Part III Form M-1 Compliance Information (to be completed by welfare benefit plans)

11a If the plan provides welfare benefits, was the plan subject to the Form M-1 filing requirements during the plan year? (See instructions and 29 CFR 2520.101-2.) Yes No

If "Yes" is checked, complete lines 11b and 11c.

11b Is the plan currently in compliance with the Form M-1 filing requirements? (See instructions and 29 CFR 2520.101-2.) Yes No

11c Enter the Receipt Confirmation Code for the 2024 Form M-1 annual report. If the plan was not required to file the 2024 Form M-1 annual report, enter the Receipt Confirmation Code for the most recent Form M-1 that was required to be filed under the Form M-1 filing requirements. (Failure to enter a valid Receipt Confirmation Code will subject the Form 5500 filing to rejection as incomplete.)

Receipt Confirmation Code _____

SCHEDULE C (Form 5500) <small>Department of the Treasury Internal Revenue Service</small> <small>Department of Labor Employee Benefits Security Administration</small> <small>Pension Benefit Guaranty Corporation</small>	Service Provider Information This schedule is required to be filed under section 104 of the Employee Retirement Income Security Act of 1974 (ERISA). ▶ File as an attachment to Form 5500.	<small>OMB No. 1210-0110</small> 2024 This Form is Open to Public Inspection.
--	--	---

For calendar plan year 2024 or fiscal plan year beginning **05/01/2024** and ending **04/30/2025**

A Name of plan CLEAN AIR ENGINEERING 401(K) PLAN	B Three-digit plan number (PN) ▶	002
C Plan sponsor's name as shown on line 2a of Form 5500 CLEAN AIR ENGINEERING, INC.	D Employer Identification Number (EIN) 36-2799477	

Part I Service Provider Information (see instructions)

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... Yes No

b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

FIDELITY INVESTMENTS INSTITUTIONAL

Net Income and Reconciliation

k Net income (loss). Subtract line 2j from line 2d	2k	1578976
l Transfers of assets:		
(1) To this plan	2l(1)	0
(2) From this plan	2l(2)	0

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: CLIFTONLARSONALLEN LLP

(2) EIN: 41-0746749

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) Yes No Not determined

If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

e Contribution rate information (If more than one rate applies, check this box and see instructions regarding required attachment. Otherwise, complete lines 13e(1) and 13e(2).)

(1) Contribution rate (in dollars and cents) _____

(2) Base unit measure: Hourly Weekly Unit of production Other (specify): _____

a Name of contributing employer _____

b EIN _____ **c** Dollar amount contributed by employer _____

d Date collective bargaining agreement expires (If employer contributes under more than one collective bargaining agreement, check box and see instructions regarding required attachment. Otherwise, enter the applicable date.) Month _____ Day _____ Year _____

e Contribution rate information (If more than one rate applies, check this box and see instructions regarding required attachment. Otherwise, complete lines 13e(1) and 13e(2).)

(1) Contribution rate (in dollars and cents) _____

(2) Base unit measure: Hourly Weekly Unit of production Other (specify): _____

a Name of contributing employer _____

b EIN _____ **c** Dollar amount contributed by employer _____

d Date collective bargaining agreement expires (If employer contributes under more than one collective bargaining agreement, check box and see instructions regarding required attachment. Otherwise, enter the applicable date.) Month _____ Day _____ Year _____

e Contribution rate information (If more than one rate applies, check this box and see instructions regarding required attachment. Otherwise, complete lines 13e(1) and 13e(2).)

(1) Contribution rate (in dollars and cents) _____

(2) Base unit measure: Hourly Weekly Unit of production Other (specify): _____

14 Enter the number of deferred vested and retired participants (inactive participants), as of the beginning of the plan year, whose contributing employer is no longer making contributions to the plan for:

a The current plan year. Check the box to indicate the counting method used to determine the number of inactive participants: <input type="checkbox"/> last contributing employer <input type="checkbox"/> alternative <input type="checkbox"/> reasonable approximation (see instructions for required attachment).....	14a	
b The plan year immediately preceding the current plan year. <input type="checkbox"/> Check the box if the number reported is a change from what was previously reported (see instructions for required attachment).....	14b	
c The second preceding plan year. <input type="checkbox"/> Check the box if the number reported is a change from what was previously reported (see instructions for required attachment).....	14c	

