INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Local 76 Resort Hotel Industry Pension Fund

Opinion

We have audited the accompanying financial statements of Local 76 Resort Hotel Industry Pension Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits in liquidation as of April 30, 2025 and 2024, the related statements of changes in net assets available for benefits in liquidation for the years then ended, the statement of accumulated plan benefits in liquidations as of April 30, 2024, the related statement of changes in accumulated plan benefits in liquidation for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits in liquidation of Local 76 Resort Hotel Industry Pension Fund as of April 30, 2025 and 2024, and the changes in its net assets available for benefits in liquidation for the years then ended, and the accumulated plan benefits in liquidation as of April 30, 2024 and the changes in its accumulated plan benefits in liquidation for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Local 76 Resort Hotel Industry Pension Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Local 76 Resort Hotel Industry Pension Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Local 76 Resort Hotel Industry Pension Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Local 76 Resort Hotel Industry Pension Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of Matters

Termination and Basis of Accounting

As described in Note 5 to the financial statements, the plan filed for termination and is operating under the supervision of the Pension Benefit Guaranty Corporation (PBGC). In accordance with accounting principles generally accepted in the United States of America, the Plan is presenting its financial statements on the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Tax Status

As presented in Note 6 to the financial statements, the Plan administrator is unable to determine whether the current plan document conforms to current IRS regulations. The effect on the Plan, if any, cannot be determined. Our opinion is not modified with respect to this matter.

NOTES TO FINANCIAL STATEMENTS
April 30, 2025 and 2024

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the Local 76 Resort Hotel Industry Pension Plan (Plan) is provided for general information purposes only and participants should refer to the Plan Agreement for more complete information.

GENERAL

As further described in Notes 4 and 5, the Plan has filed for termination and is operating under the supervision of the Pension Benefit Guaranty Corporation (PBGC).

The Plan is a defined benefit pension plan providing retirement benefits to eligible participants. There are no remaining employers and contributions are no longer made to the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan's third-party administrator administers the Plan and reports to the Trustees. The Trustees have overall responsibility for the operation and administration of the Plan.

PENSION BENEFITS

Employees, age 65, who have at least ten pension credits or reach the tenth anniversary of membership in the Plan, whichever occurs first; and have worked in covered employment for at least 100 days in a calendar year which began after the participant reached age 58 are eligible for pension benefits. Early retirement benefits are available to participants if they are age 60; have at least 25 pension credits; and have worked in covered employment for at least 100 days in a calendar year which began after the participant reached age 58. The participant also has the right to a Vested Pension if they have credit for at least ten years of vesting service. This vested pension becomes payable after the participant reaches normal retirement age. The vested normal retirement pension, starting when the participant reaches age 65, is determined by multiplying the accrued service credit by 75% of the monthly benefit rate in effect at December 31 of the plan year last worked and earned service credit from reported covered employment. Normal retirement benefits are dependent on the participants employer agreement and consist of \$6 or \$22 per month multiplied by accrued service credits (maximum of 25) for a maximum monthly benefit of \$150 or \$550, respectively as subject to adjustment by the PBGC.

NOTE 1 - DESCRIPTION OF PLAN(continued)

DEATH & DISABILITY BENEFITS

If a participant dies before 36 months of payments have been made, the remaining payments will be paid to the participants beneficiary, provided the participant has not elected a husband-and-wife pension. The participant may retire on a disability pension if the participant is totally disabled and is at least 50 years old; has at least 15 pension credits; and has worked in covered employment for at least 100 days either in the calendar year in which the participant became disabled or in the previous calendar year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

BASIS OF ACCOUNTING

As described in Notes 4 and 5 to the financial statements, the Plan is a wasting trust and the Plan is terminating under a distressed termination. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting used to determine the amounts at which investments and estimated settlement of liabilities are stated, from the ongoing plan basis to the liquidation basis for periods after April 30, 2012.

ACCOUNTS PAYABLE, ADMINISTRATIVE EXPENSES AND LIQUIDATION COSTS

Estimated costs associated with the dissolution and wind up of operations of the Plan, which include expenses expected to be incurred over the liquidation period, are required to be estimated based upon the most recent information available to management. The Plan will continue to incur administration costs and professional fees annually until the Plan is liquidated. The Plan has no estimate of when it will be liquidated and due to this uncertainty, these costs cannot be reasonably estimated and are not accrued.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein; disclosure of contingent assets and liabilities; and the actuarial present value of accumulated plan benefits at the date of the financial statements. Actual results could differ from those estimates.

LOCAL 76 RESORT HOTEL INDUSTRY PENSION FUND
NOTES TO FINANCIAL STATEMENTS
April 30, 2025 and 2024

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES(continued)

ACTUARIAL PRESENT VALUE OF ACCUMULATED PLAN BENEFITS

Accumulated plan benefits are those future periodic payments that are attributable under the Plan's provisions for the service employees have rendered. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who have died, and (c) present employees or their beneficiaries. Benefits under the Plan are based on the employees' number of years of credited service.

