Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: CBIZ CPAS P.C.

(2) EIN: 43-1947695

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X

Independent Auditors' Report

To United Nations International School, as Sponsor of the
United Nations International School Employees' Pension Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of the United Nations International School Employees' Pension Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024 and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of June 30, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UNITED NATIONS INTERNATIONAL SCHOOL EMPLOYEES' PENSION PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 1 – DESCRIPTION OF PLAN

The following description of the United Nations International School Employees' Pension Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- A. **General** — The Plan is a noncontributory defined contribution plan established on September 1, 1968, covering all eligible employees of United Nations International School ("UNIS", the "Sponsor" or "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments. Teachers Insurance and Annuity Association of America ("TIAA") serves as the issuers of the TIAA Traditional Annuity contracts, variable annuities and the TIAA Real Estate separate account held by the Plan. TIAA is the recordkeeper and custodian of the Plan.
- B. **Contributions** — All UNIS employees are eligible to participate in the Plan if they are employed by UNIS to work and in fact worked at least 17½ hours per week for at least 34 weeks within a 12-month period, provided that they are an eligible employee at the end of that period. If an eligible employee does not meet this requirement, they are also eligible to participate in the Plan if they complete 1,000 hours of service in a 12-month period provided that they are an eligible employee at the end of that period. The following employees are not eligible to participate in the Plan: (a) an employee who is a government-sponsored teacher as defined in the collective bargaining agreement between the Employer and the union on whose behalf the Employer has an agreement with the Sponsor of such an employee regarding pension contributions; (b) an employee who is initially employed on a contract of not more than 12 months and who has not been continuously employed for more than 12 months; (c) a leased employee; (d) an employee covered by a collective bargaining agreement other than the collective bargaining agreement between the Employer and the union; or (e) an employee of the Summer School Program including, but not limited to, those employees who provide instrumental instruction to UNIS students.

For union employees whose employment commenced prior to August 31, 2015, UNIS contributes twelve percent of the employee's annual contracted base salary. For employees whose employment commenced after September 1, 2015, UNIS contributes nine percent of the employee's contracted base annual salary. Effective September 1, 2024, employees whose employment commences after September 1, 2024, UNIS will contribute seven percent of the employee's contracted base salary. If an employee who is excluded from participation in the Plan because the employee has a contract of not more than 12 months and becomes a participant, the Employer shall make a retroactive contribution on the participants behalf for the plan year prior to entry into the plan. Contributions are subject to certain limitations.

For non-union employees whose employment commenced prior to August 31, 2015, UNIS contributes twelve percent of the employee's annual contracted base salary. Effective July 1, 2018, the Plan was amended and for non-union employees, UNIS contributes nine percent of the employee's contracted base annual salary.

- C. **Participant Accounts** — Each participant's account is credited with the Employer's contribution and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.
- D. **Vesting** — Participants are vested in the Employer's contributions plus earnings thereon based on years of service. A participant is fully vested after three years of service.
- E. **Forfeitures** — Forfeitures from terminated nonvested Plan participants are used to reduce Employer contributions, or to pay Plan expenses. Forfeitures applied during the Plan years ended June 30, 2025 and 2024 were \$78,779 and \$31,710, respectively. As of June 30, 2025 and 2024, there were forfeiture balances of \$6,831 and \$24,900, respectively.
- F. **Loans to Participants** — Loans may only be granted for the purpose of enabling a participant to meet a financial hardship or an unusual or special situation in their financial affairs. Loans are not made available to participants who are or were highly compensated employees in an amount greater than the amount available to other participants. Interest rates are fixed by the Plan administrator.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Loans to Participants — (Continued)

Inside the Plan Loans

Effective August 2018, loans to participants became part of the Plan through TIAA. Participants may borrow from their fund accounts a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account, and bear interest at rates which are commensurate with local prevailing rates, as defined by the Plan administrator. A loan that is considered in default is reported as a deemed distribution, which is a taxable event for the participant. There were \$357,809 and \$340,292 of loans inside the Plan that were outstanding as of June 30, 2025 and 2024, respectively. Loan repayments are made directly by the participant to TIAA.

Outside the Plan Loans

TIAA allows participants to take loans from outside the Plan. Loan agreements are made separately with TIAA and participant accounts are held as collateral for such loans. As of June 30, 2025 and 2024, such collateral amounted to \$33,586 and \$46,164, respectively. Loan repayments are made directly by the participant to TIAA.

