INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Diversicare Healthcare Services, LLC Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements

We have performed an audit of the accompanying financial statements of Diversicare Healthcare Services, LLC Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2024 Diversicare Healthcare Services, LLC Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section:

- the amounts and disclosures in the 2024 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2024 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of Diversicare Healthcare Services, LLC Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diversicare Healthcare Services, LLC Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2024 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diversicare Healthcare Services, LLC Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diversicare Healthcare Services, LLC Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - 2024 Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2024 and the schedule of assets (held at end of year) as of December 31, 2024 (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Their report dated October 10, 2024, indicated that in their opinion (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Notes to Financial Statements
December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN

The following description of Diversicare Healthcare Services, LLC Savings Plan (the "Plan") provides only general information. Participants should refer to the plan documents for a more complete description of the Plan's provisions.

General

The Plan, a defined contribution plan sponsored by Diversicare Healthcare Services, LLC, (the "Company" and "Employer"), was established effective January 1, 1992, and amended January 29, 2024, and is designed to qualify under section 401(a) and related provisions of the Internal Revenue Code ("IRC"). The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

An expansion of Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE 2.0") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. The effective dates of provisions within SECURE 2.0 vary through 2026. The Company has until December 31, 2026, to amend the Plan for the changes related to SECURE 2.0. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

Plan administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Retirement Plan Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Company has contracted with Fidelity Management Trust Company (the "Trustee" or "Fidelity") to act as the Plan's trustee and Fidelity Workplace Services LLC, an affiliate of the Trustee, to perform the Plan's recordkeeping services.

Eligibility

Employees 21 years of age and older are allowed to participate in the plan after 12 months of eligible service with the exception of leased employees, nonresident aliens with no United States income and any employee who is a resident of Puerto Rico, as defined in the plan document.

Participant contributions

Participants may elect to contribute up to 80% of their eligible compensation to the Plan, as pre-tax or Roth contributions, up to the amounts allowable under the Plan and the IRC. Participants who have attained the age of 50 before the close of the plan year may make an additional catch-up contribution of up to \$7,500 annually. Contributions withheld are invested in accordance with the participant's direction. Participants are also allowed to make rollover contributions received from other qualified defined benefit or defined contribution plans. Such contributions are deposited in the appropriate investment funds in accordance with the participant's direction and the Plan's provisions.

1. DESCRIPTION OF THE PLAN (continued)

Employer contributions

The Plan allows the Company to make discretionary Employer matching contributions and discretionary Employer nonelective contributions. For the plan year ended December 31, 2024, the discretionary Employer match represented 25% of eligible participants' elective deferrals and catch-up contributions. No discretionary Employer nonelective contributions were made during the year ended December 31, 2024. For the year ended December 31, 2023, the Company also made an Employer corrective contribution of \$44,686, see Note 5.

Participant accounts

Each participant's account is credited with the participant's contributions, rollover contributions, Employer contributions, if any, and investment earnings, and charged with investment losses and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan documents. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution to participants' accounts is based on years of continuous service. A participant vests 25% after completion of each year of service. An employee is 100% vested after 4 years of service. In the event of death or disability, a participant becomes 100% vested, and the balance will be paid to the participant or beneficiary. Participants also become fully vested upon reaching normal retirement age, which is defined by the Plan as age 65. The Plan determined that a partial plan termination occurred for the Plan year ended 2021. This occurred due to the outsourcing of several positions by the Plan Sponsor and employment turnover caused by COVID-19. All participants that were terminated during the plan year were vested to 100%.

Forfeitures

The Plan provides that forfeited accounts can be used to pay the Plan's administrative expenses or reduce Employer contributions. Forfeitures amounting to \$143,231 and \$52,444 were used to reduce Employer contributions and pay Plan expenses during the year ended December 31, 2024. The forfeiture balance totaled approximately \$8,762 and \$152,096, as of December 31, 2024 and 2023.

