INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Building and Public Works Laborers' Vacation Trust Fund
Madison, Wisconsin

Opinion

We have audited the accompanying financial statements of Building and Public Works Laborers' Vacation Trust Fund (the Plan), which comprise the statements of net assets available for benefits as of May 31, 2025 and 2024, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of May 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management's Responsibility for the Financial Statements (continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of general and administrative expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

BUILDING AND PUBLIC WORKS LABORERS' VACATION TRUST FUND

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED MAY 31, 2025 AND 2024

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Building and Public Works Laborers' Vacation Trust Fund (the Plan) provides general information only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General - The Plan provides participants with paid vacation and jury duty benefits when serving on a jury. The Plan is administered by the Board of Trustees (Trustees) consisting of a union group and an employer group of representatives, each having equal voting power.

Contributions - The Plan is financed by a payroll deduction arrangement from gross earnings of employees of participating employers. The amounts withheld and remitted are in accordance with the participating employers' collective bargaining agreements. Benefits unclaimed after one year will revert to the Plan, subject to reinstatement in the event the participant or beneficiary appears and demonstrates entitlement to the benefit. The contributions receivable includes amounts received in the lockbox through May 31, 2025 and deposited into the fund after year-end for work months prior to year-end.

Participant Accounts - Each participant's account is credited with the amount withheld and remitted to the Plan. Participants are fully vested upon joining the Plan and may receive a distribution of earnings or may be subject to an administrative fee charged at the time of payout.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared using the accrual basis of accounting. Under this basis, revenue is recognized when earned and expenses are recognized when incurred.

Plan Earnings - Financial Condition - Receipts, other than employer contributions, are used primarily to pay the Plan's administrative expenses. The excess of other revenues over administrative expenses may be carried forward to later years or distributed to participants on a pro rata basis at the discretion of the Trustees.

Payment of Benefits - Vacation benefits are paid out twice a year, in December and June. Jury duty benefits are paid after participants have completed their jury duty service.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

If there is a deficit in net assets of the Plan, or when other revenues do not cover the administrative expenses, the Trustees may assess an administrative fee to plan participants to cover the deficit and expenses. For the plan payouts during the fiscal years ended May 31, 2025 and 2024, the Trustees assessed Plan participants an administrative fee or approved an interest payout (expressed as a percentage of contributions paid out) which totaled a fee/(income) to participants of \$(89,787) and \$4,077, respectively.

Laborers' Political League - Pursuant to the collective bargaining agreements, a participant may authorize the employer to deduct contributions to the Laborers' Political League from his wages. These amounts are included in the monthly contributions from the employers and then remitted to the Laborers Local 113 Union on a semiannual basis.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Administrative Expenses - The Plan's expenses are paid by the Plan as provided by the Plan document. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses and real estate related expenses are included in net appreciation in fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

NOTE 3. TAX STATUS

The Trust established under the Plan to hold the Plan's net assets is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code (IRC), and, accordingly, the Trust's net investment income is exempt from income taxes. The Trust has obtained a favorable tax determination letter from the Internal Revenue Service (IRS), and the Plan sponsor believes that the Trust, as amended, continues to qualify and operate in accordance with applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan has analyzed the tax positions taken by the Plan and has concluded that as of May 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan management believes the Plan is no longer subject to income tax examinations for years prior to the year ended May 31, 2022.

NOTE 4. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect. However, to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the plan assets to be used for or diverted to purposes other than the exclusive benefit of the participants. In the event the Plan terminates, the net assets of the Plan will be allocated as prescribed by the Employee Retirement Income Security Act of 1974, as amended, and its related regulations.

NOTE 5. CASH CONCENTRATIONS

The Plan maintains its cash balances in financial institutions deemed to be creditworthy. Balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per financial institution. At May 31, 2025, cash balances exceeded the FDIC insured limit by approximately \$1,135,166. Management does not believe it has a significant risk of loss at this time.

NOTE 6. RELATED PARTIES AND PARTY-IN-INTEREST TRANSACTIONS

The Plan reimburses telephone expense paid directly by the Wisconsin Laborers' Health Fund (a related party). The Plan reimbursed \$1,675 and \$1,288 for the years ended May 31, 2025 and 2024, respectively. At May 31, 2025 and 2024, the Plan owed \$6.

The Plan also pays certain investment and administrative fees directly to service providers. These transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

NOTE 7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:
