net assets available for benefits per the Form 5500	<u>\$ 16,792,428</u>	<u>\$ 17,923,727</u>

The following is a reconciliation of benefits paid to or for participants per the financial statements to the Form 5500 for the year ended August 31, 2024:

Benefits paid to or for participants per the financial statements	\$ 25,926,357
Add: Amounts currently payable at end of year	3,729,240
Less: Amounts currently payable at beginning of year	<u>(2,188,100)</u>
Benefits paid to or for participants per the Form 5500	<u>\$ 27,467,497</u>

**12. SUBSEQUENT EVENTS**

In preparing these financial statements, management of the Plan has evaluated events and transactions that occurred after August 31, 2024, for potential recognition or disclosure in the financial statements. These events and transactions were evaluated through January 29, 2026, the date that the financial statements were available to be issued, and no items have come to the attention of management that require recognition or disclosure.

## **SUPPLEMENTARY INFORMATION**

## REPORT ON SUPPLEMENTARY SCHEDULES REQUIRED BY ERISA

### INDEPENDENT AUDITOR'S REPORT

To the Participants and Trustees of  
California Teachers Association Employees'  
Health and Welfare Benefits Trust:

We have audited the financial statements of California Teachers Association Employees' Health and Welfare Benefits Trust as of and for the year ended August 31, 2024, and have issued our report thereon dated January 29, 2026, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of August 31, 2024 and Schedule H, Line 4j – Schedule of Reportable Transactions for the year then ended are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules including their form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
