INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Keystone Clippers, LLC 401K Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Keystone Clippers, LLC 401K Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of April 23, 2025 (in liquidation) and December 31, 2024 (on going), and the related statement of changes in net assets available for benefits in liquidation for the period from January 1, 2025 through April 23, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Keystone Clippers, LLC 401K Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of April 23, 2025 and December 31, 2024, and for the period from January 1, 2025 through April 23, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Keystone Clippers, LLC 401K Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Terminating Plan

As further discussed in Note 7 to the financial statements, the Board of Directors of the Keystone Clippers, LLC 401K Plan, the plan's sponsor, voted on March 5, 2025 to terminate the plan. In accordance with accounting principles generally accepted in the United States of America, the plan has changed its basis of accounting from the ongoing plan basis used in presenting the 2024 financial statements to the liquidation basis used in presenting the 2025 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Keystone Clippers, LLC 401K Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Keystone Clippers, LLC 401K Plan
Notes to Financial Statements
April 23, 2025 and December 31, 2024

Note 1 – Description of the Plan

The following description of the Keystone Clippers, LLC 401K Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering essentially all full-time employees of Keystone Clippers, LLC (the “Company”) who are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company trustee is responsible for oversight of the Plan. In April of 2025, the Plan transferred its remaining assets to the America Funds Pooled Employer Plan. For additional information, see Note 7.

Contributions

Each year, participants may elect to contribute up to 100% of their eligible compensation, as defined in the Plan. Participants can contribute up to the maximum limits established by tax laws (\$23,500 for 2025 and \$23,000 for 2024). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions up to \$7,500 for 2025 and 2024. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation until changed by the participant. The automatic deferral amount will increase by 1% up to a maximum of 6% of compensation. The increase will occur on the first day of each Plan year. Effective January 1, 2025, the automatic enrollment provision was removed from the Plan. If the participant is age 18 or older and has completed 1 year of service they will be eligible to receive an employer safe harbor allocation, where the Company will match the sum of 100% of the amount of the participant’s contributions up to 1% of the participant’s eligible compensation plus 50% between 2% and 6% of compensation. Effective January 1, 2025, the safe harbor provision was updated to be 100% of the participant’s first 3% of eligible compensation plus an additional 50% up to 5% of the participant’s eligible compensation. Additional non-elective amounts may be contributed at the option of the Company, no such contributions were made for the period ended April 23, 2025. Contributions are subject to certain Internal Revenue Service “IRS” limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and an allocation of (a) the Company’s safe harbor contribution, (b) Plan earnings, (c) forfeitures of terminated participants’ non-vested accounts and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

Notes to Financial Statements
April 23, 2025 and December 31, 2024

Note 1 – Description of the Plan (Continued)

Vesting

Participants are vested immediately in their contributions, rollover contributions, and actual earnings thereon. Vesting in the Company's safe harbor contributions and non-elective contributions (if any) and actual earnings thereon is based on years of service.

The Company's vesting schedule for safe harbor contributions is as follows:

<u>Completed years of service</u>	<u>Vesting %</u>
Less than two years	0%
Two or more years	100%

The Company's vesting schedule for any non-elective contributions is as follows:

<u>Completed years of service</u>	<u>Vesting %</u>
Less than two years	0%
Two years	20%
Three years	40%
Four years	60%
Five years	80%
Six years or more	100%

Effective April 23, 2025 with the Plan's termination, participants became automatically vested in all accounts, for additional information see Note 7 – Plan Termination.

Notes Receivable to Participants

Participants may borrow from their fund accounts at a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their non-forfeitable account balance. A participant is only permitted to have one outstanding loan at any time. The loans are secured by the balance in the participant's account and bears interest that is consistent with approved market rates. Principal and interest are paid through payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant or a designated beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, partial withdrawals or installments, or a combination thereof over a period of no more than the participant's or their beneficiary's assumed life expectancies. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

At April 23, 2025 and December 31, 2024, forfeited nonvested accounts totaled \$-0- and \$2,233, respectively. These accounts can be used for any permissible expense as identified in the Plan document. Also, for the year ended April 23, 2025, \$2,539 was used to reduce Plan expenses.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the liquidation basis of accounting as of April 23, 2025 and for the period from January 1, 2025 through April 23, 2025, the accrual basis of accounting was used as of December 31, 2024 and for the year then ended.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual estimates could differ from those estimates.