15 Enter the ratio of the number of participants under the plan on whose behalf no employer had an obligation to make an employer contribution during the current plan year to:

a The corresponding number for the plan year immediately preceding the current plan year	15a	
b The corresponding number for the second preceding plan year	15b	

16 Information with respect to any employers who withdrew from the plan during the preceding plan year:

a Enter the number of employers who withdrew during the preceding plan year	16a	
b If line 16a is greater than 0, enter the aggregate amount of withdrawal liability assessed or estimated to be assessed against such withdrawn employers.....	16b	

17 If assets and liabilities from another plan have been transferred to or merged with this plan during the plan year, check box and see instructions regarding supplemental information to be included as an attachment

Part VI Additional Information for Single-Employer and Multiemployer Defined Benefit Pension Plans

18 If any liabilities to participants or their beneficiaries under the plan as of the end of the plan year consist (in whole or in part) of liabilities to such participants and beneficiaries under two or more pension plans as of immediately before such plan year, check box and see instructions regarding supplemental information to be included as an attachment

19 If the total number of participants is 1,000 or more, complete lines (a) and (b):

a Enter the percentage of plan assets held as:
 Public Equity: _____% Private Equity: _____% Investment-Grade Debt and Interest Rate Hedging Assets: _____%
 High-Yield Debt: _____% Real Assets: _____% Cash or Cash Equivalents: _____% Other: _____%

b Provide the average duration of the Investment-Grade Debt and Interest Rate Hedging Assets:
 0-5 years 5-10 years 10-15 years 15 years or more

20 PBGC missed contribution reporting requirements. If this is a multiemployer plan or a single-employer plan that is not covered by PBGC, skip line 20.

a Is the amount of unpaid minimum required contributions for all years from Schedule SB (Form 5500) line 40 greater than zero? Yes No

b If line 20a is "Yes," has PBGC been notified as required by ERISA sections 4043(c)(5) and/or 303(k)(4)? Check the applicable box:
 Yes.
 No. Reporting was waived under 29 CFR 4043.25(c)(2) because contributions equal to or exceeding the unpaid minimum required contribution were made by the 30th day after the due date.
 No. The 30-day period referenced in 29 CFR 4043.25(c)(2) has not yet ended, and the sponsor intends to make a contribution equal to or exceeding the unpaid minimum required contribution by the 30th day after the due date.
 No. Other. Provide explanation: _____

Part VII IRS Compliance Questions

21a Does the plan satisfy the coverage and nondiscrimination tests of Code sections 410(b) and 401(a)(4) by combining this plan with any other plans under the permissive aggregation rules? Yes No

21b If this is a Code section 401(k) plan, check all boxes that apply to indicate how the plan is intended to satisfy the nondiscrimination requirements for employee deferrals and employer matching contributions (as applicable) under Code sections 401(k)(3) and 401(m)(2).
 Design-based safe harbor method
 "Prior year" ADP test
 "Current year" ADP test
 N/A

22 If the plan sponsor is an adopter of a pre-approved plan that received a favorable IRS Opinion Letter, enter the date of the Opinion Letter 06 / 30 / 2020 (MM/DD/YYYY) and the Opinion Letter serial number Q702438A.

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Clean Air Engineering 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of April 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Clean Air Engineering 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of April 30, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Clean Air Engineering 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Clean Air Engineering 401(k) Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Plan Administrators
Clean Air Engineering 401(k) Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Clean Air Engineering 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Clean Air Engineering 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of April 30, 2025 is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**CLEAN AIR ENGINEERING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2025 AND 2024**

NOTE 1 DESCRIPTION OF PLAN

The following description of Clean Air Engineering 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution deferral plan established for the benefit of the employees of Clean Air Engineering, Inc. (the Employer). The Plan has been amended throughout the years to comply with tax legislation and most recently amended effective January 1, 2026. The Plan and the Trust, of which it is a part, are intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws. The Plan is subject to the provisions of ERISA, as amended.

Eligibility

Employees who have attained the age of 21 are eligible to participate in the Plan after one year of employment with 1,000 hours of service. Upon satisfying these requirements, the employee is eligible to participate in the Plan on the first day of the first, fourth, seventh, and tenth month of each Plan year. The employee also becomes eligible to benefit from Employer discretionary matching and profit sharing contributions upon meeting these requirements.

