INDEPENDENT AUDITORS' REPORT

To Those Charged with Governance of the
Be Sunshine, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed an audit of the financial statements of Be Sunshine, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)" audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for a year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions users made based on these financial statements.

In performing an audit in accordance with GAAS, we: (a) exercise professional judgment and maintain professional skepticism throughout the audit, (b) identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements, (c) obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed, (d) evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, and (e) conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules H, line 4i – schedule of assets (held at end of year) as of December 31, 2022 and line 4a – schedule of delinquent contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Accountants' Compilation Report on the 2021 Financial Statements

Management is responsible for the accompanying financial statements of the Plan which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements of Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the Association of International Certified Public Accountants. We did not audit or review the 2021 financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2021 financial statements.

BE SUNSHINE, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2022

Note 1: Description of Plan

The following description of Be Sunshine, LLC (the “Company”) 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions. The Company is the Plan Sponsor.

The Plan also covers employees of the participating affiliates including:

- Hello Sunshine
- Candle Media

General: The Plan is a defined contribution plan established on January 1, 2018. The Plan was restated July 31, 2022, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Company is the Plan administrator and retains the services of third parties to assist in the administration of the Plan. Through December 31, 2022, the Plan’s recordkeeper was Vanguard Group, Inc. (“Vanguard”) and the Plan’s custodian was Ascensus Trust Company (“Ascensus”).

Eligibility: Except for excluded employees covered by a collective bargaining agreement, leased employees, employees incorrectly determined not to be an employee, nonresident aliens who do not earn any U.S. Income, all employees who have reached twenty-one years of age are eligible to participate in the Plan. Employees may enter the Plan on the first day of the next month. An employee may elect not to participate in the Plan.

Participant contributions: Participants may elect to contribute up to 100% of their eligible compensation to the Plan, up to the maximum allowed under section 401(k) of the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make “catch-up” contributions, subject to statutory limits. Participants are also permitted to deposit into the Plan distributions received from other plans (rollovers). Participants may also designate a portion or all of their contributions as Roth contributions. Roth contributions are post-tax contributions of compensation, maintained in separate accounts in the Plan. Participants direct the allocation of their contributions to various investment options offered by the Plan.

Employer matching contributions: The Company may, at its sole discretion, make Actual Contribution Percentage (“ACP”) Safe Harbor Employer Match Contributions. The Company makes Actual Deferral Percentage (“ADP”) Safe Harbor Employer Matching Contributions of 100% of the first 4% of the participant’s deferral for any eligible employee who had contributed during the year ended December 31, 2022. There were no ACP Safe Harbor Employer Match Contributions made during the year ended December 31, 2022. ADP Safe Harbor Matching Contributions were approximately \$511,000 for the year ended December 31, 2022.

BE SUNSHINE, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2022

Vesting: Participants become immediately vested in their contributions, including rollovers of funds from other qualified retirement plans and earnings thereon. ACP Safe Harbor Employer Match contributions vest based upon completed years of service over a five-year period at 20% per year from year two through six. Employer contributions that are Qualified Non-Elective Contributions ("QNEC") or ADP Safe Harbor Matching Contributions are 100% vested immediately.

Participant accounts: Each participant's account is credited with the participant's contribution and Company contributions and allocations of Plan earnings. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment options: The Plan provides for investments to be directed by participants into a number of investment options held by the custodian. Participant investment options include a variety of mutual funds. All Plan investments are units of funds managed by the recordkeeper; therefore, these investments and most investment transactions are party-in-interest transactions. Earnings of each investment fund are allocated to participants' accounts in proportion to each participant's share of that fund.

Notes receivable from participants: Participants may have up to two notes outstanding at any time and borrow from their vested account balance a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note terms range from 1-5 years, but may not exceed 5 years, except for notes used for a purchase of a primary residence, which may be repaid over a longer period. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Payment of benefits: The Plan provides for the payment of benefits to the participant (or, if applicable, the beneficiary) at retirement, disability, death, financial hardship (as defined in the Plan), or termination of employment. In-service distributions of a participant's vested account balance are permitted providing the participant has attained early retirement age (age 59 ½) or normal retirement age (age 65). Upon termination, the participants or beneficiaries may elect to leave their account balance in the Plan or receive their total benefits in a lump sum amount equal to the value of the participant's vested interest in their account. Unless otherwise instructed by the participant, participants with vested account balances of \$5,000 or less upon separation will receive a lump sum cash payout.

