## INDEPENDENT AUDITOR'S REPORT

To the Trustees of Hardtner Medical Center  
Employee Benefit Plan & Trust

### **Opinion**

We have audited the accompanying financial statements of Hardtner Medical Center Employee Benefit Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of May 31, 2025 and 2024, and the related statement of changes in benefit obligations and net assets available for benefits for the year ended May 31, 2025 and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Hardtner Medical Center Employee Benefit Plan & Trust as of May 31, 2025 and 2024, and the changes in its net assets available for benefits for the year ended May 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hardtner Medical Center Employee Benefit Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hardtner Medical Center Employee Benefit Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hardtner Medical Center Employee Benefit Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hardtner Medical Center Employee Benefit Plan & Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Note 1 - Description of the Plan***

The Hardtner Medical Center Employee Benefit Plan & Trust (the Plan) provides medical, prescription life and accidental and death benefits covering substantially all employees of Hardtner Medical Center (the Center). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan provides benefits (medical, hospital, surgical, major medical, life, prescription) that cover permanent, full-time employees of the Center that fall within the eligibility classifications of the Center and choose to participate following the employee waiting period. The employee waiting period for all new employees is satisfied the first of the month following 60 days of full-time employment. The Plan also provides continuation coverage as required by the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) for qualified beneficiaries who would otherwise have lost coverage under the plan. Retirees of the Center are not covered by the Plan.

The Plan provides benefits through a funding arrangement that includes a trust, which is funded by the plan sponsor and/or the participating employees, and with insurance to protect the plan against unpredictable excess claims. Under the plan agreement, the Center contributes in cash to the plan in a manner and at such time determined by a committee, which is a plan fiduciary. Employees contribute to the plan in order to participate. The contribution is based on the coverage elected by the participants (i.e. single, family, etc.) and their participant class. Former members covered under COBRA make contributions to the plan for continuation of health coverage.

Medical benefits are provided on a partially self-insured basis. The plan sponsor, Hardtner Medical Center, has purchased insurance contracts to protect the plan against excessive or unpredictable claims. The insurance contracts include specific loss provisions that cover claims in excess of \$75,000 for each individual covered under the medical plan. The insurance contracts also include aggregate loss provisions that cover the combined claims for all participants of the plan when the qualified claims for the plan year exceed a stated amount. The stated amount under the aggregate loss provisions was approximately \$3,248,075 as of May 31, 2025.

Although it has not expressed the intent to do so, the plan sponsor has the right to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. Funds contributed to the plan are irrevocably restricted for the use and provision of benefits to company employees.

The foregoing description of the plan provides only general information. Employees should refer to the Summary Plan Description & Plan Document for a more complete description of the plan's provisions.

**Note 2 - Summary of Significant Accounting Policies**

*Basis of accounting* – The financial statements of the Plan are prepared under the accrual basis of accounting.

*Investment valuation and income recognition* – Investments, if any, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the plan's valuation policies utilizing information provided by the investment custodians. See Note 8 for discussion of fair value measurements.

*Use of estimates* – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, benefit obligations, and changes therein; claims incurred but not reported; eligibility credits; claims payable; and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

*Payment of benefits* – Health claims and insurance premiums are reported when paid. Any refunds due to overpayments, subrogation, or adjustments are recorded in the period received and are shown netted with benefit payments.

*Cash* – Cash in the Plan consists of cash held in a noninterest-bearing bank account. Checks issued in excess of available balances are included in accounts payable and accrued liabilities. Claims of the Plan are handled by its third-party administrator, Blue Cross Blue Shield of Louisiana. Blue Cross Blue Shield of Louisiana pays all of the claims through a funding arrangement with the Plan.

*Benefit obligations* – Benefit claims currently payable include the Plan's liability for claims incurred and processed before May 31, 2025. The Plan's liability for claims incurred but not reported (IBNR) included claims incurred before May 31, 2025 but processed after May 31, 2025. Additional IBNR is estimated based on prior claims experience and the expected time period from the date claims are incurred to the date that the related claims are submitted and paid.

