INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Health Trust Committee of
Edgewood Management Corp. Voluntary Employee Benefit Plan
Gaithersburg, Maryland

Opinion

We have audited the accompanying financial statements of Edgewood Management Corp. Voluntary Employee Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended (modified cash basis), and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Edgewood Management Corp. Voluntary Employee Benefit Plan as of December 31, 2024 and 2023 (modified cash basis), and the changes in its net assets available for benefits (modified cash basis) for the years then ended, in accordance with the modified cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Edgewood Management Corp. Voluntary Employee Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describe the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

To the Plan Administrator and Health Trust Committee of
Edgewood Management Corp. Voluntary Employee Benefit Plan

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Edgewood Management Corp. Voluntary Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Edgewood Management Corp. Voluntary Employee Benefit Plan's ability to continue as a going concern for a reasonable period of time.

To the Plan Administrator and Health Trust Committee of
Edgewood Management Corp. Voluntary Employee Benefit Plan

Auditor’s Responsibilities for the Audit of the Financial Statements (Cont.)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules (modified cash basis) of Schedule H, line 4i – schedule of assets (held at end of year) and Schedule H, line 4a – schedule of delinquent participant contributions as of and for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules (modified cash basis), we evaluated whether the supplemental schedules (modified cash basis), including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules (modified cash basis) is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

Edgewood Management Corp. Voluntary Employee Benefit Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

Note 1 - Description of Plan

The following description of Edgewood Management Corp. Voluntary Employee Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan provides group medical, vision, dental, basic life, voluntary life, supplemental life, accidental death and dismemberment, short-term disability and long-term disability insurance covering substantially all employees Edgewood Management Corporate d/b/a Pratum Companies- Management and Advisory Services and the properties managed by Edgewood Management Corporate d/b/a Pratum Companies- Management and Advisory Services (the Sponsors). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Benefits: Employees of the Sponsors and their dependents are eligible for benefits on the first day of the month following 60 days of employment. Members of the Board of Directors of the participating companies are also eligible to participate in the Plan.

Short term disability claims and medical and dental claims of active and retired participants and their dependents are processed by a third-party administrator, but the responsibility for payments to participants and providers is retained by the Plan.

Stop-Loss Coverage: The Sponsors carry stop-loss insurance for claims over a specified amount as specified in the agreement with the reinsurance carrier, with the premiums being paid by funds deposited in the Plan.

Contributions: The Sponsors make monthly payments to the Plan in amounts necessary for the payment of all claims and reasonable administrative expenses of the Plan, as determined by the Trustees. Employees are required to make payments to the Plan, as determined by the Trustees, to cover part of the cost of providing benefits.

COBRA (Consolidated Omnibus Budget Reconciliation Act): The Plan is required by law to offer continuation of benefits for a specified period of time to qualified employees and their dependents who would not otherwise be eligible for continued coverage because of a particular qualifying event. Each qualifying individual pays his/her premium directly to the administrator.

Note 2 - Summary of Accounting Policies

Basis of Accounting

The Plan's accounts are maintained, and the accompanying financial statements are presented, on the modified cash basis of accounting, under which investment and reinsurance activity are accounted for on the accrual basis. All other items of income and expense, and deferred expenses, which would be recognized on the accrual basis under accounting principles generally accepted in the United States of America, and which may be material in amount, are not reflected in the accompanying financial statements.

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments

Investments are carried at estimated fair value. The estimated fair value of investments that have no quoted market price is determined based on yields equivalent for such securities or for securities of comparable maturity, quality, and type as obtained from market makers.

Cash Equivalents

Cash and cash equivalents represent deposits in checking, savings, and money market accounts and certificates of deposit with maturities of ninety days or less.

Administrative Fees

The Plan pays all significant costs of administering the Plan.

Income Tax Status

The modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 2 - Summary of Accounting Principles (Cont.)

Income Tax Status (Cont.)

The Trust, established under the Plan to hold the assets, is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code and accordingly, the Trust's net investment income is exempt from income taxes. The Trust obtained a favorable tax determination letter from the Internal Revenue Service dated November 4, 1982, and the Plan Sponsor believes that the Trust, as amended, continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code.

Payment of Benefits

Premiums paid by either the Sponsor or the Trust are recorded as premium payments in the accompanying statements of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have yet to be reimbursed by the Plan and claims incurred but not reported to the Plan are disclosed in Note 7 of the financial statements.

Note 3 - Concentration of Cash Balances

The Plan maintains its cash and cash equivalents with a commercial financial institution, which aggregate balance, at times, may exceed the Federal Deposit Insurance Corporation (FDIC) insured limit of \$250,000 per depositor per institution.

