Independent Auditors' Report

Board of Trustees
California Nurses Association Benefit Trust

Opinion

We have audited the financial statements of California Nurses Association Benefit Trust, an employee benefit plan subject to the Employee Retirement Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of plan benefit obligations as of March 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of California Nurses Association Benefit Trust as of March 31, 2024 and 2023, and the changes in its net assets available for benefits and plan benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of California Nurses Association Benefit Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about California Nurses Association Benefit Trust ability to continue as a going concern for the year ended March 31, 2024.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Board of Trustees
California Nurses Association Benefit Trust

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

Exercise professional judgement and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of California Nurses Association Benefit Trust's internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about California Nurses Association Benefit Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Assets Held For Investment As Of March 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with Generally Accepted Auditing Standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Independent Auditors' Report

Board of Trustees
California Nurses Association Benefit Trust

Opinion

We have audited the financial statements of California Nurses Association Benefit Trust, an employee benefit plan subject to the Employee Retirement Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of plan benefit obligations as of March 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of California Nurses Association Benefit Trust as of March 31, 2024 and 2023, and the changes in its net assets available for benefits and plan benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of California Nurses Association Benefit Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about California Nurses Association Benefit Trust ability to continue as a going concern for the year ended March 31, 2024.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Board of Trustees
California Nurses Association Benefit Trust

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

Exercise professional judgement and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of California Nurses Association Benefit Trust's internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about California Nurses Association Benefit Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Assets Held For Investment As Of March 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with Generally Accepted Auditing Standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CALIFORNIA NURSES ASSOCIATION BENEFIT TRUST
NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2024 AND 2023

NOTE 1 - PLAN DESCRIPTION

General

California Nurses Association Benefit Trust (the “Plan”) was established in 1992 by California Nurses Association (“CNA”) to provide disability and other benefits for CNA members. The Plan is governed by a Board of Trustees appointed by CNA. The cost of benefits is funded by voluntary contributions from CNA members who have elected to be covered by the Plan and by certain employers who have agreed to contribute on behalf of their employees. Substantially all voluntary contributions are collected through payroll withholding from employers (principally Kaiser) who have entered into collective bargaining agreements with CNA under which such employers agreed to deduct the cost of benefits from the salaries of CNA members who elect Plan coverage. Effective during the year ended March 31, 2012, the participants of certain employers have the option to remit the voluntary contribution payments through a website that was created specifically for this purpose. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Benefits

The Plan provides life and accidental death and dismemberment (“AD&D”) coverage, critical illness coverage, disability benefits, and long-term care benefits to qualified employees and their dependents (collectively, “participants”). The critical illness benefit was added effective May 1, 2016.

Life and AD&D benefits and critical illness benefits are provided through a group insurance contract with Mutual of Omaha. The base life insurance benefit is \$50,000. Eligible participants have the option to purchase supplemental life insurance coverage – up to an additional \$500,000 of coverage for themselves, up to \$100,000 of coverage for spouses, and \$10,000 of coverage for dependent children. Critical illness provides for a lump-sum benefit of \$5,000 paid upon diagnosis of critical illness, up to a lifetime maximum of \$10,000. Short term disability benefits are provided through a group insurance contract with Mutual of Omaha. Short-term disability provides for up to \$500 weekly benefit to eligible participants after a 14-day elimination period. Certain participants are eligible for long-term disability benefits provided through a group insurance policy with Mutual of Omaha.

For certain participants who are on disability leave, the Plan provides a waiver of the basic life insurance contributions that would normally be due from the participant. The waiver is provided to eligible participants for the first nine months of disability. If disability continues beyond nine months or is permanent and the participant is under age 60 at the time of disability, the participant may qualify for an extended waiver. The waived amount is recorded as disability benefits on the statements of net assets available for benefits.

Long term care benefits are provided through a group insurance contract with Unum. The base long-term care benefit is up to \$72,000, payable at a rate of up to \$6,000 per month. Eligible participants have the option of supplementing the long-term care benefit by purchasing coverage that provides higher monthly benefits over longer periods of time and certain other enhancements. Effective February 7, 2012, Unum no longer provides long-term care benefit coverage for new groups.

The Plan’s financial obligation is limited to making premium payments to these carriers for this coverage.

For participants whose voluntary contributions are collected through payroll withholding, coverage is provided during each month the participant works and the required contribution is withheld based on this work (i.e., work performed in January provides coverage for January).

To qualify for coverage, an employee must be a member in good standing with CNA who is regularly scheduled to work at least 20 hours per week. The Plan provides for an initial enrollment period when an employee first qualifies for coverage. During this period, the employee may elect any level of coverage offered by the Plan. Thereafter, a qualified employee must demonstrate insurability in order to elect or increase coverage. Dependents must demonstrate insurability for long-term care regardless of when enrolled.