1. DESCRIPTION OF THE PLAN (continued)

Payment of benefits

Distributions and withdrawals are payable to participants upon retirement, termination of employment, attainment of age 59 ½, financial hardship, being called to active military duty, disability, or to a beneficiary upon a participant's death. If a participant's account balance is equal to or less than \$1,000 upon termination, the balance is distributed immediately in a lump-sum cash payment. If a participant's account balance is greater than \$1,000 and less than or equal to \$7,000 upon termination, the balance is distributed immediately into an individual retirement account on behalf of the participant. If the account balance is over \$7,000 upon termination, the participant can consent to either a distribution paid in the form of a lump-sum cash payment, a direct rollover into another qualified plan, or to postpone payment and remain in the Plan as described in the plan documents.

Upon attaining the age of 59 ½, the participant may, while still employed by the Company, request a withdrawal from their account balance. In certain circumstances as described in the plan documents and in accordance with IRS regulations, participants may qualify for a hardship withdrawal.

Administrative expenses

Certain administrative expenses of the Plan, including recordkeeping and audit fees, were paid by the Company for the year ended December 31, 2024. Investment fees, which may vary according to the individual funds selected, are paid indirectly out of the assets of the Plan and impact Plan earnings.

Participants may be charged for some or all of the costs and expenses of operating the Plan. Such expenses include but are not limited to investment expenses and costs to process distributions and notes receivable from participants. Generally, the Employer pays for administrative expenses of the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent liabilities. Actual results could differ from those estimates. Significant items subject to such estimates and assumptions include the value of investments.

Diversicare Healthcare Services, LLC Savings Plan
Notes to Financial Statements
December 31, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Risks and uncertainties

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations, and credit risks. Due to the risk associated with certain investment securities, it is at least reasonably possible that changes in market values, interest rates, or other factors in the near-term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and changes therein.

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Contributions and contribution receivables

Contributions from participants are recorded based on the date the contributions have been separated from a participant's pay by the Company, which is the pay date. The Plan records receivables for participants' contributions based upon the contributions recognized, less amounts received by the Plan as of the last day of the Plan year.

Employer contributions, are recorded in the year they are earned and to coincide with the year in which the Company records the contribution in its general ledger and takes the tax deduction. The Plan records receivables for Employer contributions based upon the contributions recognized, less amounts received by the Plan as of the last day of the Plan year.

Contributions representing participant rollovers from other qualified defined benefit or defined contribution plans are recorded when received by the Trustee.

Payment of benefits

Benefit payments are recorded when paid.

Administrative expenses

Administrative expenses are recorded when incurred.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)

The plan administrator, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, the Trustee, determined to be a qualified institution by the plan administrator, has certified to the completeness and accuracy of:

- Investments reflected on the statements of net assets available for benefits as of December 31, 2024 and 2023;
- Net appreciation in fair value of investments, and interest and dividends, reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2024;
- Investments reflected on the schedule of assets (held at end of year) as of December 31, 2024 ("supplemental schedule").

Accordingly, as requested by the plan administrator, the Plan's independent auditor performed no audit procedures on the certified information other than to agree the certified information to the related information included in the Plan's financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are as follows:

- *Level 1* - asset value is based on actual quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.
- *Level 2* - inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or
- *Level 3* - inputs are unobservable inputs for the asset or liability and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

4. FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Registered investment companies (mutual fund investments) are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and classified within level 1 of the fair value hierarchy.

Stable Value Collective Investment Trust ("CIT"): Valued at the NAV units of a bank collective trust. The NAV, as provided by the Trustee, as a practical expedient to estimate fair value based on the value reported by the issuer. The NAV as a practical expedient is based on the fair value of the underlying assets owned by the CIT, minus its liabilities, and then divided by the number of units outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The preceding methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual and money market funds	<u>\$ 34,046,245</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 34,046,245</u>
Investments measured at net asset value*				<u>782,662</u>
				<u>\$ 34,828,907</u>

4. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Fair Value
Mutual and money market funds	<u>\$ 32,321,413</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 32,321,413</u>
Investments measured at net asset value*				<u>899,272</u>
				<u>\$ 33,220,685</u>

*In accordance with Subtopic 820-10, certain investments that are measured at fair value using the NAV per share practical expedient (or its equivalent) have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to amounts presented in the statements of net assets available for benefits.

