A notice was received February 5th 2026 saying that the final tax return for 2022 was not filed correctly even the notice indicates it's December 31 2023.

The notice if it's a final tax return there should be amount at the end of the playing year and participants at the plan year.

The original filing did have participants at the plan year This amendment is correcting that whereas there is no participants at the plan year.

The original filing was done on time and the date that filing was received was 7/17/2023.