- G. **Payment of Benefits** — On termination of service due to death, disability or retirement, a participant (or a designated beneficiary) may elect to receive the vested interest in his or her account in either a lump-sum amount or an annuity. If the participant dies before distribution begins, the entire interest earned from the Plan will be distributed to the spouse or the named beneficiary by December 31 of the calendar year immediately following the calendar year of the participant's death. For termination of service resulting from other reasons, a participant may elect to receive the value of the vested interest in his or her account as a lump-sum distribution or maintain his or her vested interest within the Plan. If a participant terminates service and the value of the participant's vested account balance is not greater than \$5,000, the participant will receive a lump-sum distribution of the value of the entire vested portion of such account balance and the nonvested portion will be treated as a forfeiture.
- H. **Administrative Fees** — The Sponsor pays administrative fees related to withdrawals made from the Plan, at the Sponsor's discretion. Administrative fees paid by the Plan for the years ended June 30, 2025 and 2024, totaled \$41,134 and \$61,236 respectively.
- I. **Regulatory Compliance Affecting Retirement Plans** — The Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE 1.0 Act) became law on December 20, 2019. The SECURE Act made major changes to the Required Minimum Distribution ("RMD") rules, increasing the age from 70 ½ to 72 for participants over 72 after January 1, 2020. Plans are required to be formally amended for certain other changes if adopted on or before the last day of the 2026 plan year.

The SECURE Act 2.0 (SECURE 2.0) was signed into law in December 2022, delivering dozens of new retirement-related provisions. These changes build on the original SECURE Act of 2019, which altered the rules around how employees can save and withdraw money from their retirement accounts. SECURE 2.0 further increased the age of RMDs, increased the catch-up contributions for older workers and required automatic enrollment for new plans. The SECURE 2.0 Act increased the age at which individuals must begin taking RMDs to 73 from 72, beginning January 1, 2023 as well as other increases starting in 2030. The SECURE 2.0 Act increases the limit for catch-up contributions for individuals ages 60 to 63, effective for taxable year beginning after December 31, 2024.

In addition, the SECURE 1.0 Act and further by the SECURE 2.0 Act lowered the eligibility requirements to enable part-time workers to participate in 401(k) plans. These rules for long-term, part-time workers are expanded to apply to ERISA 403(b) plans, as well. The SECURE 2.0 Act changes the eligibility requirements under 401(k) so that it is easier for part-time employees to participate in them. The enacted law, the SECURE 1.0 Act, allows plans to limit eligibility for participation of part-time employees who reach the later of: (1) age 21 or completion of one 12-month period in which the employee worked at least 1,000 hours (pre-SECURE 1.0 Act rule); or (2) three consecutive years of service with 500 or more hours in each year. Under the SECURE 2.0 Act, a plan must allow a part-time employee to participate if the employee has either satisfied the above rule #1, or if the employee has completed two consecutive 12-month periods in which the employee worked at least 500 hours in each one of the two periods and reached age 21 by the end of the second 12-month period. This is effective for periods beginning after December 31, 2024.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. **Basis of Accounting** — The financial statements of the Plan are prepared on the accrual basis of accounting. The Plan adheres to accounting principles generally accepted in the United States of America (“U.S. GAAP”).
- B. **Use of Estimates** — The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- C. **Investment Valuation and Income Recognition** — Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, a fair value hierarchy prioritizes observable and unobservable inputs used to measure fair value into three levels as described in Note 5.
- Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.
- D. **Payment of Benefits** — Benefits are recorded when paid.

NOTE 3 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

NOTE 4 – INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY TIAA AS COMPLETE AND ACCURATE

As noted in the independent auditors' report, the Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, as permitted under such election, the following information was certified as complete and accurate by TIAA and was not subjected to any auditing procedures performed by the independent auditors except for comparing such information to information included in the Plan's financial statements.

TIAA has certified to the completeness and accuracy of the investments included in the financial statements as of June 30, 2025 and 2024, and investment activity included in the financial statements for the years then ended as summarized below:

	2025	2024

NOTE 4 – INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY TIAA AS COMPLETE AND ACCURATE (Continued)

During the years ended June 30, 2025 and 2024, the Plan's investments generated investment income as follows:

	<u>2025</u>	<u>2024</u>
Net appreciation in fair value of investments	\$ 10,586,626	\$ 12,223,332
Interest	1,052,872	1,122,914
Dividends	<u>1,048,313</u>	<u>781,704</u>
Total investment income	<u>\$ 12,687,511</u>	<u>\$ 14,127,950</u>

Notes receivable from participants amounted to \$357,809 and \$340,292 as of June 30, 2025 and 2024, respectively. Interest income on notes receivable from participants amounted to \$31,618 and \$19,519 for the years ended June 30, 2025 and 2024, respectively.

NOTE 5 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification ("ASC") 820, "*Fair Value Measurement*," provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2025 and 2024.

UNITED NATIONS INTERNATIONAL SCHOOL EMPLOYEES' PENSION PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 5 – FAIR VALUE MEASUREMENTS (Continued)

CREF Funds:

College Retirement Equities Fund (“CREF”) is registered under the Investment Company Act of 1940 as an open-end diversified management investment company. Each fund (account) of CREF is a separate portfolio with its own investment objective and strategies. Daily unit values for the CREF funds are listed on NASDAQ’s website. The value of a unit holder’s investment is based upon the returns of the underlying assets. To reduce market timing and excessive trading, shareholders will be locked out of a fund for 90 days if a sale/exchange, repurchase and resale/exchange within that fund is made within a 60-day period.