Forfeited accounts: Forfeitures are retained in the Plan and can be used to pay administrative expenses or to reduce employer contributions. There were no forfeitures used during the year ended December 31, 2022 or remaining in the Plan as of December 31, 2022.

BE SUNSHINE, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2022

Administrative expenses: Substantially all administrative expenses of the Plan are paid by the Plan. Separate fees for loan processing and certain investments as specified in the service agreement, are charged to individual participant's accounts.

Note 2: Significant accounting policies

Basis of accounting: The accompanying financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"). Contributions from participants are recorded when withheld from the participant. Benefit payments to participants are recorded when paid.

Use of estimates: The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes and schedules. Actual results could differ from those estimates.

Investment valuation and income recognition: The Plan's investments are stated at their fair values. The shares of registered investment companies (mutual funds) are valued at quoted market prices, which represent the net asset values of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair value measurements: The Plan performs fair value measurements in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures. Refer to Note 3 for the fair value measurement disclosures associated with the Plan's investments.

Net appreciation (depreciation) in fair value of investments: The earnings, expenses, realized gains or losses, and unrealized appreciation (depreciation) in registered investment companies and other investments are recorded in the accompanying financial statements as net appreciation (depreciation) in fair value of investments.

Subsequent events: The Plan has evaluated subsequent events through the date that the financial statements were made available to be issued which is the date of the independent auditors' report.

Note 3: Fair value

The Plan performs fair value measurement in accordance with ASC 820 which defines fair value as the price that would be received from selling an asset in an orderly transaction between market participants at the measurement date. The accounting guidance for fair value measurement requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard establishes a fair value hierarchy based on the level of independent, objective evidence surrounding the inputs used to measure fair value. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The fair value hierarchy is as follows:

- Level 1: quoted prices in active markets for identical assets or liabilities;
- Level 2: inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or
- Level 3: unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value ("NAV") or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis consisted of the following types of instruments as of December 31, 2022 and 2021 and have all been determined to be Level 1 by the Plan administrator:

	2022	2021
	(Audited)	(Compiled)
Mutual funds	\$ 3,406,338	\$ 2,825,432
Total investments measured at fair value	<u>\$ 3,406,338</u>	<u>\$ 2,825,432</u>

The Plan's valuation methodology used to measure the fair value of mutual funds were derived from quoted market prices as substantially all of these instruments have active markets.

Note 4: Investments

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Ascensus, the custodian of the Plan, as complete and accurate, except for comparing such information to information included in the Plan's financial statements and supplemental schedules.

The following information included in the financial statements and supplemental schedules was provided by and certified by the Plan's custodian as complete and accurate:

- Investments as shown in the Statement of Net Assets Available for Benefits as of December 31, 2022.
- Notes receivable from participants as shown in the Statement of Net Assets Available for Benefits as of December 31, 2022.
- Investment income (loss) and interest income on notes receivable from participants, as shown in the Statement of Changes in Net Assets Available for Benefits for the year presented.
- Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022.

Note 5: Party-in-interest transactions

At December 31, 2022 (audited) and 2021 (compiled), the Plan held investments of approximately \$3,406,000 and \$2,825,000, respectively, in funds managed by Vanguard. Vanguard is the recordkeeper as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions.

Note 6: Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contribution account balances.

Note 7: Income tax status

The prototype plan adopted by the Plan Sponsor obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has not received a separate opinion letter however the Plan administrator believes that the prototype plan, as adopted by the sponsor, is operating in compliance with the requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 8: Risks and uncertainties

The Plan provides for investments in various investment securities which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits and participant account balances.

To Those Charged with Governance of the
Be Sunshine, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed an audit of the financial statements of Be Sunshine, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)" audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions users made based on these financial statements.

