## INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of  
Operating Engineers Local No. 139  
Health Benefit Fund Medicare Preferred (PPO)  
with Senior Rx Plan

### Opinion

We have audited the accompanying financial statement of Operating Engineers Local No. 139 Health Benefit Fund Medicare Preferred (PPO) with Senior Rx Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of changes in net assets available for benefits for the year ended May 31, 2025 and period from January 1, 2024 (inception) through May 31, 2024, and the related notes to the financial statement.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the changes in net assets available for benefits of the Plan for the year ended May 31, 2025 and the period from January 1, 2024 (inception) through May 31, 2024 in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that is free from material misstatement, whether due to fraud or error.

## **Responsibilities of Management for the Financial Statement (continued)**

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statement is available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statement are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statement**

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## OPERATING ENGINEERS LOCAL NO. 139 HEALTH BENEFIT FUND MEDICARE PREFERRED (PPO) WITH SENIOR RX PLAN

### NOTES TO FINANCIAL STATEMENT

YEAR ENDED MAY 31, 2025 AND PERIOD FROM  
JANUARY 1, 2024 (INCEPTION) THROUGH MAY 31, 2024

#### NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Operating Engineers Local No. 139 Health Benefit Fund Medicare Preferred (PPO) with Senior Rx Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

**General** - The Board of Trustees of the Operating Engineers Local 139 Health Benefit Fund (the Trustees) established, effective January 1, 2024, the Operating Engineers Local 139 Health Benefit Fund Medicare Preferred (PPO) with Senior Rx Plus Plan (the Plan) to provide certain health benefits to its eligible retirees and family members. The Plan is administered by the Trustees consisting of a union group and an employer group of representatives, each having equal voting power.

**Benefits** - The Plan is fully-insured. Benefits are provided under a group insurance contract that provides health, dental, vision, and prescription drug benefits. These benefits are provided for eligible retirees and their dependents.

**Other** - The Plan's Trustees, as Sponsor, has the right under the Plan to modify the benefits provided. The Plan may be terminated only by joint agreement between industry and union, subject to the provisions set forth in ERISA.

#### NOTE 2. SUMMARY OF ACCOUNTING POLICIES

**Basis of Accounting** - The accompanying financial statement has been prepared using the accrual basis of accounting. Under this basis, revenue is recognized when earned and expenses are recognized when incurred.

**Contributions** - Contributions reported on the financial statement include amounts allocated from retiree contributions made to the Operating Engineers Local 139 Health Benefit Fund, sufficient to cover the insurance premium expenses of the Plan.

**Payment of Benefits** - Insurance premiums are recognized when paid on the statement of changes in net assets available for benefits.

## NOTE 2. SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

**Administrative Expenses** - Administrative expenses are paid on behalf of Plan by the Operating Engineers Local 139 Health Benefit Fund.

**Use of Estimates** - The preparation of financial statement in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Postretirement Benefit Obligations** - Postretirement benefit obligations represent the actuarial present value of those estimated future benefits that are attributed by the terms of the Plan to employees' service rendered to the date of the financial statement, reduced by the actuarial present value of contributions expected to be received in the future from current Plan participants. Postretirement benefits include future benefits expected to be paid to or for (1) currently retired or terminated employees and their beneficiaries and dependents and (2) active employees and their beneficiaries and dependents after retirement from service with participating employers. The postretirement benefit obligations represent the amounts that are to be funded by contributions from the Plan's participating employers and from existing Plan assets.

The actuarial present value of expected postretirement benefit obligations is determined by an actuary and is the amount that results from applying actuarial assumptions to historical claims-cost data to estimated future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

The following were the significant assumptions used in the valuations as of May 31, 2025 and 2024:

	<u>May 31, 2025</u>	<u>May 31, 2024</u>
Discount rate	6.20%, compounded annually	5.50%
Health trend rates	25.00%, then 7.30% graded to 3.70% over 48 years	16.5%, then 8.75% graded to 4.5% over 13 years
Retiree contribution increase rate	0.00%, then 7.30% graded to 3.70% over 48 years	0.00% for 5 years, then equal to health trend

## NOTE 2. SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

	May 31, 2025	May 31, 2024
Postretirement mortality rate		
Healthy	Pri-2012 Blue Collar Dataset Retiree/Employee Headcount Weighted Mortality Table with Projection Scale MP-2021 adjusted by 1.10 for males and females	110% of Headcount Weighted Pri-2012 Blue Collar Healthy Annuitant Mortality Table, projected generationally from 2012 with Scale MP-2021
Disabled	Pri-2012 Disabled Headcount Weighted Mortality Table with Projection Scale MP-2021	Pri-2012 Disabled Retiree Mortality Table, projected generationally from 2012 with Scale MP-2021

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to be terminated, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligations.

As of May 31, 2025, the Plan does not have a postretirement benefit obligation as projected retiree contributions are expected to fund the future benefit obligations of the Plan.

## NOTE 3. TAX STATUS

The Plan is administered under the same trust as the Operating Engineers Local 139 Health Benefit Fund. The trust is qualified pursuant to Section 501(c)(9) of the Internal Revenue Code (IRC) as a tax-exempt organization. The Plan administrator believes that the Plan, as amended, continues to qualify and to operate in accordance with applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities.

As of May 31, 2025 and 2024, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statement. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **NOTE 4. SUBSEQUENT EVENTS**

Subsequent events have been evaluated through February 9, 2026, which is the date the financial statement was available to be issued. This review and evaluation revealed no material event or transaction which would require an adjustment to or disclosure in the accompanying financial statement.
