Report of Independent Auditors

Board of Trustees
The South Carolina Bar Group Insurance Trust

Opinion

We have audited the financial statements of The South Carolina Bar Group Insurance Trust (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), which comprise the statement of net assets available for plan benefits as of April 30, 2025, and the related statement of changes in net assets available for plan benefits for the period from inception (March 27, 2024) through April 30, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of April 30, 2025, and the changes in its net assets available for benefits for the period from inception (March 27, 2024) through April 30, 2025, in accordance with accounting principles generally accepted in the United States.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Board of Trustees
The South Carolina Bar Group Insurance Trust

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, as listed in the table of contents, as of or for the period from inception (March 27, 2024) through April 30, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of Plan

Organization

The South Carolina Bar Association (the “Sponsor”) sponsors a health and welfare insurance plan and trust (the “Plan”), formed on March 27, 2024 (“Inception”), for the purpose of offering group health insurance and other welfare benefits to member firms. The general purpose of the Plan is to provide participating employers’ employees with health, dental, and vision benefits through insurance policies issued by licensed insurance carriers.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the Internal Revenue Code (“IRC”). The Plan is periodically amended, as necessary, to comply with the applicable requirements of ERISA, the IRC, and to help achieve the business objectives of the Sponsor.

Participants may refer to the Plan’s documents for more complete information.

Eligibility of Participants

Employer participation in the Plan is limited to employers that are members of the Plan Sponsor and must be engaged in the practice of law in South Carolina for the duration of the time the employer is participating in the Plan. Employee eligibility is based on the criteria selected by each participating employer. Each employer may select their employees’ eligibility and entry requirements, as long as the rules are permitted by law, the trust agreement, and the insurers.

Contributions

Contributions are paid monthly by the participating employers and vary based on the requirements of the applicable insurance policy in which the employer is participating.

Insurance Premiums

The Plan uses contributions to pay insurance premiums to the insurance carriers on behalf of the participating employers. Premiums paid to insurance carriers are remitted monthly based on the negotiated coverage rates established by the insurance policies.

Benefits

The Plan fully insures health, dental, and vision benefits. The Plan purchases annual insurance contracts for these insured benefits with Blue Cross Blue Shield of South Carolina (“BCBS”). Premiums for all insured benefits are paid from the assets of the Plan.

1. Description of Plan (continued)

Termination of the Plan

The Sponsor reserves the right to terminate the Plan at any time at the Sponsor's discretion. Upon termination of the Plan, all benefits will cease. Plan assets existing at the time of termination will be allocated first to expenses associated with administering the Plan followed by payment to plan liabilities incurred but unpaid as of the date of termination. The Sponsor will then provide for the distribution of any remaining assets to the cost of any successor accident, sickness, or health care program adopted by the trustees of the Plan for the benefit of employees, former employees, and retirees of the participating employers at the time of termination.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared in accordance with accounting principles generally accepted in the United States ("US GAAP").

Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Administrative Fee Receivable

During 2024, the Plan entered into a broker sales agreement with an unrelated third party. Under the agreement, the Plan is subject to reimbursement of 2% of monthly medical paid premiums to cover health insurance administrative fees. As of April 30, 2025, the Plan had not yet received any reimbursements and approximately \$3,100 is recorded as administrative fee receivable in the accompanying statement of net assets available for plan benefits. Management believes the full amount is collectible and no allowance for credit losses was recorded for the period from Inception through April 30, 2025.

3. Filing Status

The Plan operates as a Multiple Employer Welfare Arrangement under ERISA and provides welfare benefits to employees of unrelated employers. The Plan is funded through a trust that is established and qualifies as a Voluntary Employee's Beneficiary Association, which is tax-exempt under Section 501(c)9 of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan administrator believes the Plan was designed and is currently operating in compliance with the applicable requirements of the IRC.

For the period from Inception through April 30, 2025, operational errors were discovered, relating to participating employers not adhering to the Plan's participating employer agreements, which resulted in incorrect eligibility of participants. As of the date the financial statements were available to be issued, management has not completely determined the extent of the errors and has not quantified the impact on the Plan's financial statements. Management expects to fully correct these operational errors during 2026 in order to preserve the Plan's tax exempt status.

US GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. No such liabilities were identified for the period from Inception through April 30, 2025. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

4. Related Party Transactions

From the period of Inception to April 30, 2025, the Sponsor of the Plan made contributions of approximately \$250 to the Plan and paid approximately \$14,000 of administrative fees on behalf of the Plan. These transactions are exempt from the prohibited transaction rules of ERISA.

5. Subsequent Events

Management evaluated events and transactions after April 30, 2025 through February 13, 2026, the date on which the financial statements were available to be issued, for subsequent events, and determined that there were no subsequent events to report.
