Abatement Workers National Defined Contribution Pension Plan

Troy, MI. 48099-2808

**INDEPENDENT AUDITOR'S REPORT**

To the Board of Trustees:

**Opinion**

We have audited the financial statements of Abatement Workers National Defined Contribution Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of May 31, 2025 and 2024 and statements of changes in net assets available for benefits for the years ended May 31, 2025 and 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Abatement Workers National Defined Contribution Pension Plan as of May 31, 2025 and 2024 and the changes in its net assets available for benefits for the years ended May 31, 2025 and 2024 in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Abatement Workers National Defined Contribution Pension Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## **Responsibilities of Management for the Financial Statements, continued**

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Abatement Workers National Defined Contribution Pension Plan's ability to continue as a going concern for twelve months beyond the issuance of the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Abatement Workers National Defined Contribution Pension Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Abatement Workers National Defined Contribution Pension Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter—Supplemental Schedule Required by ERISA**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held for investment is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**INDEPENDENT AUDITOR'S REPORT**

To the Board of Trustees:

**Opinion**

We have audited the financial statements of Abatement Workers National Defined Contribution Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of May 31, 2025 and 2024 and statements of changes in net assets available for benefits for the years ended May 31, 2025 and 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Abatement Workers National Defined Contribution Pension Plan as of May 31, 2025 and 2024 and the changes in its net assets available for benefits for the years ended May 31, 2025 and 2024 in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Abatement Workers National Defined Contribution Pension Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## **Responsibilities of Management for the Financial Statements, continued**

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Abatement Workers National Defined Contribution Pension Plan's ability to continue as a going concern for twelve months beyond the issuance of the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Abatement Workers National Defined Contribution Pension Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Abatement Workers National Defined Contribution Pension Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter—Supplemental Schedule Required by ERISA**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held for investment is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

# Abatement Workers National Defined Contribution Pension Plan

## Notes to Financial Statements

### 1. Description of Plan

The following description of the Abatement Workers National Defined Contribution Pension Plan, (Plan), provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### General

The Plan is a multi-employer defined contribution pension plan established effective August 1, 1991, covering all members of the union employed under the terms of the collective bargaining agreement which require employer contributions to the plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Administration of the plan is the responsibility of the Board of Trustees and is governed by a joint board consisting of equal representation from the participating employers and Local Union #207.

#### Contributions

Participating employers make monthly contributions to the plan on behalf of covered employees in amounts determined by the collective bargaining agreement. Hourly contribution rates at May 31, 2025 were \$.40 -\$.95. Contributions by participants are not permitted under the plan. In addition, the Plan will accept a direct rollover of an eligible rollover distribution or a participant contribution of an eligible rollover distribution based on the rules of the Plan.

#### Participation and Participant Accounts

Any employee, on whose behalf contributions are required to be made under a collective bargaining agreement, shall be eligible to participate in accordance with the terms of the agreement. Any employee employed in covered employment, who has accrued one hour of service, will automatically participate.

Each participant's account is credited with employer contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the plan. Allocations are based on participant earnings, account balances, or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants must accrue 500 hours in three consecutive plan years to become 100% vested. Participants meeting hardship criteria become 100% vested when a participant accrues at least 250 hours in any three consecutive plan years.

#### Payment of Benefits

On termination of service due to death, disability, or retirement, at age 55 or a break in service, and upon written application, a participant will receive a lump sum amount equal to the value of the participant's vested interest in his or her account.

## Notes to Financial Statements

### 2. Summary of Accounting Policies

#### Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 3 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### Payment of Benefits

Benefit payments to participants are recorded upon distribution.

#### Administrative Expenses

The Plan's expenses are paid by the Plan and charged directly to the participant's account. These expenses are recorded as deductions in the accompanying statement of changes in net assets available for benefits.

#### Subsequent Events

The Plan has evaluated subsequent events through the date of the independent auditor's report, the date the financial statements were available to be issued.

### 3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

# Abatement Workers National Defined Contribution Pension Plan

## Notes to Financial Statements

### 3. Fair Value Measurements -continued

- Level 2 Inputs to the valuation methodology include
- quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - inputs other than quoted prices that are observable for the asset or liability;
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at May 31, 2025.

#### Cash equivalents

Valued at quoted market prices.

#### Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

#### U.S. Government Securities

Valued using pricing models maximizing the use of observable inputs for similar securities.

## Notes to Financial Statements

### 3. Fair Value Measurements -continued

#### Common Collective Trusts & Pooled Separate Account

Valued at net assets value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based in the fair value of the underlying investments held by the fund less its liability.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value.

#### Assets at Fair Value as of May 31, 2025:

	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Cash equivalents	\$ 340 864	\$	\$ 340 864
Govt securities		29 024	29 024

Investments measured at NAV			<u>42 901 167</u>
Total investments at fair value			<u>\$ 44 293 009</u>

#### Assets at Fair Value as of May 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Cash equivalents	\$ 75 835	\$ -	\$ 75 835
Govt securities	-	275 515	275 515
Mutual funds	<u>660 747</u>	<u>-</u>	<u>660 747</u>
	<u>\$ 736 582</u>	<u>\$ 275 515</u>	1 012 097
Investments measured at NAV			<u>42 710 705</u>
Total investments at fair value			<u>\$ 43 722 802</u>

### 4. Plan Termination

Although it has not expressed any intent to do so, the Plan's Board of Trustees has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

### 5. Tax Status

The Internal Revenue Service has determined and informed the Plan by a letter dated January 16, 2016, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service, state or local taxing authorities. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

# Abatement Workers National Defined Contribution Pension Plan

## Notes to Financial Statements

### 6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

### 7. Party in Interest Transactions

As described in note 2, the Plan paid certain expenses related to plan operations, and investment activity to various service providers. These transactions are party in interest transactions under ERISA.

### 8. Reconciliation of Financial Statements To Form 5500

The following is a reconciliation of changes in net assets per the financial statements to the Form 5500.
