Re: Request for Abatement of Late Filing Penalty – Form 5500-SF

Plan Name: Stonecrest Capital Markets, Inc.

Plan Number: 001

EIN: 56-1943573

Plan Year End: 12/31/2024

To Whom It May Concern:

We are writing regarding the Form 5500-SF for Stonecrest Capital Markets, Inc. for the plan year ended December 31, 2024, which was filed after the original due date, and to request abatement of the related late-filing penalties on the basis of reasonable cause.

Reason for late filing:

Our home office operates with a very small administrative staff. The individual responsible for coordinating our plan compliance filings also has primary responsibility for our accounting and other day-to-day administrative functions. During the period when the Form 5500-SF was due, our small home-office staff was responsible for several competing regulatory and operational deadlines. Although we maintain a compliance calendar and established procedures for required filings, the Form 5500-SF due date was inadvertently overlooked in this unusually busy period, and the filing was not completed by the deadline. This was an administrative oversight in a lean operation, not an attempt to avoid our filing obligations.

Ordinary business care and prudence:

In prior years, the Plan's Form 5500-SF has been filed on a timely basis, and we take our reporting responsibilities seriously. We use a compliance calendar and internal checklists to track our recurring filing obligations, and we rely on our internal accounting function to coordinate with our service providers as needed.

Once we became aware that the Form 5500-SF for the year ended December 31, 2024 had not been filed, we acted promptly to gather the necessary information, complete the return, and submit a complete and accurate filing.

Corrective actions taken

To prevent a recurrence of this type of oversight, we have taken the following steps:

1. Enhanced our compliance calendar to include multiple reminders in advance of the Form 5500-SF due date (original and extended, if applicable);
2. Assigned a secondary internal reviewer to verify that the annual Form 5500-SF has been prepared and successfully transmitted each year; and
3. Implemented a requirement that our plan administrator document and retain confirmation of EFAST2 acceptance for each filing.

Request for relief

In light of the Plan's overall good-faith compliance, the constraints of our small home-office operation, the prompt corrective action once the oversight was discovered, and the additional controls now in place, we believe the late filing was due to **reasonable cause and not willful neglect**.

We respectfully request that the late-filing penalties associated with the Form 5500-SF for the plan year ended December 31, 2024 be abated in full.

Please let us know if any additional information or documentation would assist in your review of this request.

Sincerely,

DocuSigned by:
