INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
The Derm Specs 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of The Derm Specs 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if,

there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other

than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on Compiled 2020 Financial Statement

Plan management is responsible for the accompanying financial statement of the Plan, the statement of net assets available for benefits as of December 31, 2020, and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2020 financial statement.

The following description of The Derm Specs 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) defined contribution plan established effective January 1, 2018 and most recently restated effective December 1, 2021 ("Restatement Date") subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was previously named the Bobby Buka, M.D., P.C. 401(k) Profit Sharing Plan. The Plan's name was changed to The Derm Specs 401(k) Plan effective on the Restatement Date.

The Plan covers substantially all employees of Bobby Buka, M.D., P.C. and it's affiliate Buka Derm Management, LLC (collectively, the "Company"), except for union employees, nonresident aliens, leased employees, independent contractors and other classes of employees, as defined.

Employees are eligible to participate in the Plan upon attaining 21 years of age and completing 90 days of service, as defined. Prior to the Restatement Date, the service requirement was one year of service, as defined. Eligible employees can enter the Plan immediately upon satisfying the eligibility requirements. Prior to the Restatement Date, eligible employees could enter the Plan on the first day of the Plan year or the first day of the seventh month of the Plan year coinciding with or next following satisfaction of the eligibility requirements. In addition to eligibility requirements outlined above, in order to be eligible to receive nonelective employer contributions, a participant must be employed on the last day of the Plan year or complete more than 500 hours of service during the Plan year prior to termination of employment.

Contributions

Each year, participants may make salary deferrals on a pre-tax or Roth basis. Participants who have attained age of 50 before the end of the Plan year are eligible to make catch-up contributions. Rollover contributions are subject to the terms of the Plan and are fully vested and non-forfeitable. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company, at its discretion, may make nonelective employer contributions to the Plan. For the year ended December 31, 2021, the Company made $39,794 in non-elective and qualified non-elective contributions to the Plan to correct operational errors further discussed in Note 9 and to satisfy nondiscrimination testing requirements. Contributions are subject to certain statutory limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions as well as an allocation of the Company's nonelective contribution, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the nonelective employer contribution portion of their account is based on years of continuous services as follows:

Years of Service	Percent Vested
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes Receivable from Participants

Prior to the Restatment Date, participants were not permitted to borrow from their accounts. As of the Restatement Date, participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Notes receivable from participants are secured by the balance in the participant's account. Principal and interest is paid ratably through payroll deductions. As of December 31, 2021, there were no loans outstanding.

Payment of Benefits

On termination of service due to death, disability, termination, or other reasons, a participant may receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Participants shall be entitled to receive in-service withdrawals upon attainment of age 59 ½. Participants who have attained age 45 are entitled to in-service withdrawals from the profit sharing contribution portion of their account provided the funds to be withdrawn have accumulated for at least two years. As of the Restatement Date, the Plan permits hardship distributions.

Forfeitures

At December 31, 2021 and December 31, 2020, forfeited nonvested accounts totaled $1,821 and $4,524, respectively. Forfeitures funds are used to reduce employer contributions or to pay administrative expenses. For the year ended December 31, 2021, the Plan allocated $778 and $1,900 of forfeiture accounts to reduce employer contribution and administrative expenses respectively.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net change in fair value of investments.

3. CERTIFIED INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments, at fair value held at December 31, 2021, and net change in fair value of investments for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Great-West Life & Annuity Insurance Company of New York ("Great-West"), certifying on behalf of Talcott Resolution Life Insurance Company ("Talcott", the insurance company of the Plan).

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Account
Pooled Separate Accounts ("PSA") are not publicly quoted and are priced at net asset value ("NAV"). ASC 820 allows NAV per share to serve as a practical expedient to estimate fair value.

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Total assets in the fair value hierarchy	$ -	$ -	$ -	$ -
Investments measured at NAV[(a)]				863,464
Investments, at fair value				$ 863,464

	(Compiled) Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Total assets in the fair value hierarchy	$ -	$ -	$ -	$ -
Investments measured at NAV[(a)]				719,892
Investments, at fair value				$ 719,892

[(a)] In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Gains and losses included in the statement of changes in net assets available for benefits for the year ended December 31, 2021, are reported in net change in fair value of investments.

For the year ended December 31, 2021, there were no significant transfers between Level 1 and 2 and no transfers into or out of Level 3.

Investments Measured Using the NAV per Share Practical Expedient
The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021, and 2020, respectively.