Contributions

Participants may elect to contribute to the Plan, through regular payroll deductions, a percentage, or flat dollar amount of up to 60% of eligible compensation, as defined by the Plan, subject to limitations imposed by provisions of the IRC. Participants may also roll over amounts representing distributions from other qualified employee defined benefit or defined contribution plans. Participants who have attained age 50 by the end of the calendar year are also eligible to make catch-up contributions, subject to limitations imposed by the IRC.

The Employer may make discretionary matching and/or profit sharing contributions as determined and authorized by the Board of Directors of the Employer. In order to receive a discretionary profit sharing contribution, an employee must have 1,000 hours of service during the Plan year. For the years ended April 30, 2025 and 2024, the Employer made matching contributions of 100% of salary deferrals up to \$1,800, plus 50% of salary deferrals between \$1,801 and \$3,400, plus 25% of salary deferrals between \$3,401 and \$5,000, with a maximum of \$3,000 per participant. Discretionary matching contributions for the years ended April 30, 2025 and 2024 were \$191,771 and \$165,080, respectively. There were no discretionary profit sharing contributions for the years ended April 30, 2025 and 2024. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participants' Investment Options

Participants must direct their contributions into a variety of selected investment funds as made available and determined by the Plan administrator. Participants may change their investment options at any time through direct communication with the Plan's qualified institution, Fidelity Management Trust Company.

**CLEAN AIR ENGINEERING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2025 AND 2024**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution, discretionary Employer contributions, and allocations of Plan earnings (losses) and charged with an allocation of administrative expenses. Earnings are allocated to participant accounts in direct proportion to their respective account balances and are based on the performance of the participant's investment choices. Discretionary matching contributions are allocated based on the participant's elective deferral amount. Discretionary profit sharing contributions are allocated based on the ratio a participant's eligible compensation bears to total eligible compensation paid to all participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately 100% vested in their voluntary contributions and Employer discretionary contributions, plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, reduced by the highest outstanding loan balance for the previous 12 months, or 50% of their vested account balance. All loans are interest bearing and have a term of five years or less unless the loan is used to purchase a principal residence, in which case the loan may have a term of up to 10 years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to death, the participant's vested account balance is paid to his/her designated beneficiary. Participants separated from service for disability, retirement, or other reasons may elect to have their vested account balance paid out in a lump sum or rolled over directly to an IRA or other qualified plan, or combination thereof. These participants may also elect to have their vested account balance paid out in substantially equal installment payments. In the event the separated participant fails to make one of these payment elections, vested account balances between \$1,000 and \$5,000 are rolled over to an IRA selected by the Plan's fiduciary. Vested account balances below \$1,000 are distributed as a lump sum and do not require the participant's consent. The Plan's provisions also provide for in-service withdrawals or withdrawals in the event of financial hardship, as defined by the Plan.

Forfeitures

As of April 30, 2025 and 2024, there was \$774 and \$756, respectively, of forfeited nonvested accounts. Forfeitures may be used to pay administrative expenses or reduce Employer contributions. There were no forfeitures used to reduce Employer contributions or pay administrative expenses during the years ended April 30, 2025 and 2024.

**CLEAN AIR ENGINEERING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2025 AND 2024**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates in Preparing Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the net assets available for benefits and changes therein. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Any delinquent loans are included on the statements of net assets available for benefits and remain due and payable until they are actually repaid, the default is cured in some other manner, or until the loan is considered to be cancelled and therefore, recorded as a distribution.

Contributions

Contributions from the Employer are recorded in the period in which they become obligations of the Employer. Participant contributions are recorded by the Plan when they are withheld by the Employer from the participants' pay.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses are paid by the Plan to the extent not paid by the Employer. Although the Employer has elected to pay some administrative costs, it is not obligated to do so. If the Employer ceases to pay all or part of these costs in the future, they will be paid by the Plan's trustee out of the assets of the Plan.

**CLEAN AIR ENGINEERING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2025 AND 2024**

NOTE 3 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at April 30, 2025 and 2024:

Mutual Funds and Exchange-Traded Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Fund: Valued at the NAV of units of the trust company collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

**CLEAN AIR ENGINEERING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2025 AND 2024**

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

Self-Directed Brokerage Account: Consists of mutual funds, exchange-traded funds and money market funds. Money market funds are valued at a stable \$1.00 NAV per unit, which is the value at which the fund is traded and approximates fair value of the underlying investments.

