INDEPENDENT AUDITORS' REPORT

Board of Trustees
Shopmen's Iron Workers Health and Welfare
Trust Fund
Pasadena, California

Opinion

We have audited the accompany financial statements of Shopmen's Iron Workers Health and Welfare Trust Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA) which comprise the statements of net assets available for benefits and of plan benefit obligations as of July 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of Shopmen's Iron Workers Health and Welfare Trust Fund as of July 31, 2025 and 2024, and the changes in its net assets available for benefits and changes in benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Shopmen's Iron Workers Health and Welfare Trust Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Shopmen's Iron Workers Health and Welfare Trust Fund's ability to continue as a going concern for the years then ended July 31, 2025 and 2024.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for the one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Shopmen's Iron Workers Health and Welfare Trust Fund internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Shopmen's Iron Workers Health and Welfare Trust Fund ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H - Line 4i – schedule of assets held at end of the year and Schedule H – Line 4j- transactions or series of transactions in excess of 5% of the fair value of Plan assets as of July 31, 2025, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA.

Such information is the responsibility of the Fund's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's rules and regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITORS' REPORT

Board of Trustees
Shopmen's Iron Workers Health and Welfare
Trust Fund
Pasadena, California

Opinion

We have audited the accompany financial statements of Shopmen's Iron Workers Health and Welfare Trust Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA) which comprise the statements of net assets available for benefits and of plan benefit obligations as of July 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of Shopmen's Iron Workers Health and Welfare Trust Fund as of July 31, 2025 and 2024, and the changes in its net assets available for benefits and changes in benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Shopmen's Iron Workers Health and Welfare Trust Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Shopmen's Iron Workers Health and Welfare Trust Fund's ability to continue as a going concern for the years then ended July 31, 2025 and 2024.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for the one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Shopmen's Iron Workers Health and Welfare Trust Fund internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Shopmen's Iron Workers Health and Welfare Trust Fund ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H - Line 4i - schedule of assets held at end of the year and Schedule H - Line 4j- transactions or series of transactions in excess of 5% of the fair value of Plan assets as of July 31, 2025, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA.

Such information is the responsibility of the Fund's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's rules and regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SHOPMEN'S IRON WORKERS HEALTH AND WELFARE TRUST FUND

Notes to Financial Statements

July 31, 2025 and 2024

Note 1: Plan description:

The Shopmen's Iron Workers Health and Welfare Trust Fund is a health and welfare plan established by labor and employers through collective bargaining. It is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA), as amended.

For the years ended July 31, 2025 and 2024, the majority of contributions were received from employers at the rate of \$7.37 for each reported hour worked by participating employees subject to a maximum of 184 hours per month. The participant becomes eligible for hospital/medical care benefits on the first day of the calendar month following the Fund's receipt of employer contributions. There is no minimum hour requirement.

Buy-up Election of Coverage –

Effective June 1, 2014, the Shopmen's Health and Welfare Plan participants are allowed to buy-up to the Non-Deductible Plan with Kaiser at a cost to be determined by the Plan consultant. The following procedures apply with respect to the buy-up option:

- This is a one-time election and if a member does not respond by June 30, 2014 they will not be allowed to buy-up.
- New hires will be given 30 days after initial eligibility to buy-up.
- If an employee who chooses to buy-up fails to make a payment, they will be transferred to the deductible plan and will not be allowed to buy-up in the future.
- Payments are due on the 20th of the month prior to the eligibility month with a grace period to the 5th of the eligibility month. If payment is not received by the 5th of the eligibility month they will be transferred to the 80/20 plan and they will not be allowed to buy-up in the future.
- Payments must be made in the form of a check or money order. No other forms of payments are accepted.

The plan provides hospital, medical, surgical care, dental, and vision benefits and a plan of insurance for life, accidental death and dismemberment benefits for active members only. The plan covers employees of participating employers and their dependents on the first day of the calendar month after completing at least 30 days of continuous active employment and coverage continues for full benefits for a period of at least 30 days after ceasing active employment.

Coverage may be continued after eligibility terminates due to termination of employment for a maximum period of six consecutive months by making appropriate self-payments.

