INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Participants and Beneficiaries
of Red Ball Companies Employee Medical Benefit Trust

Opinion

We have audited the financial statements of Red Ball Companies Employee Medical Benefit Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits and of benefit obligations as of July 31, 2025 and 2024, and the related statement of changes in net assets available for benefits and of changes in benefit obligations for the year ended July 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of July 31, 2025 and 2024, and the changes in its net assets available for benefits and benefit obligations for the year ended July 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

RED BALL COMPANIES EMPLOYEE MEDICAL BENEFIT TRUST

Notes to Financial Statements July 31, 2025 and 2024

NOTE A - DESCRIPTION OF THE PLAN

The following description of Red Ball Companies Employee Medical Benefit Trust (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a complete description of the Plan's provisions.

[1] General

The Plan provides health and other benefits covering eligible employees of the Red Ball Companies (the "Company") and their dependents or designated beneficiaries. Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan entered into administrative services agreements with Blue Cross Blue Shield of Louisiana and The Guardian Life Insurance Company of America, as the third-party claims administrators. The claims for self-insured medical, prescription, dental, and vision benefits are processed by the Plan's third-party claims administrators under administrative services only ("ASO") arrangements. The third-party claims administrators pay claims directly to or on behalf of participants and are then reimbursed by a trust established by the Plan. Despite the Plan's utilization of third-party claims administrators, ultimate responsibility for payments to benefit providers and participants is retained by the Plan.

[2] Benefits

The Plan provides health benefits (medical, prescription drugs, dental, and vision), group life insurance coverage, short-term disability and long-term disability coverage, and accidental death and dismemberment coverage for active, full-time employees and their dependents or designated beneficiaries. A participant becomes eligible for coverage on the first day of the month following completion of 60 days of employment.

The Plan fully insures group life insurance, short-term disability, long-term disability, and accidental death and dismemberment coverage benefits. The Plan purchases annual insurance contracts for these insured benefits.

The Plan provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act ("COBRA"). Medical benefits under COBRA are funded entirely by the former employees.

[3] Contributions

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's liabilities over assets or net assets over benefit obligations is funded by the Company on a pay-as-you-go basis. The Company pays the full cost of the group life insurance, short-term disability, long-term disability, and accidental death and dismemberment coverage benefits.

[4] Stop loss insurance

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims). A contingent liability exists with respect to such stop loss insurance should the insurance company be unable to meet the obligations assumed under the stop loss insurance agreement.

RED BALL COMPANIES EMPLOYEE MEDICAL BENEFIT TRUST

Notes to Financial Statements July 31, 2025 and 2024

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

[4] Stop loss insurance (continued)

For the contract periods below, the Plan has obtained stop loss insurance on health claims with the following limits:

	October 1, 2024 through <u>September 30, 2025</u>	October 1, 2023 through <u>September 30, 2024</u>
Specific deductible per participant	\$ 110,000	\$ 110,000
Maximum specific benefit (per lifetime)	Unlimited	Unlimited
Maximum aggregate benefit	Unlimited	Unlimited
Aggregate deductible (approximate)	3,524,100	2,824,500

Under these stop loss insurance contracts, \$38,411 and \$48,447 was due to the Plan at July 31, 2025 and 2024, respectively. During the year ended July 31, 2025, the Plan collected \$2,106,267 of stop loss insurance recoveries. For the year ended July 31, 2025, the Plan incurred stop loss insurance premiums of \$536,496.

[5] Administrative expenses

The Plan pays administrative expenses that consist primarily of administrative fees paid to the third-party claims administrators, who processes the Plan's benefit claims, and professional fees paid to other service providers. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. Expenses that are paid directly by the Company are excluded from these financial statements.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Basis of accounting

The accompanying financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

[2] Use of estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

[3] Cash

The Plan maintains its non-interest-bearing cash balances in an account with a bank. The balance in this account may at times exceed the insurance coverage provided by the Federal Deposit Insurance Corporation. Plan management periodically evaluates the financial condition of the bank holding its assets and believes such assets do not pose a financial risk to the Plan.

RED BALL COMPANIES EMPLOYEE MEDICAL BENEFIT TRUST

Notes to Financial Statements July 31, 2025 and 2024

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[4] Benefit obligations

Plan benefit obligations may include premiums due to insurers, claims payable (benefit claims that have been processed and approved for payment, but not paid), and an estimate of claims incurred but not reported ("IBNR"). Plan obligations for health claims IBNR are estimated by the Plan based on historical claim payment patterns and claims paid subsequent to year end which relate to prior years, and which may be limited by applicable stop-loss coverage. The Plan believes these claims will be paid during the following fiscal year. Thus, the cost of such claims would be approximately equal to the present value; and, therefore, these claims are not discounted.

[5] Benefits paid

Premiums paid by either the Company or the trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits. Claim payments are recorded when paid by the third-party claims administrators. Amounts due to the third-party claims administrators that have yet to be reimbursed by the Plan are recorded as a payable to the third-party claims administrators in the accompanying statements of net assets available for benefits.

A third-party claims administrator provides pharmacy benefit management ("PBM") services, which provides rebates to the Plan based on the Plan's actual utilization pattern of specific drugs. These prescription rebates due from the Plan's PBM are recorded when earned and are recognized as a credit against prescription claims expense. During the year ended July 31, 2025, the Plan earned \$287,071 in prescription rebates. Prescription rebates receivable at July 31, 2025 and 2024, was \$91,021 and \$94,848, respectively.

[6] Allowance for credit losses

Contributions receivable, stop loss insurance recoveries receivable, and prescription rebates receivable, where applicable, include amounts currently due which the Plan has the unconditional right to receive. Amounts due are stated at their estimated net realizable value. An allowance for credit losses is derived from a review of the Plan's historical losses, adjusted for management's assessment of current conditions, reasonable and supportable forecasts regarding future events, and any other factors deemed relevant by the Plan. Based on this assessment, management determined that an allowance for credit losses at July 31, 2025 and 2024, was not necessary.

[7] Subsequent events

The Plan has evaluated subsequent events through February 12, 2026, the date the financial statements were available to be issued.

RED BALL COMPANIES EMPLOYEE MEDICAL BENEFIT TRUST

Notes to Financial Statements July 31, 2025 and 2024

NOTE C – INCOME TAX STATUS

The trust established under the Plan to hold the Plan's assets is designed for the payment of employee health claims. The trust has not filed for tax exempt status and is, therefore, taxable. The taxable income of the trust, if any, is typically de minimus, and the Plan administrator believes the trust does not have any significant tax obligations as of July 31, 2025 and 2024.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of July 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

NOTE D – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify the benefits provided to, and the contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the remaining assets will be applied in a uniform and nondiscriminatory manner towards the provision of benefits for or on account of the participants until all benefit obligations of the Plan have been satisfied.

NOTE E – RISKS AND UNCERTAINTIES

The Plan's benefit obligations are reported based on certain assumptions pertaining to health claim payment patterns and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.

NOTE F – RELATED PARTY TRANSACTIONS

As described in Note A, the Plan has contractual arrangements with the third-party claims administrators. These transactions are considered party-in-interest transactions, which are exempt from the prohibited transactions rules of ERISA. The Company may pay certain expenses of the Plan; therefore, these transactions qualify as party-in-interest transactions under ERISA. Certain administrative functions are performed by employees of the Company at no cost to the Plan. These transactions are not considered prohibited transactions under Section 408(b) of ERISA regulations.
