INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Laborers' Local No. 130 Annuity Fund

Opinion

We have audited the financial statements of Laborers' Local No. 130 Annuity Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of May 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years ended May 31, 2025 and 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits Laborers' Local No. 130 Annuity Fund as of May 31, 2025 and 2024, and the changes in its net assets available for benefits for the years ended May 31, 2025 and 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Laborers' Local No. 130 Annuity Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Laborers' Local No. 130 Annuity Fund's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standard:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures, responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Laborers' Local No. 130 Annuity Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Laborers' Local No. 130 Annuity Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of May 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information and the schedules of employer contributions and administrative expenses are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

LABORERS' LOCAL NO. 130 ANNUITY FUND

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following brief description of Laborers' Local No. 130 Annuity Fund (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General:

The Plan is a defined contribution, profit sharing, multiemployer union negotiated annuity plan. It covers all eligible employees of participating employers who are covered by collective bargaining agreements. The Plan was established pursuant to an Agreement and Declaration of Trust effective June 1, 1969. The operation and administration of the Plan are the responsibility of the Board of Trustees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Prior to April 1, 2015, the investments were managed by the Trustees on a collective basis. Effective April 1, 2015, the plan was changed to provide for the participants to direct their investments.

Contributions:

The amount to be contributed to the Plan for a participant is determined by the collective bargaining agreement covering the individual participant.

Benefits:

A participant's accumulated share is payable, subject to certain provisions, upon retirement, termination of covered employment or death.

The benefit consists of the participant's account balance.

Participants accounts:

Each participant's account is credited with the employer contributions received on behalf of the participant and is adjusted for income and expenses. Under the Trustee directed investments, the account received an allocation of (a) Plan earnings and (b) allocation of administrative expenses. Allocations were based on participant earnings or account balances, as defined. The participants' accumulated share was determined, for purposes of providing retirement benefits, on the modified cash basis of accounting. Under the self directed investments plan, the participant receives income based on the investments chosen by the participant and a quarterly allocation of administrative expense for the plan year.

Vesting:

Participants are immediately 100% vested in their individual account balances.

See Independent Auditors' Report.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan (Continued)

Distributions:

Distributions may be made to individuals upon one of the following occurrences:

1. The employee retires on or after attaining age fifty-five (55) his early retirement
2. The employee suffers a disability and receives an Award of Disability Benefits from the Social Security Administration.
3. The employee separates from service (other than due to retirement, death or disability) and experiences a six (6) consecutive month period in which the employee does not complete any hours of employment unless the break in work was due to a birth or adoption of a child.
4. Death of the employee.

Note 2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of Accounting:

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. The custodian and investment advisors are "fiduciaries" as well as "parties of interest" as defined by the Employee Retirement Income Security Act-Section 3(14) P.L. 93-406.

The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Purchases and sales are recorded on the trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gain distributions are recorded as dividends.

See Independent Auditors' Report.

LABORERS' LOCAL NO. 130 ANNUITY FUND

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies (Continued)

Employer Contributions:

Revenue from employer contributions is determined by hours of work reported by participating employers and the contractual employer contribution rates in effect. Employer contributions are included in revenue during the period in which the employer contribution is earned. The accounts receivable represents uncollected contributions for hours worked through May 31.

Reciprocal Contributions, Payments and Agreements:

Reciprocal contributions represent payments received from other local annuity plans for work performed by plan participants out of the local union's area of operation. Reciprocal payments represent contributions received by participating employers for members of other local unions that are paid to other local benefit plans.

The benefit fund of each local enters into a cooperative contractual arrangement to allow the contributions to be transferred to the employee's home benefit fund. The agreement determines the amount of contributions that will be transferred to or from the benefit fund. The participant must sign an authorization to transfer the contributions to the participant's home benefit fund.

Benefits:

Benefits are recorded upon payment.

Administrative Expenses:

Expenses incurred in connection with the general administrative of the plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. See the Supplementary Schedule of Administrative Expenses for detail on the type and amounts of expenses incurred. Certain investment-related expenses are included in the net appreciation in fair value of investments and as reduction to investment income on the Statement of Net Assets available for Benefits.

Note 3. Plan Termination

The Trustees may terminate the Plan at any time. It is the present intention of the Trustees to continue the Plan indefinitely. In the event of the termination of the Plan for any reason, the assets of the Plan shall be liquidated and allocated to the exclusive benefit of the participants and other persons entitled to benefits from the Plan.

See Independent Auditors' Report.

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include: Quoted prices for similar assets or liabilities in active markets; Quoted prices for identical or similar assets or liabilities in inactive markets; Inputs other than quoted prices that are observable for the asset or liability; Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

At measurement date, the Plan estimates fair value of the financial instruments using various valuation techniques. To the extent available, quoted market prices in active markets or observable market inputs in estimating the fair value of the investments are utilized. When quoted market prices or observable market inputs are not available, valuation techniques that rely on unobservable inputs to estimate fair value of investments are used.

There were no significant transfers of investments between levels during the years ended May 31, 2025 and 2024.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at May 31, 2025 and 2024.

Mutual Funds: Valued at the daily closing prices as reported by the plan. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

See Independent Auditors' Report.

NOTES TO FINANCIAL STATEMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of May 31, 2025 and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Note 4. Fair Value Measurements (Continued)

Investments Measured Using the Net Asset Value per Share Practical Expedient.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of May 31, 2025 and 2024. There are no participant restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>May 31, 2025</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
Common Collective Trust	\$986,815	N/A	Daily	12 Months
<u>May 31, 2024</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
Common Collective Trust	\$1,266,213	N/A	Daily	12 Months

Note 5. Funding Policy

Employer contributions to the Plan are determined by collective bargaining agreements between the Laborers' District Council of Eastern Pennsylvania and Contributing Employers.

Note 6. Related Party Transactions

Certain assets of the Plan are managed by John Hancock Trust Company, LLC, the custodian, as defined by the Plan. These transactions qualify as party-in-interest transactions.

The Plan is under the control of a Board of Trustees comprised of participating union members and employers and is administered by Lawrence C. Musgrove Associates, Inc., an independent employee benefit administration and consulting firm. Participant accounts are maintained by John Hancock Trust Company. Administrative expenses are paid by the Plan.

Certain administrative functions are performed by officers and employees of the Union. No such officer or employee receives compensation from the Plan.

See Independent Auditors' Report.

LABORERS' LOCAL NO. 130 ANNUITY FUND

NOTES TO FINANCIAL STATEMENTS

Note 7. Federal Tax Status

The Plan obtained its latest determination letter on September 1, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's legal counsel believe that the Plan currently is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore, believe that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of May 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to May 31, 2023.

Note 8. Plan Amendments

Effective February 1, 2024, the Trustees amended the Plan to include an involuntary cash-out provision for participants with account balances of less than \$7,000 and the participant did not receive any contributions for nine consecutive months. Participant balances will be transferred to an individual retirement account outside of the Plan.

Note 9. Concentration of Credit Risk

The Plan receives most of the employer contributions from construction companies located in the northeastern section of Pennsylvania. Two of the employers contribute approximately 37% of the total contributions for the Plan.

LABORERS' LOCAL NO. 130 ANNUITY FUND

NOTES TO FINANCIAL STATEMENTS

Note 10. Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through February 11, 2026, the date the financial statements were available to be issued.

Note 11. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in value of investments securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.