In performing an audit in accordance with GAAS, we: (a) exercise professional judgment and maintain professional skepticism throughout the audit, (b) identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements, (c) obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed, (d) evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, and (e) conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules H, line 4i – schedule of assets (held at end of year) as of December 31, 2022 and line 4a – schedule of delinquent contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Accountants' Compilation Report on the 2021 Financial Statements

Management is responsible for the accompanying financial statements of the Plan which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements of Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the Association of International Certified Public Accountants. We did not audit or review the 2021 financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2021 financial statements.

BE SUNSHINE, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2022

Note 1: Description of Plan

The following description of Be Sunshine, LLC (the “Company”) 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions. The Company is the Plan Sponsor.

The Plan also covers employees of the participating affiliates including:

- Hello Sunshine
- Candle Media

General: The Plan is a defined contribution plan established on January 1, 2018. The Plan was restated July 31, 2022, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Company is the Plan administrator and retains the services of third parties to assist in the administration of the Plan. Through December 31, 2022, the Plan’s recordkeeper was Vanguard Group, Inc. (“Vanguard”) and the Plan’s custodian was Ascensus Trust Company (“Ascensus”).

Eligibility: Except for excluded employees covered by a collective bargaining agreement, leased employees, employees incorrectly determined not to be an employee, nonresident aliens who do not earn any U.S. Income, all employees who have reached twenty-one years of age are eligible to participate in the Plan. Employees may enter the Plan on the first day of the next month. An employee may elect not to participate in the Plan.

Participant contributions: Participants may elect to contribute up to 100% of their eligible compensation to the Plan, up to the maximum allowed under section 401(k) of the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make “catch-up” contributions, subject to statutory limits. Participants are also permitted to deposit into the Plan distributions received from other plans (rollovers). Participants may also designate a portion or all of their contributions as Roth contributions. Roth contributions are post-tax contributions of compensation, maintained in separate accounts in the Plan. Participants direct the allocation of their contributions to various investment options offered by the Plan.

Employer matching contributions: The Company may, at its sole discretion, make Actual Contribution Percentage (“ACP”) Safe Harbor Employer Match Contributions. The Company makes Actual Deferral Percentage (“ADP”) Safe Harbor Employer Matching Contributions of 100% of the first 4% of the participant’s deferral for any eligible employee who had contributed during the year ended December 31, 2022. There were no ACP Safe Harbor Employer Match Contributions made during the year ended December 31, 2022. ADP Safe Harbor Matching Contributions were approximately \$511,000 for the year ended December 31, 2022.

BE SUNSHINE, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2022

Vesting: Participants become immediately vested in their contributions, including rollovers of funds from other qualified retirement plans and earnings thereon. ACP Safe Harbor Employer Match contributions vest based upon completed years of service over a five-year period at 20% per year from year two through six. Employer contributions that are Qualified Non-Elective Contributions ("QNEC") or ADP Safe Harbor Matching Contributions are 100% vested immediately.

Participant accounts: Each participant's account is credited with the participant's contribution and Company contributions and allocations of Plan earnings. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment options: The Plan provides for investments to be directed by participants into a number of investment options held by the custodian. Participant investment options include a variety of mutual funds. All Plan investments are units of funds managed by the recordkeeper; therefore, these investments and most investment transactions are party-in-interest transactions. Earnings of each investment fund are allocated to participants' accounts in proportion to each participant's share of that fund.

Notes receivable from participants: Participants may have up to two notes outstanding at any time and borrow from their vested account balance a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note terms range from 1-5 years, but may not exceed 5 years, except for notes used for a purchase of a primary residence, which may be repaid over a longer period. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Payment of benefits: The Plan provides for the payment of benefits to the participant (or, if applicable, the beneficiary) at retirement, disability, death, financial hardship (as defined in the Plan), or termination of employment. In-service distributions of a participant's vested account balance are permitted providing the participant has attained early retirement age (age 59 ½) or normal retirement age (age 65). Upon termination, the participants or beneficiaries may elect to leave their account balance in the Plan or receive their total benefits in a lump sum amount equal to the value of the participant's vested interest in their account. Unless otherwise instructed by the participant, participants with vested account balances of \$5,000 or less upon separation will receive a lump sum cash payout.

