INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Laborers' Metropolitan Detroit
Vacation and Holiday Fund
6525 Centurion Drive
Lansing, MI 48917

Trustees:

Opinion

We have audited the accompanying financial statements of Laborers' Metropolitan Detroit Vacation and Holiday Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of April 30, 2025, and the related statement of changes in net assets available for benefits for the year ended, the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Laborers' Metropolitan Detroit Vacation and Holiday Fund as of April 30, 2025, and changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Laborers' Metropolitan Detroit Vacation and Holiday Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Laborers' Metropolitan Detroit Vacation and Holiday Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore there is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Laborers' Metropolitan Detroit Vacation and Holiday Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Laborers' Metropolitan Detroit Vacation and Holiday Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

Note A: **Description of the Plan**

The following brief description of the Laborers' Metropolitan Detroit Vacation and Holiday Fund, as in effect on April 30, 2025, is provided for general purposes only. For more complete information, refer to the Plan documents.

1. **General** – The Vacation and Holiday Fund was established effective March 1, 2025 as a result of collective bargaining. It is a multi-employer Plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.
2. **Contributions and Benefits** – Employers remit contributions to the Fund based upon hours worked by participants. The amounts received are specifically allocated to individual participants and distributed monthly by direct deposit if elected by participant, otherwise annually in November of each year. Dues assessments, specifically authorized by participants, are deducted and remitted on behalf of each participant to their local unions. Two years after the original distribution date, unclaimed vacation benefits revert to the Plan and are available for future distribution as approved by the Trustees.
3. **Investment Income** – Investment income in the Fund is used to pay administrative expenses. The excess of investment income over administrative expenses may be carried forward to later years or distributed to participants on a pro-rata basis at the discretion of the trustees.

Note B: **Summary of Significant Accounting Policies**

1. **General** – The accounting records of the Fund are maintained on the accrual basis. Contributions received subsequent to April 30, 2025 attributed to hours worked prior to May 1, 2025 have been reflected as contributions due from employers as of April 30, 2025, in accordance with the consistent policy of the Fund.
2. **Estimates** – The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.
3. **Valuation of Investments** – Quoted market prices, where available, are used to value investments at fair value. The change in the difference between cost and fair value from the beginning of the year to the end of the year, as well as the realized gains and losses during the year, is reflected as net appreciation (depreciation) in fair value of investments.

VACATION AND HOLIDAY FUND**

**NOTES TO FINANCIAL STATEMENTS
(Continued)**

Note C: **Priorities Upon Termination**

In the event the Plan is terminated, the Trustees shall make provisions from the trust fund to pay any and all obligations of the Fund to the extent possible and distribute any remaining surplus on a pro-rata basis to the employees then having amounts standing to their respective credit.

Note D: **Tax Status**

The Trust established under the Plan to hold the Plan's assets is qualified and exempt from income tax pursuant to Section 501(c)(9) of the Internal Revenue Code. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service, and the Plan Sponsor believes the Plan qualifies and to operate as designed.

Note E: **Tax Uncertainties and Open Tax Years**

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Fund and recognize a tax liability (or asset) if the Fund has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. Management has analyzed the tax positions taken by the Fund, and has concluded that as of April 30, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Fund is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note F: **Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

In addition to investments and cash equivalents, financial instruments which potentially subject the Plan to concentrations of credit risk consist principally of cash. The Plan places its cash with tier I financial institutions. At times, the amount of cash on deposit in banks may be in excess of the respective financial institution's FDIC insurance limit.

Note G: **Party-In-Interest Transactions**

Fees paid during the year for legal, auditing, investment manager, investment advisor, and other professional services rendered by parties-in-interest were based on customary and reasonable rates for such services.

Note H: **Subsequent Events**

The date to which events occurring after April 30, 2025, the date of the most recent Statement of Net Assets Available for Benefits, have been evaluated for possible adjustment to the financial statements or disclosures is January 9, 2026, which is the date on which the financial statements were available to be issued.
