## INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the  
Amalgamated Transit Workers  
Local 854 Health Benefit Fund

### Opinion on the 2024 Financial Statements

We have audited the financial statements of the Amalgamated Transit Workers Local 854 Health Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits and benefit obligations as of December 31, 2024, and the related statement of changes in net assets available for benefits and benefit obligations for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2024, and the changes in its net assets available for benefits and benefit obligations for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the 2024 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the 2024 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2024 Financial Statements**

Our objectives are to obtain reasonable assurance about whether the 2024 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Report on Supplemental Information**

Our audit was conducted for the purpose of forming an opinion on the 2024 financial statements as a whole. The supplemental Schedule of Assets Held at End of Year, Schedule of Reportable Transactions and Schedules of Administrative Expenses, referred to as “supplemental information,” is presented for the purpose of additional analysis and is not a required part of the financial statements. The supplemental Schedule of Assets Held at End of Year and Schedule of Reportable Transactions represent supplemental information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Supplemental information is the responsibility of the Plan’s management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the 2024 financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

### **2023 Financial Statements**

The financial statements of the Plan for the year ended December 31, 2023, were audited by other auditors whose report, dated October 8, 2024, expressed an unmodified opinion on those statements.

HEALTH BENEFIT FUND**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

**NOTE 1. DESCRIPTION OF THE PLAN**

**General**

The following description of the Amalgamated Transit Workers Local 854 Health Fund (the Plan) provides only general information about the Plan's provisions. Participants should refer to the Plan document for a complete description of the Plan's provisions, which is available from Plan management.

The Plan is a multiemployer benefit plan, established under the provisions of an Agreement and Declaration of Trust, as amended made as of June 1, 2020, between the Amalgamated Transportation Local (the "Union"), and contributing employers. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

**Benefits**

The Plan provides medical, surgical, and other supplemental welfare benefits to participants, their dependents, and beneficiaries pursuant to participant agreements with the Local 298 Health Benefit Fund I.

**Contributions**

Contribution rates have been established under agreements entered into between the Plan and employers. Each employer is required to contribute to the Plan at the rate(s) specified in the participation agreement.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting** - The accompanying financial statements are prepared using the accrual basis of accounting.

**Employer Contributions Receivable** - Employer contributions due and not paid prior to year-end are recorded as contributions receivable. Allowance for credit losses is considered unnecessary and is not provided.

**Investment Valuation and Income Recognition** - Short-term investments are valued at cost, which approximates fair value.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Payment of Benefits** - Premiums paid by the Plan are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

**Benefit Obligations** - The benefit obligations which are premiums due and not paid prior to year-end are recorded as premiums payable.

**Administrative Expenses** - The Plan pays administrative expenses that consist primarily of administrative fees paid for payroll and related expenses and professional fees. These expenses are reported on the statements of changes in net assets available for benefits as administrative expenses.

**Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

**Reclassifications** - Certain prior year amounts have been reclassified to be in conformity with the current year presentation. These reclassifications did not change the total assets, liabilities or change in net assets from the totals previously reported.

**NOTE 3. TAX STATUS**

The Plan obtained its latest determination letter on March 25, 2022 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under Section 401(a) and was, therefore, exempt from Federal income taxes under the provisions of Section 501(a). The Plan has been amended since the last submission for determination. The Plan Trustees and Plan Counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Plan.

#### **NOTE 4. PRIORITIES UPON TERMINATION**

It is the intent of the Trustees to continue the Plan in full force and effect; however, to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. In the event of termination, the Trustees shall first satisfy or make provisions to satisfy the obligations of the Plan. Any remaining Plan assets will be distributed in such manner as will in the opinion of the Trustees bring about the purpose of the Plan. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the participants.

#### **NOTE 5. RELATED PARTY TRANSACTIONS**

##### **Administrative Expenses**

The Plan shares office space with related organizations and these entities reimburse the Eastern States Joint Board for their share of shared administrative expenses. Shared administrative expenses are allocated based on cost sharing agreements between the Plan and related organizations. The Plan reimbursed the Eastern States Joint Board for payroll and administrative expenses in the amounts of \$101,352 and \$103,287 for the years ended December 31, 2024 and 2023, respectively. At December 31, 2024, the Plan had a payable amount due to the Eastern State Joint Board for administrative expenses in the amount of \$829.

##### **Benefits**

The Plan's benefits are through a participation agreement with the Local 298 Health Benefit Fund I. Premiums paid totaled \$6,219,334 and \$4,300,157 for the years ended December 31, 2024 and 2023, respectively.

#### **NOTE 6. FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

##### **Basis of Fair Value Measurement:**

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**NOTE 6. FAIR VALUE MEASUREMENTS (CONTINUED)**

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

For the years ended December 31, 2024 and 2023, there were no transfers in or out of levels 1, 2, or 3.

The following tables set forth by level the fair value hierarchy, the major categories of investments measured at fair value at December 31, 2024 and 2023:

	Fair Value Measurements at December 31, 2024			
	Total	Level 1	Level 2	Level 3
Short-term investments	\$ 206,012	\$ 206,012	\$ -	\$ -
Total investments	\$ 206,012	\$ 206,012	\$ -	\$ -

  

	Fair Value Measurements at December 31, 2023			
	Total	Level 1	Level 2	Level 3
Short-term investments	\$ 39,724	\$ 39,724	\$ -	\$ -
Total investments	\$ 39,724	\$ 39,724	\$ -	\$ -

**NOTE 7. RISK AND UNCERTAINTIES**

The operation of the Plan is highly dependent on its participation agreement with Local 298 Health Benefits Plan I. Due to the level of risk associated with the agreement with the related party, it is at least reasonably possible that Local 298 Health Benefit Plan I has the right to terminate the agreement which will significantly impact the Plan's operations and the ability to provide benefits to the participants.

**NOTE 8. CONCENTRATIONS OF CREDIT RISK**

Financial instruments that subject the Plan to concentrations of credit risk include cash and employers' contributions receivable. The Plan maintains an account at a high quality financial institution. While the Plan attempts to limit any financial exposure its deposits may, at times, exceed federally insured limits. The Plan has not experienced any losses on such accounts.

Contributions from three employers represent approximately 59% and 69% of the total contributions balance at December 31, 2024 and 2023, respectively.

**NOTE 9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits as reported on financial statements	\$ 405,047	\$ 244,277

Add: Amounts currently payable at end of year	357,255
Less: Amounts currently payable at beginning of year	<u>(224,239)</u>
Benefits paid to or for participants per Form 5500	<u>\$ 6,352,350</u>

**NOTE 10. SUBSEQUENT EVENTS**

The Plan has evaluated subsequent events through December 3, 2025, the date the financial statements were available to be issued, and they have been evaluated in accordance with relevant accounting standards.