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of April 30:

	2025			
	Level 1	Level 2	Level 3	Total
Collective Fund	\$ -	\$ 1,671,737	\$ -	\$ 1,671,737
Mutual Funds	22,454,482	-	-	22,454,482
Self-Directed Brokerage Account	705,137	-	-	705,137
Total Investments at Fair Value	<u>\$ 23,159,619</u>	<u>\$ 1,671,737</u>	<u>\$ -</u>	<u>\$ 24,831,356</u>

	2024			
	Level 1	Level 2	Level 3	Total
Collective Fund	\$ -	\$ 569,430	\$ -	\$ 569,430
Mutual Funds	22,007,503	-	-	22,007,503
Self-Directed Brokerage Account	619,069	-	-	619,069
Total Investments at Fair Value	<u>\$ 22,626,572</u>	<u>\$ 569,430</u>	<u>\$ -</u>	<u>\$ 23,196,002</u>

NOTE 4 CERTIFICATION OF INVESTMENT INFORMATION

Fidelity Management Trust Company, the qualified institution of the Plan, has supplied the Plan administrator with certifications as to the completeness and accuracy of investments and notes receivable from participants as of April 30, 2025 and 2024, and investment income and interest income on notes receivable from participants for the years then ended, in the accompanying financial statements and ERISA-required supplemental schedule.

NOTE 5 PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in shares of mutual funds, an exchange-traded fund, a money market fund and a collective fund managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the qualified institution as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions. The Plan also pays administrative expenses to the qualified institution. Expenses paid to the qualified institution amounted to \$18,548 and \$13,699 for the years ended April 30, 2025 and 2024, respectively.

**CLEAN AIR ENGINEERING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2025 AND 2024**

NOTE 6 INCOME TAX STATUS

The Plan, through its adoption of a pre-approved plan sponsored by the qualified institution, has obtained an opinion letter issued to the qualified institution from the IRS stating that the pre-approved plan is qualified under Section 401(a) of the IRC and that any employer adopting this plan will be considered to have a qualified plan under Section 401(a) of the IRC. The opinion letter has been relied upon by this Plan. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan's provisions to discontinue contributions at any time and terminate the Plan subject to the provisions of ERISA.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of April 30:

	<u>2025</u>	<u>2024</u>
Net Assets Available for Benefits per Financial Statements	\$ 24,886,740	\$ 23,285,622
Fair Value Adjustment for Collective Funds	<u>(65,835)</u>	<u>(43,693)</u>
Net Assets Available for Benefits per Form 5500	<u>\$ 24,820,905</u>	<u>\$ 23,241,929</u>

**CLEAN AIR ENGINEERING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2025 AND 2024**

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (CONTINUED)

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to Form 5500 for the years ended April 30:

	<u>2025</u>	<u>2024</u>
Net Increase in Net Assets Available for Benefits per Financial Statements	\$ 1,601,118	\$ 1,706,269
Net Change in Fair Value Adjustment for Collective Funds	<u>(22,142)</u>	<u>4,616</u>
Net Increase in Net Assets Available for Benefits per Form 5500	<u>\$ 1,578,976</u>	<u>\$ 1,710,885</u>

NOTE 10 SUBSEQUENT EVENTS

Management evaluated subsequent events through February 2, 2026, the date the financial statements were available to be issued.

Effective January 1, 2026, eligible employees who have attained the age of 21 become eligible to make elective deferrals and receive Employer discretionary matching and profit sharing contributions after 12 months of employment. The employee is eligible to participate in the Plan on the first day of the month coinciding with or next following attainment of eligibility requirements. The Plan was also amended to allow for Roth contributions to the Plan. Additionally, interns are considered an excluded class of employees unless they attain 21 years of age and complete at least 1,000 hours of service.

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Clean Air Engineering 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of April 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Clean Air Engineering 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of April 30, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Clean Air Engineering 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Clean Air Engineering 401(k) Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Plan Administrators
Clean Air Engineering 401(k) Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Clean Air Engineering 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Clean Air Engineering 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of April 30, 2025 is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**CLEAN AIR ENGINEERING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2025 AND 2024**

NOTE 1 DESCRIPTION OF PLAN

The following description of Clean Air Engineering 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution deferral plan established for the benefit of the employees of Clean Air Engineering, Inc. (the Employer). The Plan has been amended throughout the years to comply with tax legislation and most recently amended effective January 1, 2026. The Plan and the Trust, of which it is a part, are intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws. The Plan is subject to the provisions of ERISA, as amended.