Forfeited accounts: Forfeitures are retained in the Plan and can be used to pay administrative expenses or to reduce employer contributions. There were no forfeitures used during the year ended December 31, 2022 or remaining in the Plan as of December 31, 2022.

BE SUNSHINE, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2022

Administrative expenses: Substantially all administrative expenses of the Plan are paid by the Plan. Separate fees for loan processing and certain investments as specified in the service agreement, are charged to individual participant's accounts.

Note 2: Significant accounting policies

Basis of accounting: The accompanying financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"). Contributions from participants are recorded when withheld from the participant. Benefit payments to participants are recorded when paid.

Use of estimates: The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes and schedules. Actual results could differ from those estimates.

Investment valuation and income recognition: The Plan's investments are stated at their fair values. The shares of registered investment companies (mutual funds) are valued at quoted market prices, which represent the net asset values of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair value measurements: The Plan performs fair value measurements in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures. Refer to Note 3 for the fair value measurement disclosures associated with the Plan's investments.

Net appreciation (depreciation) in fair value of investments: The earnings, expenses, realized gains or losses, and unrealized appreciation (depreciation) in registered investment companies and other investments are recorded in the accompanying financial statements as net appreciation (depreciation) in fair value of investments.

Subsequent events: The Plan has evaluated subsequent events through the date that the financial statements were made available to be issued which is the date of the independent auditors' report.

BE SUNSHINE, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2022

Note 3: Fair value

The Plan performs fair value measurement in accordance with ASC 820 which defines fair value as the price that would be received from selling an asset in an orderly transaction between market participants at the measurement date. The accounting guidance for fair value measurement requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard establishes a fair value hierarchy based on the level of independent, objective evidence surrounding the inputs used to measure fair value. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The fair value hierarchy is as follows:

- Level 1: quoted prices in active markets for identical assets or liabilities;
- Level 2: inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or
- Level 3: unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value ("NAV") or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis consisted of the following types of instruments as of December 31, 2022 and 2021 and have all been determined to be Level 1 by the Plan administrator:

	2022	2021
	(Audited)	(Compiled)
Mutual funds	\$ 3,406,338	\$ 2,825,432
Total investments measured at fair value	<u>\$ 3,406,338</u>	<u>\$ 2,825,432</u>

The Plan's valuation methodology used to measure the fair value of mutual funds were derived from quoted market prices as substantially all of these instruments have active markets.

Note 4: Investments

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Ascensus, the custodian of the Plan, as complete and accurate, except for comparing such information to information included in the Plan's financial statements and supplemental schedules.

The following information included in the financial statements and supplemental schedules was provided by and certified by the Plan's custodian as complete and accurate:

- Investments as shown in the Statement of Net Assets Available for Benefits as of December 31, 2022.
- Notes receivable from participants as shown in the Statement of Net Assets Available for Benefits as of December 31, 2022.
- Investment income (loss) and interest income on notes receivable from participants, as shown in the Statement of Changes in Net Assets Available for Benefits for the year presented.
- Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022.

Note 5: Party-in-interest transactions

At December 31, 2022 (audited) and 2021 (compiled), the Plan held investments of approximately \$3,406,000 and \$2,825,000, respectively, in funds managed by Vanguard. Vanguard is the recordkeeper as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions.

Note 6: Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contribution account balances.

Notes to Financial Statements

December 31, 2022

Note 7: Income tax status

The prototype plan adopted by the Plan Sponsor obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has not received a separate opinion letter however the Plan administrator believes that the prototype plan, as adopted by the sponsor, is operating in compliance with the requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 8: Risks and uncertainties

The Plan provides for investments in various investment securities which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits and participant account balances.

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☐ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☐ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name:

(2) EIN:

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)

c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)

d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)

e Was this plan covered by a fidelity bond?

f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?

g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?

h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?

i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)

j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)

k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?

l Has the plan failed to provide any benefit when due under the plan?

m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)

n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)