5. TAX STATUS

The Plan has adopted the Non-Standardized Pre-Approved Profit Sharing Plan with CODA (the "pre-approved plan"). The Internal Revenue Service informed the issuer of the pre-approved plan by a letter dated June 30, 2020, that its pre-approved plan is designed in accordance with the applicable sections of the IRC and is appropriate for use by employers for the benefit of their employees.

During the year, Plan management identified an operational compliance matter related to the exclusion of certain compensation elements that should have been included in the calculation of participant elective deferrals and related Employer matching contributions in accordance with the Plan document. The matter affected multiple plan years beginning in 2019.

Plan management consulted with ERISA counsel and is in the process of correcting the matter under the Internal Revenue Service's Voluntary Correction Program ("VCP"). Management has recorded an accrual as of December 31, 2024 representing its best estimate of the corrective contributions owed, exclusive of related earnings, which will be calculated and funded in accordance with IRS correction requirements upon completion of the VCP process. Management believes the ultimate correction will not have a material effect on the Plan's net assets available for benefits or changes in net assets.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA, in the event of plan termination. In the event of plan termination, participant's will become immediately vested in their accounts.

7. PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

ERISA defines parties-in-interest similarly to the definition of a related party under U.S. GAAP, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Plan management did not identify any related parties to the Plan that were not also considered to be parties-in-interest.

Parties-in-interest are defined by ERISA as any fiduciary of the Plan, any party rendering services to the Plan, the Employer and certain others. As such, transactions conducted by the Trustee and its affiliates, including fee offset agreements, qualify as party-in-interest transactions. Also, the Plan sponsor pays certain fees and expenses on behalf of the Plan. The Plan is not required to reimburse the Plan sponsor for expenses paid on behalf of the Plan. These transactions qualify as exempt party-in-interest transactions.

Certain fund level fees incurred by the funds in which the Plan invests for such services as investment management, shareholder services and sub-transfer agency fees are paid through earnings in the funds. These fees reduce fund earnings thereby impacting Plan income applied to participants' accounts.

8. EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to employee contributions. These amounts totaled \$86,458 and \$97,210 as of December 31, 2024 and 2023, respectively.

9. DELINQUENT PARTICIPANT CONTRIBUTIONS

As required by ERISA Section 2510.3-102, the Plan Sponsor is required to segregate employee contributions to the Plan from its general assets as soon as practicable, but in no event more than 15 business days following the end of the month in which amounts are withheld from wages. During 2023 and 2024, the Company failed to remit to the Plan's Trustee certain employee contributions totaling \$234,012 and \$169,509, respectively, within the period prescribed by DOL regulations. Delays in remitting contributions to the Trustee were due to administrative errors. The delayed contributions are considered prohibited, or nonexempt, transactions. The Plan administrator has taken corrective action in 2024 on the 2023 delinquent contributions and they are in the process of correcting 2024 delinquent contributions.

10. SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through February 10, 2026, the date the financial statements were available to be issued. available to be issued.

Effective January 2, 2026, the following Plan changes were adopted:

- * Trustee Change – The Plan's trustee was changed from Fidelity to Bank of America, N.A.
- * Eligibility for Elective Deferrals – The eligibility requirement to make employee elective deferrals was changed from 12 months of service to 60 days of service.
- * Employer Nonelective Contributions – The Plan provision permitting Employer nonelective contributions was removed.
- * Definition of Eligible Compensation – The definition of eligible compensation was amended to exclude additional miscellaneous pay codes.

These Plan changes were effective after the Plan year-end and, accordingly, have not been reflected in the accompanying financial statements. Management does not believe the subsequent events described above will have a material effect on the Plan's net assets available for benefits or changes in net assets for the year ended December 31, 2024.