Disclaimer –

All benefits provided under the Fund are insured by contract with various providers. There is no liability on the Fund, the Board of Trustees or any individual or entity to provide these benefits, or to provide payment of benefits beyond the premiums payable under the policies. If an insurer or an HMO fails to pay benefits under the Plan's contract, the participant has no recourse against the Plan. The Board of Trustees may, from time to time and at its discretion, change or alter any of its policies or the benefits provided.

Note 2: Summary of significant accounting policies:

Assets, liabilities, revenue and expenses are recorded on the accrual method of accounting, recognizing revenue when earned and recognizing expenses when incurred.

Use of estimates –

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Employer Contributions and Contributions Receivable –

Employer contributions reported in the financial statements include amounts relating to hours worked by covered employees through July 31, plus material delinquent contributions.

The Plan has an employer payroll audit system in place in which the employers are audited to verify that they are contributing in accordance with their signed agreement. Delinquencies may arise due to these payroll audits, but due to the uncertainty of collections, no estimates of the contributions will be accrued.

Investment valuation and income recognition –

Investments are reported at fair value which is determined, presented and disclosed in accordance with Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820, Fair Value Measurement and Disclosures. Under FASB ASC 820, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. The realized gain or loss on sale of investments is the difference between the proceeds received and the cost of investment sold, plus capital gain distributions on mutual funds.

Concentration of Risk –

The Plan maintains its cash balances at high credit quality financial institutions. Accounts at these institutions are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At times, these cash balances may be in excess of the insurance limit. The Trust has not experienced any credit losses on its cash and cash equivalents to date as it relates to FDIC insurance limits.

Current Benefits Obligations –

Premiums reported through August 31, 2025 and 2024 total \$570,000 and \$586,000, respectively. The estimated liability for future benefits (insurance premiums) is based on the accumulated months of eligibility at plan year end, multiplies by effective premium rate for insured benefits. This liability is recorded as other obligations, net of amounts currently payable on the statement of benefit obligations.

Payment of benefits

Premiums paid by the plan are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Trust operating and administrative expenses –

The Plan's expenses are paid by the Plan as provided in the Plan Document. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits.

Subsequent events:

In accordance with FASB ASC Topic 855, Subsequent Events, management has evaluated the possibility of subsequent events existing for the Fund's financial statements through November 21, 2025, the date which the financial statements were available for issuance. The Fund has determined that there are no material events that would require recognition to or disclosure in the Fund's financial statements through this date.

Note 3: Contributions receivable:

Contributions receivable from employers represent amounts received subsequent to July 31 for hours worked during July and prior months. The Trust Agreement provides for liquidated damages against employers who are delinquent in filing reports and remitting contributions. However, it is the policy of the Fund to record such items as income only as collected.

Note 4: Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets.
 - inputs other than quoted prices that are observable for the asset or liability.
 - inputs that are derived principally from or corroborated by observable market data by correlation or other meansIf the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of valuation methodologies used for assets at fair values. There have been no changes in the methodologies used on July 31, 2025 and 2024.

Money Market fund: Amortized cost valued at approximate fair value.

Mutual funds: Valued at the closing price reported in the active market in which the individual security is traded. Mutual funds held by the Fund are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Fund are deemed to be traded actively.

The following table sets forth by level, within the fair value hierarchy, the Fund's assets at fair value as of July 31, 2025 and 2024:

Assets at Fair Value as of July 31, 2025

<u>Investment</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Total	<u>\$ 2,826,214</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,826,214</u>

Note 5: Risks and uncertainties:

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for benefits.

Note 6: Plan amendment:

On May 2, 2024, the Board of Trustees approved Plan Amendment No. 1 and No. 2 which clarifies that dependent spouse and children are allowed to opt-out of the Plan if the dependent is enrolled in a different group health plan. This provision terminates effective May 31, 2026.

On May 1, 2025, the Board of Trustees approved Trust Amendment No. 11 which would reduce the size of the Board from eight members to four. The Union will appoint two trustees and the employer will appoint one trustee from Western Steel Council and one trustee from Steel Fabricators Association of Southern California. Each Association will be permitted to appoint an alternate; the

Union shall be permitted to appoint two alternate trustees as well. The alternates will only attend if the primary trustee is unavailable.