**Note 3 - Fidelity Bond**

ERISA requires every fiduciary of an employee benefit plan and every person who handles funds of the plan to maintain fidelity bond coverage equal to 10% of the amount of plan assets. The trustee (fiduciary) does maintain such a bond.

**Note 4 - Tax Status**

The plan and trust is no longer pursuing tax exempt status. However, taxable income to the trust is defined in such a way that yields no tax liability for the current year. Accordingly, no tax liability or expense is reflected in the financial statements. The plan is current with all tax filings and is no longer subject to federal income tax examinations by taxing authorities before May 31, 2022.

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance, the Plan may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. There were no unrecognized tax benefits identified or recorded as liabilities for the year ended May 31, 2025.

**Note 5 - Administrative Expenses**

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators, the trustee and actuary. These expenses are reported on the statement of changes in benefit obligations and net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Plan Sponsor on behalf of the Plan.

**Note 6 - Reconciliation of Financial Statements to Form 5500**

The following is a reconciliation of net assets available for benefits per the accompanying May 31, 2025 and 2024 financial statements to the Form 5500:

	<u>2025</u>	<u>2024</u>
Net assets available for benefits		
per the financial statements	\$ 221,846	\$ 251,342
Benefit obligations currently payable (health claims)	<u>(134,153)</u>	<u>(175,337)</u>
Net assets available for benefits per the Form 5500	<u>\$ 87,693</u>	<u>\$ 76,005</u>

**Note 6 - Reconciliation of Financial Statements to Form 5500 (continued)**

The following is a reconciliation of benefits paid to participants per the financial statements to the Form 5500 for the year ended May 31, 2025:

	<u>2025</u>
Benefits paid to participants per the financial statements	\$ 2,247,615
Add: Amounts payable at end of year	134,153
Less: Amounts payable at beginning of year	<u>(175,337)</u>
Benefits paid to participants per the Form 5500	\$ <u>2,206,431</u>

Amounts currently payable to or for participants, dependents, and beneficiaries are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to May 31, 2025, but not yet paid as of that date.

**Note 7 - Related Party Transactions**

The plan sponsor, Hardtner Medical Center, provided medical services to plan participants during the year. The Plan was not required to reimburse the plan sponsor for expenses incurred in relation to health care services provided to participants. All payments to the plan sponsor were processed and in the same manner as all other claims paid by the plan, except no payments were made to the plan sponsor from the plan. The total of these "No-Pay" claims was \$2,244,429 for the plan year ended May 31, 2025.

**Note 8 - Fair Value Measurements**

The framework for measuring fair values provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurement are described as follows:

HARDTNER MEDICAL CENTER  
EMPLOYEE BENEFIT PLAN & TRUST  
EIN 72-0652984  
Plan #501

---

Notes to Financial Statements  
May 31, 2025

---

**Note 8 - Fair Value Measurements (continued)**

- Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the trust has the ability to access.
- Level 2 inputs to the valuation methodology include the following:
  - Quoted prices for similar assets or liabilities in active markets
  - Quoted prices for identical or similar assets or liabilities in inactive markets
  - Inputs other than quoted prices that are observable for the asset or liability
  - Inputs that are derived principally from, or corroborated by, observable market data by correlation or other meansIf the asset or liability has a specified (contractual) term, the level 2 must be observable for substantially the full term of the asset or liability.
- Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The fair value of financial instruments, including cash, approximate the carrying value, principally because of the short maturity of those items and are considered Level 1 or Level 2.

**Note 9 - Date of Management's Review**

The Plan evaluated its May 31, 2025 financial statements for subsequent events through February 13, 2026, the date of which the financial statements were available to be issued.

**Note 10 - Risks and Uncertainties**

The present value of benefit obligations is reported based on assumptions pertaining to participants' past and future health care costs. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term could be material to the financial statements.

***Note 11 - Plan Termination***

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.