Note 4 - Investments

The Plan's investments at December 31, 2024 and 2023 consist of money market funds valued at \$158,028 and \$152,694, respectively.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 5 - Fair Value Measurement

ASC 820-10 Fair Value Measurements establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under *FASB ASC 820* are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Level 1 Fair Value Measurements

Investments whose values are based on quoted market prices in active markets, and are, therefore classified with Level 1, include money market funds held in brokerage accounts.

	Level 1	Level 2	Level 3	Total
Money market funds	\$ 152,694	\$ -	\$ -	\$ 152,694

Note 6 - ERISA Disclosures

In the event of Plan termination, the Sponsors must pay the claims incurred and expenses of the Plan up to the date of termination plus extended benefits, if any, provided under the Plan.

Note 7 - Benefit Obligations

The Plan pays for the medical and dental claims of active participants and their dependents. The Sponsors and their employees make monthly payments to the Plan for timely payment of all claims. The Plan has stop-loss insurance covering claims in excess of \$100,000, per family. The Plan reports benefit obligations when paid by the Plan, therefore there were no claims payable for the years ended December 31, 2024 and 2023.

Plan obligations for claims incurred but not reported are estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrators on a quarterly basis. A method was used that applies a factor (the reserve factor) to a credible best estimate volume measurement of paid claims to arrive at the estimate of claims incurred but not reported. Due to the short nature of this reserve liability, time value of money was not used to discount future payments. The amount of claims incurred but not reported as of December 31, 2024 and 2023 was approximately \$288,000 and \$371,000, respectively. Such estimates are based upon known claims subsequently processed and prior years' claims history. It is reasonably possible, due to the inherent limitations involved in the estimation process, that the actual amount of incurred claims but not paid could be materially in excess of the estimate at December 31, 2024 and 2023. There were no material changes in the key factors or assumptions used to estimate claims incurred but not reported between December 31, 2024 and 2023 that warrant additional disclosure.

Note 8 - Reportable Transactions

A reportable transaction is a transaction, or series of transactions, exceeding five percent of current value of the Plan's assets at the beginning of the year. During the plan year ended December 31, 2024 there were no reportable transactions. During the plan year ended December 31, 2023 there was one reportable transaction, the sale of a CD for \$250,000.

Note 9 - Related Party Transaction

Edgewood Management Corporation, participating Plan employers, receive a fee for administration of the Plan's contributions. The fee represents an allocation of salary and benefits of two employees who administer the Plan, based upon the relative time spent working on the Plan compared to their other duties. The deduction from net assets for the year ended December 31, 2024 and 2023 was \$187,185 and \$162,317, respectively. Under ERISA, such transactions qualify as party-in-interest transactions.

Note 10 - Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 11 - Plan Termination

Although it has not expressed any intention to do so, the Plan's Board of Trustees has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA.

Note 12 - Ownership and Name Change

On August 11, 2023 there was a change of ownership of Mid-City Corporation/Edgewood Management Corporation (the Employer). As a result "Mid-City Financial" and "Community Services Foundation" will no longer be affiliated employers participating in the Plan. Effective September 1, 2023, Mid-City Corporation has transferred Plan and Trust sponsorship to Edgewood Management Corporation. As a result of the change in sponsorship, the name of the Trust and Plan was also changed. The new name of the Trust has changed to "Edgewood Management Corp. Voluntary Employee Benefit Trust". The name of the Plan has changed to "Edgewood Management Corp. Voluntary Employee Benefit Plan". The Plan's federal employer identification number (EIN) changed to 52-1491854. The plan was amended to reflect the change in sponsorship and participating employers effective September 1, 2023. In July 2024, the name of the plan sponsor legal name was changed to "Edgewood Management Corporation d/b/a Pratum Companies- Management and Advisory Services".

Note 13 - Difference Between Financial Statements and Form 5500 Reporting for Interest-Bearing Cash

Interest-bearing cash held by the plan is classified as cash and cash equivalents in the financial statements because it is maintained primarily for liquidity and operational purposes rather than long-term investment. However, for Form 5500 reporting purposes, all interest-bearing cash accounts are treated as investments on Schedule H, regardless of whether they are held for investment purposes or not. Accordingly, these accounts are reported under “Interest-Bearing Cash” on Schedule H, Part I, line 1c(1). In addition, to maintain consistency with Form 5500 treatment, all interest-bearing cash accounts held at year-end are included in the Supplemental Schedule of Assets (Held at End of Year) required under Schedule H, line 4i. This ensures that the supplemental schedule reconciles to the Form 5500 presentation, even though the financial statements classifies these balances as cash equivalents rather than investments.

Note 14 - Subsequent Events

The Plan has evaluated the impact of significant subsequent events. There have been no subsequent events through, October 20, 2025, the date the financial statements were available to be issued, that require recognition or disclosure.