Note 7: Plan operating and administrative expenses:

The plan's operating and administrative expenses are as follows:

	<u>2025</u>	<u>2024</u>
Administrator's fees and expenses	\$ 38,620	\$ 38,620
Audit fees and expenses	16,800	16,800

Trustee meetings and seminar expenses	<u>3,341</u>	<u>14,985</u>
Total plan operating and administrative expenses	<u>\$ 177,962</u>	<u>\$ 188,676</u>

Note 8: Related party transactions:

The Fund enters into various transactions with related Shopmen's Iron Workers Trust Funds in the normal course of operations. Specific identifiable expenses are charged to the respective trust, and common administrative expenses are allocated to each trust on a percentage basis. Total expenses allocated for years ending July 31, 2025 and 2024 was \$177,962 and \$188,676, respectively.

The Shop Ironworkers Health and Welfare Plan, Shopmen's Iron Workers Retirement Fund and the Shopmen's Iron Workers Labor Managements Cooperation Trust share common Board of Trustees. The Shop Ironworkers Health and Welfare Plan collects contributions on behalf of the Shopmen's Iron Workers Retirement Fund and the Shopmen's Iron Workers Labor managements Cooperation Trusts. These contributions are transferred monthly to the respective plans based on allocation of contribution rates. As of July 31, 2025 and 2024, \$18,782 and \$61,833 were due to the Retirement Plan. As of July 31, 2025 and 2024, \$1,373 and \$4,795 were due to the Labor Management Trust.

Note 9: Amendment and termination:

In order that the Fund may carry out its obligation to maintain, within the limits of its resources, a program dedicated to providing optimal benefits for all participants, the Board of Trustees expressly reserves the right, in its sole discretion at any time and from time to time:

- to amend the Plan, including the benefits and eligibility conditions, provided making those changes cannot affect claims which have already accrued.
- to terminate the Plan, provided Plan termination cannot affect claims which have already accrued.
- to alter or postpone the method of payment of any benefit; and
- to amend or rescind any other provisions of the Plan prospectively.

The existence and continuation of Plan benefits depends on the continuation of the Collective Bargaining Agreements between the Union and the Employers. If the Collective Bargaining Agreements terminate, benefits will be continued only as long as the cash in the reserve fund permits the payment of premiums to the insurance providers, or as otherwise determined by the Trustees.

Eligibility for benefits terminates on the earliest of the following:

- the last day of the month following the month the participant terminate employment with an Employer.
- the last day of the month following the month an Employer last made a Contribution to the Fund for benefits on the participant's behalf.
- the date a self-payment, if required, is not received in the amount or manner required.
- the date the benefit programs are terminated by the Board of Trustees.

Note 10: Reconciliation of Financial Statements to Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	<u>July 31,</u>	
	<u>2025</u>	<u>2024</u>
Net assets available for benefits per financial statements	\$ 3,571,184	\$ 3,469,948
Less benefit obligations currently payable	<u>570,000</u>	<u>586,000</u>
Net assets available for benefits per Form 5500	<u>\$ 3,001,184</u>	<u>\$ 2,883,948</u>

The following is a reconciliation of insurance premiums paid per the financial statements to Form 5500:

	<u>Year Ended July 31, 2025</u>
Premiums paid per audited financial statements	\$ 6,879,561
Add: Amount currently payable on July 31, 2025	570,000
Less: Amounts currently payable on July 31, 2024	<u>(586,000)</u>
Premiums paid per Form 5500 year ended July 31, 2025	<u>\$ 6,863,561</u>

Premiums that have been processed and approved for payment at year-end, but not paid are not considered liabilities under GAAP and therefore, are not presented as liabilities or premiums paid in the accompanying financial statements but are recorded on the Form 5500 as a liability.

Note 11: Income tax status:

The IRS has determined and informed the Plan sponsor that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's legal counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Fund and recognize a tax liability (asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Fund is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