IRS announces tax relief for Tennessee storm victims; various deadlines postponed to Nov. 3

TN-2025-02, April 14, 2025

WASHINGTON — The Internal Revenue Service announced today tax relief for individuals and businesses in Tennessee that were affected by severe storms, straight-line winds, tornadoes and flooding that began on April 2, 2025. These taxpayers now have until Nov. 3, 2025, to file various federal individual and business tax returns and make tax payments.

Following the disaster declaration issued by the Federal Emergency Management Agency (FEMA) [↗](#), individuals and households that reside or have a business in the entire State of Tennessee qualify for tax relief.

The declaration permits the IRS to postpone certain tax-filing and tax-payment deadlines for taxpayers who reside or have a business in the disaster area. For instance, certain deadlines falling on or after April 2, 2025, and before Nov. 3, 2025, are granted additional time to file.

As a result, affected individuals and businesses will have until Nov. 3, 2025, to file returns and pay any taxes that were originally due during this period.

The Nov. 3, 2025, deadline applies to individual income tax returns and payments normally due on April 15, 2025. The Nov. 3 deadline also applies to 2024 contributions to IRAs and health savings accounts for eligible taxpayers. This relief also applies to the estimated tax payments normally due on April 15, June 16, and Sept. 15, 2025. Penalties on payroll and excise tax deposits due on or after April 2, 2025, and before April 17, 2025, will be abated as long as the tax deposits are made by April 17, 2025.

The Nov. 3, 2025, deadline also applies to affected businesses:

- Quarterly payroll and excise tax returns normally due on April 30, July 31, and Oct. 31, 2025.
- Calendar-year corporation and fiduciary returns and payments normally due on April 15, 2025.
- Calendar-year tax-exempt organization returns normally due on May 15, 2025.

In addition, penalties for failing to make payroll and excise tax deposits due on or after April 2, 2025, and before April 17, 2025, will be abated as long as the deposits are made by April 17, 2025.

If an affected taxpayer receives a late filing or late payment penalty notice from the IRS that has an original filing, payment or deposit due date that falls within the postponement period, the taxpayer should call the telephone number on the notice to have the IRS abate the penalty.

The IRS automatically identifies taxpayers located in the covered disaster area and applies filing and payment relief. But affected taxpayers who reside or have a business located outside the covered disaster area should call the IRS Special Services toll-free number at 866-562-5227 to request this tax relief. Tax practitioners in the covered disaster area, who maintain records necessary to meet a filing or payment deadline for taxpayers located outside the disaster area, may contact the IRS Special Services; if the practitioner maintains the necessary records of ten or more clients, please refer to Bulk requests from practitioners for disaster relief for additional guidance.

Covered disaster area

The locality listed above constitutes a covered disaster area for purposes of Treas. Reg. §301.7508A-1(d)(2) and is entitled to the relief detailed below.

Affected taxpayers

Taxpayers considered to be affected taxpayers eligible for the postponement of time to file returns, pay taxes and perform other time-sensitive acts are those taxpayers listed in Treas. Reg. § 301.7508A-1(d)(1), and include individuals who live, and businesses (including tax-exempt organizations) whose principal place of business is located, in the covered disaster area. Taxpayers not in the covered disaster area, but whose records necessary to meet a deadline listed in Treas. Reg. § 301.7508A-1(c) are in the covered disaster area, are also entitled to relief. In addition, all relief workers affiliated with a recognized government or philanthropic organization assisting in the relief activities in the covered disaster area and any individual visiting the covered disaster area who was killed or injured as a result of the disaster are entitled to relief.

Under section 7508A, the IRS gives affected taxpayers until Nov. 3, 2025, to file most tax returns (including individual, corporate, and estate and trust income tax returns; partnership returns, S corporation returns, and trust returns; estate, gift, and generation-skipping transfer tax returns; annual information returns of tax-exempt organizations; and employment and certain excise tax returns), that have either an original or extended due date occurring on or after April 2, 2025, and before Nov. 3, 2025.