Eligibility

Employees who have attained the age of 21 are eligible to participate in the Plan after one year of employment with 1,000 hours of service. Upon satisfying these requirements, the employee is eligible to participate in the Plan on the first day of the first, fourth, seventh, and tenth month of each Plan year. The employee also becomes eligible to benefit from Employer discretionary matching and profit sharing contributions upon meeting these requirements.

Contributions

Participants may elect to contribute to the Plan, through regular payroll deductions, a percentage, or flat dollar amount of up to 60% of eligible compensation, as defined by the Plan, subject to limitations imposed by provisions of the IRC. Participants may also roll over amounts representing distributions from other qualified employee defined benefit or defined contribution plans. Participants who have attained age 50 by the end of the calendar year are also eligible to make catch-up contributions, subject to limitations imposed by the IRC.

The Employer may make discretionary matching and/or profit sharing contributions as determined and authorized by the Board of Directors of the Employer. In order to receive a discretionary profit sharing contribution, an employee must have 1,000 hours of service during the Plan year. For the years ended April 30, 2025 and 2024, the Employer made matching contributions of 100% of salary deferrals up to \$1,800, plus 50% of salary deferrals between \$1,801 and \$3,400, plus 25% of salary deferrals between \$3,401 and \$5,000, with a maximum of \$3,000 per participant. Discretionary matching contributions for the years ended April 30, 2025 and 2024 were \$191,771 and \$165,080, respectively. There were no discretionary profit sharing contributions for the years ended April 30, 2025 and 2024. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participants' Investment Options

Participants must direct their contributions into a variety of selected investment funds as made available and determined by the Plan administrator. Participants may change their investment options at any time through direct communication with the Plan's qualified institution, Fidelity Management Trust Company.

**CLEAN AIR ENGINEERING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2025 AND 2024**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution, discretionary Employer contributions, and allocations of Plan earnings (losses) and charged with an allocation of administrative expenses. Earnings are allocated to participant accounts in direct proportion to their respective account balances and are based on the performance of the participant's investment choices. Discretionary matching contributions are allocated based on the participant's elective deferral amount. Discretionary profit sharing contributions are allocated based on the ratio a participant's eligible compensation bears to total eligible compensation paid to all participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately 100% vested in their voluntary contributions and Employer discretionary contributions, plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, reduced by the highest outstanding loan balance for the previous 12 months, or 50% of their vested account balance. All loans are interest bearing and have a term of five years or less unless the loan is used to purchase a principal residence, in which case the loan may have a term of up to 10 years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to death, the participant's vested account balance is paid to his/her designated beneficiary. Participants separated from service for disability, retirement, or other reasons may elect to have their vested account balance paid out in a lump sum or rolled over directly to an IRA or other qualified plan, or combination thereof. These participants may also elect to have their vested account balance paid out in substantially equal installment payments. In the event the separated participant fails to make one of these payment elections, vested account balances between \$1,000 and \$5,000 are rolled over to an IRA selected by the Plan's fiduciary. Vested account balances below \$1,000 are distributed as a lump sum and do not require the participant's consent. The Plan's provisions also provide for in-service withdrawals or withdrawals in the event of financial hardship, as defined by the Plan.

Forfeitures

As of April 30, 2025 and 2024, there was \$774 and \$756, respectively, of forfeited nonvested accounts. Forfeitures may be used to pay administrative expenses or reduce Employer contributions. There were no forfeitures used to reduce Employer contributions or pay administrative expenses during the years ended April 30, 2025 and 2024.

**CLEAN AIR ENGINEERING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2025 AND 2024**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates in Preparing Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the net assets available for benefits and changes therein. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Any delinquent loans are included on the statements of net assets available for benefits and remain due and payable until they are actually repaid, the default is cured in some other manner, or until the loan is considered to be cancelled and therefore, recorded as a distribution.

Contributions

Contributions from the Employer are recorded in the period in which they become obligations of the Employer. Participant contributions are recorded by the Plan when they are withheld by the Employer from the participants' pay.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses are paid by the Plan to the extent not paid by the Employer. Although the Employer has elected to pay some administrative costs, it is not obligated to do so. If the Employer ceases to pay all or part of these costs in the future, they will be paid by the Plan's trustee out of the assets of the Plan.