	Fair Value at 12/31/21	Unfunded Commitments	Redemptions Frequency (if currently eligible)	Redemption Notice Period
Pooled Separate Accounts				
Stable Value (a)	$ 455,228	N/A	Daily	None
Equity – Large Cap (b)	148,615	N/A	Daily	None
Fixed Income (c)	100,527	N/A	Daily	None
Equity – Mid Cap (b)	55,461	N/A	Daily	None
Equity – Small Cap (b)	51,898	N/A	Daily	None
Equity – International (b)	51,735	N/A	Daily	None
	$ 863,464			

	(Compiled) Fair Value at 12/31/20	Unfunded Commitments	Redemptions Frequency (if currently eligible)	Redemption Notice Period
Pooled Separate Accounts				
Stable Value (a)	414,017	N/A	Daily	None
Equity – Large Cap (b)	88,508	N/A	Daily	None
Fixed Income (c)	74,191	N/A	Daily	None
Equity – Mid Cap (b)	60,971	N/A	Daily	None
Equity – Small Cap (b)	41,547	N/A	Daily	None
Equity – International (b)	40,658	N/A	Daily	None
	$ 719,892			

(a) Stable Value Funds: The primary investment objective of a stable value fund is to seek the preservation of principal by maintaining a NAV of $1 per unit and to provide interest income reasonably obtained under prevailing market conditions and rates, consistent with seeking to maintain required liquidity

(b) Equity Funds: Equity funds invest in stocks. The objective of an equity fund is growth through capital gains and dividends. Stock funds may have a specific style, for example, value or growth, and include investments in different sized companies and geographic regions.

(c) Fixed Income Funds: Fixed income funds invest in fixed income securities. The objective of fixed income funds is generally to receive interest payments and/or capital growth. Fixed income funds generally invest in sovereign, corporate, or municipal debt. Debt rates of return are based upon economic conditions and the credit worthiness of the debtor, amongst other factors.

5. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Great-West is the recordkeeper of the Plan and therefore certain transactions qualify as exempt party-in-interest transactions. Administrative fees of approximately $3,600 were paid to Great-West during the year ended December 31, 2021.

The Benefit Practice ("TBP") is the third-party administrator of the Plan and therefore certain transactions qualify as exempt party-in-interest transactions. Administrative fees of approximately $2,200 were paid to TBP during the year ended December 31, 2021.

Participant contributions not transmitted by the Company within the time period set forth in the Department of Labor's regulation CFR 2510.3-102 are considered nonexempt prohibited transactions under ERISA. Participant contributions remitted during the year that constitute nonexempt prohibited transactions are reported by the Plan in the accompanying supplemental schedule as required.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

7. TAX STATUS

The Plan has adopted a prototype plan designed by FIS Business Systems LLC and is relying on an opinion letter dated June 30, 2020 stating that the Internal Revenue Service ("IRS") has determined that the prototype plan adopted by the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

As of December 31, 2021 and 2020, the Invesco Stable Value Trust R PSA comprised approximately 53% and 58%, respectively, of the Plan's investments, at fair value, as reported on the statement of net assets available for benefits.

9. OPERATIONAL ERROR

Subsequent to year end, Plan management discovered errors related to the deposit of participant contributions into participant accounts during the years ended December 31, 2019, 2020 and 2021. The errors resulted in excess deposits of approximately $36,400 into certain participant accounts and approximately $4,100 of participant contributions withheld from certain participants which were not deposited into their accounts. The Plan sponsor is correcting this error through the Self Correction Program as authorized under Revenue Procedure 2021-30 of the IRS. The proposed correction is for the Plan sponsor to i) reclassifying the excess deposits as nonelective contributions, which required the plan sponsor to re-run nondiscrimination testing for the applicable plan years and make additional employer contributions of approximately $13,700 to the Plan, including lost

earnings, which were deposited into the Plan in October 2025; and ii) Depositing approximately $4,100 plus lost earnings into the Plan for participant's who's contributions were not deposited into their accounts, which were deposited in December 2025. In the opinion of Plan management, these corrections would be accepted by the IRS upon examination

10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through January 13, 2026, the date the financial statements were available to be issued.

In connection with Empower Retirement LLC's ("Empower") acquisition of MassMutual's retirement service business effective December 31, 2020, the Plan executed an agreement with Empower to continue to provide recordkeeping services as the Plan migrates participant accounts from the MassMutual recordkeeping platform to the Empower recordkeeping platform. This migration took place during June 2022.