Investment Valuation and Income Recognition

The investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at that measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and the contributions from the Company are recorded in the year in which participant contributions are withheld from compensation and for which participant compensation is earned.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as deemed distributions to participants in accordance with the terms of the plan document. No allowance for credit losses has been recorded as of April 23, 2025 and December 31, 2024.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses.

Payment of Benefits

Benefits are recorded when paid.

Note 2 – Summary of Significant Accounting Policies (Continued)

Reclassifications

The Plan's policy is to reclassify amounts reported in prior year financial statements when necessary for classifications adopted during the current year.

Consideration of Subsequent Events

For the period ended April 23, 2025, the Plan has evaluated subsequent events for potential recognition and disclosure through February 12, 2026, the date the financial statements were available to be issued.

Note 3 – Certified Investments

Certified information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at April 23, 2025 and December 31, 2024 and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the period from January 1, 2025 through April 23, 2025 was obtained and derived from information supplied to the plan administrator and certified as completed and accurate by Empower Retirement Company, an agent for Empower Trust Company, LLC, the custodian of the Plan.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

Note 4 – Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value that provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1- Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Notes to Financial Statements
April 23, 2025 and December 31, 2024

Note 4 – Fair Value Measurements (Continued)

Level 2- Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3- Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a brief description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at April 23, 2025 and December 31, 2024.

Mutual funds- Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts- The investments are tracked by participation units in sub-accounts offered by Empower Retirement, with each sub-account representing a mutual fund investment option. Each sub-account holds a share of single underlying mutual fund, and the sub-accounts reinvest any mutual fund distributions received into additional shares of the underlying mutual fund. The participation units are adjusted daily to reflect investment results based on quoted market prices of the underlying mutual funds for the sub-accounts. These investments are measured using the net asset value ("NAV") practical expedient.

Note 4 – Fair Value Measurements (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of April 23, 2025 and December 31, 2024:

Investments Measured Using NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of April 23, 2025 and December 31, 2024. There are no participant redemption restrictions for these investments, the redemption notice period is applicable only to the Plan.

Note 5 – Investment Contract with Insurance Company

The Plan has entered into one fully benefit-responsive guaranteed investment contract with Empower Retirement Company (Empower), totaling \$-0- for 2025 and \$14,448 for 2024, respectively. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Prior to January 1st and July 1st, the effective annual rate of interest is established for the corresponding six-month period. The crediting rate is based on a formula established by the contract issuer. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Empower's Stable Value Option investment choices in the Group Annuity Contract comply with FASB's fully benefit-responsive requirements, and thus is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contract because this is the amount received by the participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported by the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due are related to the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Note 5 – Investment Contract with Insurance Company (Continued)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring which would limit the Plan's ability to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

Note 6 – Related Party Transaction and Party-in-Interest Transactions

Plan investments are managed by Empower Retirement Company. Empower Retirement Company is the custodian for the Plan and, therefore, these transactions qualify as exempt party in interest transactions. Fees incurred by the investment management services are reported on the statement of changes in net assets available for benefits in liquidation as administrative expenses. These transactions qualify as party-in-interest transactions. Additionally, loans to eligible plan participants, which are secured by the participant's account balance, are identified as party-in-interest transactions. The Plan has also identified delinquent contributions, which are also considered to be party-in-interest transactions.

Note 7 – Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. On March 5, 2025, the Plan trustee approved a resolution for the Keystone Clippers, LLC 401k Plan to merge into the Ascensus American Funds Pooled Employer Plan effective April 15, 2025, or as soon as administratively feasible thereafter. As a result, the Plan had been deemed terminated and the Plan participants have become fully vested in their account balances, and no further benefit accruals will be made for the Plan as of April 23, 2025.

Note 8 – Tax Status

The IRS has determined and informed the Company by a letter dated July 13, 2021, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believe that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America (U.S. GAAP) requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9– Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