**CLEAN AIR ENGINEERING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2025 AND 2024**

NOTE 3 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at April 30, 2025 and 2024:

Mutual Funds and Exchange-Traded Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Fund: Valued at the NAV of units of the trust company collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

**CLEAN AIR ENGINEERING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2025 AND 2024**

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

Self-Directed Brokerage Account: Consists of mutual funds, exchange-traded funds and money market funds. Money market funds are valued at a stable \$1.00 NAV per unit, which is the value at which the fund is traded and approximates fair value of the underlying investments.

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of April 30:

	2025			
	Level 1	Level 2	Level 3	Total
Collective Fund	\$ -	\$ 1,671,737	\$ -	\$ 1,671,737
Mutual Funds	22,454,482	-	-	22,454,482
Self-Directed Brokerage Account	705,137	-	-	705,137
Total Investments at Fair Value	<u>\$ 23,159,619</u>	<u>\$ 1,671,737</u>	<u>\$ -</u>	<u>\$ 24,831,356</u>

	2024			
	Level 1	Level 2	Level 3	Total
Collective Fund	\$ -	\$ 569,430	\$ -	\$ 569,430
Mutual Funds	22,007,503	-	-	22,007,503
Self-Directed Brokerage Account	619,069	-	-	619,069
Total Investments at Fair Value	<u>\$ 22,626,572</u>	<u>\$ 569,430</u>	<u>\$ -</u>	<u>\$ 23,196,002</u>

NOTE 4 CERTIFICATION OF INVESTMENT INFORMATION

Fidelity Management Trust Company, the qualified institution of the Plan, has supplied the Plan administrator with certifications as to the completeness and accuracy of investments and notes receivable from participants as of April 30, 2025 and 2024, and investment income and interest income on notes receivable from participants for the years then ended, in the accompanying financial statements and ERISA-required supplemental schedule.

NOTE 5 PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in shares of mutual funds, an exchange-traded fund, a money market fund and a collective fund managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the qualified institution as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions. The Plan also pays administrative expenses to the qualified institution. Expenses paid to the qualified institution amounted to \$18,548 and \$13,699 for the years ended April 30, 2025 and 2024, respectively.

**CLEAN AIR ENGINEERING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2025 AND 2024**

NOTE 6 INCOME TAX STATUS

The Plan, through its adoption of a pre-approved plan sponsored by the qualified institution, has obtained an opinion letter issued to the qualified institution from the IRS stating that the pre-approved plan is qualified under Section 401(a) of the IRC and that any employer adopting this plan will be considered to have a qualified plan under Section 401(a) of the IRC. The opinion letter has been relied upon by this Plan. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan's provisions to discontinue contributions at any time and terminate the Plan subject to the provisions of ERISA.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of April 30:

	<u>2025</u>	<u>2024</u>
Net Assets Available for Benefits per Financial Statements	\$ 24,886,740	\$ 23,285,622
Fair Value Adjustment for Collective Funds	<u>(65,835)</u>	<u>(43,693)</u>
Net Assets Available for Benefits per Form 5500	<u>\$ 24,820,905</u>	<u>\$ 23,241,929</u>

**CLEAN AIR ENGINEERING 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2025 AND 2024**

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (CONTINUED)

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to Form 5500 for the years ended April 30:

	2025	2024
Net Increase in Net Assets Available for Benefits per Financial Statements	\$ 1,601,118	\$ 1,706,269
Net Change in Fair Value Adjustment for Collective Funds	(22,142)	4,616
Net Increase in Net Assets Available for Benefits per Form 5500	\$ 1,578,976	\$ 1,710,885

NOTE 10 SUBSEQUENT EVENTS

Management evaluated subsequent events through February 2, 2026, the date the financial statements were available to be issued.

Effective January 1, 2026, eligible employees who have attained the age of 21 become eligible to make elective deferrals and receive Employer discretionary matching and profit sharing contributions after 12 months of employment. The employee is eligible to participate in the Plan on the first day of the month coinciding with or next following attainment of eligibility requirements. The Plan was also amended to allow for Roth contributions to the Plan. Additionally, interns are considered an excluded class of employees unless they attain 21 years of age and complete at least 1,000 hours of service.
