INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of MINACT, Inc.
MINACT, Inc. Group Health Plan and Trust
Jackson, Mississippi

Opinion

We have audited the accompanying financial statements of MINACT, Inc. Group Health Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and plan benefit obligations as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in plan benefit obligations for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of MINACT, Inc. Group Health Plan and Trust as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and changes in plan benefit obligations for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MINACT, Inc. Group Health Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 7 to the financial statements, in August 2025, MINACT, Inc.'s board of directors resolved to liquidate MINACT, Inc. and cease operations by March 31, 2026. The Plan does not have any intent to continue after liquidation of the Company and after incurred claims have been submitted and paid. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MINACT, Inc. Group Health Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MINACT, Inc. Group Health Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MINACT, Inc. Group Health Plan and Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

MINACT, Inc. Group Health Plan and Trust Notes to Financial Statements

Note 1: DESCRIPTION OF THE PLAN

The following description of the MINACT, Inc. Group Health Plan and Trust (the “Plan”) provides only general information. Refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a health and welfare benefit plan, which provides health benefits through a trust covering substantially all employees of MINACT, Inc. (the “Company” or “Sponsor”). It is subject to the provisions of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The Company is the Plan Administrator, and the Board of Directors of the Company is responsible for oversight of the Plan.

Eligibility

The Plan provides certain major medical and accidental injury benefits to all full-time employees working at least thirty-two hours per week, generally beginning the first day of the month coinciding with or following the date of employment. The Plan also provides benefits to certain defined dependents and eligible employees.

Contributions

Contributions are determined from time to time by the Plan sponsor. Such contributions are to be established at a level to insure the solvency of the Plan. It is expected that the excess of benefit obligations over net assets available for benefits, if any, will be funded through future contributions, based on cash needs. The Company funds the majority of the total contributions for active employees.

Claims

The Plan is self-insured, with reinsurance to cover the excess over certain specific and aggregate stop loss limitations. Premiums paid by the Plan are recorded as premium payments in the accompanying statement of changes in net assets available for benefits. Claims payments are recorded when paid by the third-party claims administrator. Estimated claims incurred but not reported are based on historical data. Claims in excess of amounts contributed by participating employees and the employer, if any, are paid by the Company.

Reinsurance

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured medical benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims). Reinsurance recoverables related to medical claims incurred prior to year-end are recorded as a Plan asset and also a Plan liability since reinsurance recoveries are sent directly to the Plan Sponsor to reduce employer contributions.

Amounts recovered or recoverable from reinsurance arrangements approximated \$572,000 in 2024.

MINACT, Inc. Group Health Plan and Trust Notes to Financial Statements

Note 1: DESCRIPTION OF THE PLAN (Continued)

Unpaid Claims

Unpaid claims represent the estimated liabilities for medical and pharmacy claims reported to the Plan at December 31, 2024 and 2023, plus an estimated provision for medical and pharmacy claims incurred but not reported at that date. These liabilities were determined using both evaluations of reported claims and historical data.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

Use of Estimates

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets and changes in plan benefit obligations during the reporting period. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators and the actuary. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

Risks and Uncertainties

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.

Although cash balances are insured by the Federal Deposit Insurance Corporation up to \$250,000, management believes cash held in excess of this limit (approximately \$291,000 at December 31, 2024) subjects the Plan to minimal risk.

MINACT, Inc. Group Health Plan and Trust Notes to Financial Statements

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Plan Modifications and Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to active participants, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA.

Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, February 11, 2026. See Note 7 for relevant disclosures. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

Note 3: TAX STATUS

The Plan's Trust is taxable under the provisions of the Internal Revenue Code of 1986, as amended. Operations of the Trust have not resulted in income tax liabilities in the past. To the extent that any taxes may be paid by the Trust, such amounts will be reimbursed by future employer contributions.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 4: PLAN AMENDMENT AND TERMINATION

Although it has not expressed any intent to do so, MINACT, Inc. has the right under the Plan to amend, suspend, or to terminate the Plan, in whole or in part, subject to the provisions set forth in ERISA. If the Plan is terminated, the rights of the Plan participants are limited to expenses incurred before termination.

Note 5: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan pays administrative expenses that consist primarily of administrative fees paid to a third-party claims administrator. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan. These transactions are party-in-interest transactions under ERISA.