Estimated income tax payment originally due on or after April 2, 2025, are postponed through Nov. 3, 2025, and affected taxpayers will not be subject to penalties for failure to pay estimated tax installments as long as such payments are paid on or before Nov. 3, 2025.

The IRS also gives affected taxpayers until Nov. 3, 2025, to perform other time-sensitive actions described in Treas. Reg. § 301.7508A-1(c)(1) and Rev. Proc. 2018-58, 2018-50 IRB 990 (Dec. 10, 2018), that are due to be performed on or after April 2, 2025, and before Nov. 3, 2025.

Under the relief, Form 5500 series returns that were required to be filed on or after April 2, 2025, and before Nov. 3, 2025, are postponed through Nov. 3, 2025, in the manner described in section 8 of Rev. Proc. 2018-58. The relief described in section 17 of Rev. Proc. 2018-58, pertaining to like-kind exchanges of property, also applies to certain taxpayers who are not otherwise affected taxpayers and may include acts required to be performed before or after the period above.

Unless an act is specifically listed in Rev. Proc. 2018-58, the postponement of time to file and pay does not apply to information returns in the W-2, 1094, 1095, 1097, 1098 or 1099 series; to Forms 1042-S, 3921, 3922 or 8027; or to employment and excise tax deposits. However, penalties on deposits due on or after April 2, 2025, and before April 17, 2025, will be abated as long as the tax deposits were made by April 17, 2025.

Casualty losses

Affected taxpayers in a federally declared disaster area have the option of claiming disaster-related casualty losses on their federal income tax return for either the year in which the event occurred, or the prior year. In this instance, the 2025 return normally filed next year), or the return for the prior year (the 2024 return filed this year. Taxpayers have extra time – up to six months after the due date of the taxpayer’s federal income tax return for the disaster year (without regard to any extension of time to file) – to make the election. For individual taxpayers, this means Oct. 15, 2026. See Publication 547 for details. Individuals may deduct personal property losses that are not covered by insurance or other reimbursements. For details, see Form 4684, Casualties and Thefts [PDF](#) and its instructions [PDF](#). Affected taxpayers claiming the disaster loss on their return should put FEMA disaster declaration number, **3625-EM** on any return.

Other relief

The IRS will waive the usual fees for requests for copies of previously filed tax returns for affected taxpayers. Taxpayers should put the assigned FEMA declaration number (**3625-EM**), in bold letters at the top of Form 4506, Request for Copy of Tax Return [PDF](#), or Form 4506-T, Request for Transcript of Tax Return [PDF](#), as appropriate, and submit it to the IRS.

Qualified disaster relief payments are generally excluded from gross income. This means that affected taxpayers can exclude from their gross income amounts received from a government agency for reasonable and necessary personal, family, living or funeral expenses, as well as for the repair or rehabilitation of their home, or for the repair or replacement of its contents. See Publication 525 for details.

Additional relief may be available to affected taxpayers who participate in a retirement plan or individual retirement arrangement (IRA). For example, a taxpayer may be eligible to take a special disaster distribution that would not be subject to the additional 10% early distribution tax and that the taxpayer may take into income

over three years. See Form 8915-F, Qualified Disaster Retirement Plan Distributions and Repayments and Disaster relief frequently asked questions: Retirement plans and IRAs under the SECURE 2.0 Act of 2022. Taxpayers may also be eligible to make a hardship withdrawal. Each plan or IRA has specific rules and guidance for their participants to follow.

The IRS may provide additional disaster relief in the future.

Taxpayers who do not qualify for disaster tax relief may qualify for reasonable cause penalty abatement. See Penalty relief for reasonable cause for additional information.

Affected taxpayers who are contacted by the IRS on a collection or examination matter should explain how the disaster impacts them so that the IRS can provide appropriate consideration to their case. Taxpayers may download forms and publications from the official IRS website, IRS.gov.

The tax relief is part of a coordinated federal response to the damage caused by these storms and is based on local damage assessments by FEMA. For information on disaster recovery, visit DisasterAssistance.gov .