Mutual Funds:

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (“SEC”). These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Insurance Company General Contract:

The TIAA Traditional Annuity is an unallocated fixed-rate annuity contract offered by TIAA, an insurance company. Contributions to the TIAA Traditional Annuity purchase contractual or guaranteed amounts of future benefits for the participant. The guarantees and returns of the TIAA Traditional Annuity are backed by TIAA’s claims-paying ability. The Traditional Annuity is valued at fair value, which approximates contract value at the end of the Plan year. The contract value of the Traditional Annuity equals the accumulated cash contributions, interest credited to the Plan’s contracts, and transfers, if any, less any withdrawals and transfers, if any. These annuity contracts are not available for sale or transfer on any securities exchange. Accordingly, transactions in similar investment instruments are not observable.

The account is a fixed rate annuity contract that is fully and unconditionally guaranteed by TIAA. TIAA Traditional Annuity is still a single funding vehicle, but the reporting of the TIAA Traditional Annuity had been modified in 2010 by TIAA to include the reporting of the amount of benefit-responsive and non-benefit-responsive holdings of the contract separately. As of June 30, 2025 and 2024, the non-benefit-responsive holdings amounted to \$24,774,501 and \$24,107,116 respectively, and are reported at fair value.

The liquidity restrictions of the illiquid contracts (non-benefit-responsive) vary by type of annuity contracts held by the Plan, but generally consist of restrictions as to when lump sum payments are permitted. There are also restrictions on participant-initiated transfers and withdrawals to be paid out in ten annual installments over a nine-year period.

The restrictions on the redemption of TIAA Traditional Annuity accumulations could impact the value realized upon exiting the contract. These annuity contracts are not available for sale or transfer on any securities exchange. Accordingly, transactions in similar investment instruments are not observable.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Common Collective Trust:

The MetLife Stable Value Fund Collective Investment Trust, Series 25053 is valued on the basis of the relative interest of each participating investor in the fair value of the underlying assets of the respective collective investment trust. The underlying assets are valued based on the NAV, as a practical expedient, as provided by the investment manager. The collective investment trust is a direct filing entity.

TIAA Real Estate:

The TIAA Real Estate Account is a separate account of TIAA and is registered with the SEC under the Securities Act of 1933 and the Securities Exchange Act of 1934. It is a variable annuity. Daily units for the TIAA Real Estate account are listed on NASDAQ's website. The value of a participants' account is based upon the return on the underlying assets in the account, along with the income generated by those assets. They are a direct filing entity.

Financial assets carried at fair value at June 30, 2025, are classified in the table as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 30,012,208	\$ -	\$ -	\$ 30,012,208

NOTE 5 – FAIR VALUE MEASUREMENTS (Continued)

Fair Value of Investments in Entities that Use Net Asset Value:

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of June 30, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan. The investments can be redeemed daily. There were no unfunded commitments as of June 30, 2025 and 2024.

Objectives for investments measured using the NAV per share practical expedient are as follows:

CREF Core Bond Market R2 (1) – This fund is a core fixed-income variable annuity that seeks a favorable long-term rate of return, primarily through high current income consistent with preserving capital.

CREF Equity Index R2 (2) – This fund is a passively-managed variable annuity that seeks a favorable long-term rate of return from a diversified portfolio designed to track the U.S. stock market as whole through investments in stocks included in the Russell 3000 Index, which is its benchmark index.

CREF Global Equities R2 (3) – This fund is a globally diversified variable annuity account that seeks a favorable long-term rate of return through capital appreciation and income.

CREF Growth R2 (4) – This fund is an actively-managed variable annuity that seeks a favorable long-term rate of return, mainly through capital appreciation.

CREF Inflation-Linked Bond R2 (5) – This fund is a variable annuity that seeks a long-term rate of return that outpaces inflation, primarily through investment in inflation-indexed bonds.

CREF Money Market R2 (6) – This fund is a variable annuity that seeks high current income consistent with maintaining liquidity and preserving capital.

CREF Social Choice R2 (7) – This fund is a variable annuity that seeks a favorable long-term rate of return that reflects the investment performance of the financial markets while giving special consideration to social criteria.

CREF Stock R2 (8) – This fund is an actively-management variable annuity that seeks favorable long-term returns through capital appreciation and investment income.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Plan investments as of June 30, 2025 and 2024 are held and managed by TIAA and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services, recordkeeping and distribution amounted to \$173,659 and \$245,946 for the years ended June 30, 2025 and 2024, respectively, and are included in investment income, as they are paid through revenue sharing, rather than direct payment.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

NOTE 8 – TAX STATUS

The Company has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – SUBSEQUENT EVENTS

Management has evaluated, for potential recognition and disclosure, events subsequent to the statement of net assets available for benefits date through February 5th, 2026, the date the financial statements were available to be issued.
