Fee and Compensation Report Form 5500 Schedule C ENVIRONMENTAL ACTION 401(K) PLAN

This report estimates the indirect compensation, other than Eligible Indirect Compensation (EIC), paid by your Plan through its service arrangement with our firm and the investment alternatives made available through our platform. Eligible Indirect Compensation (variable fund fees, fund revenue and Voya daily asset charges) is not required to be reported on Schedule C and has been separately provided to the plan.

For purposes of this report, "indirect compensation" is compensation that a service provider receives from sources other than the Plan directly or from the plan sponsor in connection with services rendered to the Plan during the plan year or the person's position with the Plan.

This report is for plan sponsor or TPA use only in completing Schedule C to the Form 5500 and is not intended for use with plan participants. For more information on the identity of the fund service providers please refer to the prospectus for each fund.

Special Note

(*) Voya Retirement Insurance and Annuity Company - VRIAC direct fees on Line 2. Please see Sponsor Activity or Access report for additional information about VRIAC direct fees.
The only direct compensation reported here are Managed Accounts Fees which are not applicable to all plans. Any other direct compensation associated with the plan can be found within the plan activity section of these reports.