The actuarial present value of accumulated plan benefits is determined by an actuary from Milliman USA, Inc. and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment. The significant actuarial assumptions used in the valuations as of May 1, 2024 were (a) life expectancy of participants (ERISA Section 4044 Mortality Rates for Healthy males and females for 2024; for disabled participants ERISA Morality Rates for Disabled males and females if not eligible for Social Security disability benefits for 2024), (b) retirement age assumptions (the assumed average retirement age was 65 or valuation date if later) and (c) investment return of 8.50%. In order to reflect the closing of the Concord Hotel as of November 1998, the withdrawal assumption used in the actuarial valuation was changed to 100% for all active participants (i.e., all participants are assumed terminated during the plan year beginning May 1, 1998).

NOTE 3 - FUNDING POLICY

The Plan was terminated with a notice of termination filed with the PBGC during August 2001. Section 412 of the Internal Revenue Code (IRC) only applies to the last day of the plan year in which the Plan terminates. Therefore section 412 of the IRC, Minimum Funding, does not apply.

NOTE 4 - PLAN TERMINATION

Since the Plan has no contributing employers, it has filed for termination status regarding funding requirements with the Internal Revenue Service. The Plan continues to pay benefits to qualified retirees.

At April 30, 2024, the Plan's accrued vested liability exceeded its assets by \$4,186,193.

The computation of the actuarial present value of accumulated Plan benefits were made as of May 1, 2024. Had the valuation been performed as of April 30, 2024, there would be no material difference.

LOCAL 76 RESORT HOTEL INDUSTRY PENSION FUND
NOTES TO FINANCIAL STATEMENTS
April 30, 2025 and 2024

NOTE 4 - PLAN TERMINATION (continued)

The PBGC is holding a liability on their books for this Plan. The Plan is classified as a wasting trust which means the market value of assets are not sufficient enough to pay the appropriate benefit amounts to the remaining retired and terminated vested participants. The PBGC began providing financial assistance in April 2011 in accordance with the terms of the Security Agreement.

The Plans actuary adjusted the future benefit payments in accordance with the PBGC maximum guaranteed benefit for each participant.

The PBGC is overseeing the Plan operations, and the Plan administrator will continue to administer the Plan and make benefit payments.

NOTE 5 - INSOLVENCY AND THE PENSION BENEFIT GUARANTY CORPORATION FINANCIAL ASSISTANCE

During the year ended April 30, 2010, the Plan prepared a notice of insolvency to the PBGC. In connection with this notice, the Plan submitted an application for financial assistance requesting that the PBGC provide supplemental funding for payment of benefits and reasonable administrative expenses incurred by the Plan after the depletion of existing Plan assets. On April 15, 2011, the plan signed a promissory note and entered into a Security Agreement with the PBGC and the PBGC began providing financial assistance to the Plan. Under the Security Agreement, the Plan granted a security interest in certain collateral to the PBGC consisting of rights to all amounts due to the Plan to receive employer contributions or payable to the Plan as a withdrawal liability.

During the year ended April 30, 2025 and 2024, the Plan from the PBGC received financial assistance of \$478,000 and \$525,100, respectively.

As of April 30, 2025 and 2024, the total cumulative assistance received, including accrued interest, was 13,355,624 and \$11,907,164, respectively. Accumulated unpaid interest (7% from May 1, 2023 to September 30, 2023; 8% beginning October 1, 2023 thru December 31, 2024 and 7% beginning January 1, 2025) was approximately \$4,320,240 and \$3,359,733, respectively.

For the years ended April 30, 2025 and 2024, the accrued interest liability assessed was approximately \$960,507 and \$850,900, respectively.

NOTE 6 - INCOME TAX STATUS

The Plan has obtained a favorable tax determination letter from the Internal Revenue Service (IRS) as of November 20, 1995 and the Plan sponsor believes that the Plan, as amended, continues to qualify and operate as designed. However, the Plan Administrator is unable to locate the determination letter and cannot determine whether the plan document conforms with current IRS regulations.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities, however, there are currently no audits for any tax period in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

NOTE 7 - SUBSEQUENT EVENTS

In preparing the accompanying financial statements, the Plan has reviewed events that have occurred subsequent to April 30, 2025, through the date of issuance of these financial statements on February 6, 2026.

NOTE 8 - RISKS AND UNCERTAINTIES

The actuarial present value of accumulated Plan benefits is reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would-be material to the financial statements.

NOTE 9 - ADMINISTRATIVE EXPENSES AND PARTY IN INTEREST TRANSACTIONS

For the years ended April 30, 2025 and 2024, administrative expenses primarily consist of monthly plan administration and accounting fees paid to the Plan administrator totaling \$44,992 and \$44,110, respectively. For the years ended April 30, 2025 and 2024, professional fees paid for actuarial, legal and audit services are \$21,705 and \$22,235, respectively. These transactions are considered party in interest transactions under ERISA. For the years ended April 30, 2025 and 2024 the total administrative expenses were \$69,525 and \$68,535 respectively.