Participants should contact the administrative office of the Plan or refer to the Summary Plan Description for more complete information on Plan benefit coverage options and eligibility.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis Of Presentation

The financial statements of the Fund are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United State of America. The use of the accrual basis recognizes revenue when earned or otherwise available and benefits and expenses are recognized when incurred.

Cash

Cash consists of monies held in checking accounts and money market accounts without significant withdrawal restrictions.

Contributions Receivable

Contributions receivable include amounts due from participating employees for work performed in March and prior and not remitted to the Plan until subsequent to year-end. Employer contributions due and not paid prior to year-end are recorded as employer contributions receivable. Allowance for uncollectible accounts is considered unnecessary and is not provided.

Refunds Due to Participants

Refunds due to participants represent contributions that were overpaid and are due back to the participant.

Investments

If available, quoted market prices are used to value investments. Many factors are considered in arriving at that fair value. In general, however, shares of mutual and exchange traded funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

FASB Accounting Standards Codification (ASC) 820, which defines fair value, establishes a framework for measuring fair value and expands disclosures about fair value measurements. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). ASC 820 emphasizes that fair value is a market-based measurement that should be determined based on the assumptions market participants would use in pricing the asset or liability. As a basis for considering market participant assumptions in fair value measurements, ASC 820 establishes a fair value hierarchy that distinguishes between (1) market participant assumptions developed based on market data obtained from sources independent of the Plan (observable inputs) and (2) the Plan's own assumptions about market participant assumptions developed based on the best information available in the circumstances (unobservable inputs). Valuation techniques used to measure fair value shall maximize the use of observable inputs and minimize the use of unobservable inputs.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels, as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Plan has the ability to access at the measurement date. An active market for the asset or liability is a market in which transactions for the asset or liability occur with sufficient frequency and volume to provide information on an ongoing basis.

CALIFORNIA NURSES ASSOCIATION BENEFIT TRUST
NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments (Continued)

Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. If the asset or liability has a specified (contractual) term, a Level 2 input must be observable for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in markets which are not active;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 inputs are unobservable inputs for the asset or liability. Unobservable inputs are used to measure fair value to the extent that observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at the measurement date. Unobservable inputs reflect the Plan's own assumptions that market participants would use in pricing the asset or liability (including assumptions about risk). Unobservable inputs are developed based on the best information available in the circumstances, which might include the Plan's own data. However, market participant cannot be ignored and, accordingly, the Plan's own data used to develop unobservable inputs are adjusted if information is reasonably available without undue cost and effort that indicates that market participants would use different assumptions.

The methods of valuation described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in valuation methodologies used at March 31, 2024 and 2023.

Exchange traded funds: Valued at the daily closing price as reported by the fund. Exchange traded funds held by the Plan are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The Exchange traded funds held by the Plan are deemed to be actively traded (Level 1).

Corporate Bonds: The fair value of corporate bonds is generally determined based on a model that uses observable inputs such as interest-rate yield curves, cross-currency-basis index spreads or country credit-spreads, which are similar to the valued bond in terms of issuer, maturity and seniority (Level 2)

Money Market Fund: This category consists of funds held in the investment sweep account. Due to their short-term nature, the carrying amount approximates the fair value. (Level 2)

The plan does not have any Level 3 investments and there were no significant transfers between Level 1 and Level 2 investments during the year ended March 31, 2024.

The fair value hierarchy of ASC 820 gives the highest priority to Level 1 and the lowest priority to Level 3 inputs.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments (Continued)

The following table summarizes the valuation of the Plan's investments in accordance with ASC 820 fair value hierarchy as of March 31, 2024, and 2023:

	Level 1	Level 2	Level 3	Balance at 3/31/24

	<u>\$ 279,617</u>	<u>\$ 2,338,046</u>	<u>-</u>	<u>\$ 2,617,663</u>

Benefit Obligations

The Plan's financial statements include the cost of premiums and benefits associated with eligibility earned from work done by qualified employees through March 31, 2024 and 2023. Because coverage is provided in the same month in which the required contributions are withheld, there are no accumulated eligibility credits as of March 31, 2024 and 2023. Premiums payable were based on actual premiums paid or expected to be paid subsequent to year end for March and prior eligibility.

Use of Estimates and Assumptions

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 - PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. In the event of termination, the Trustees shall first satisfy, or make provisions to satisfy, the obligations of the Plan. Any remaining Plan assets will be distributed in such manner as will, in the opinion of the Trustees, bring about the purpose of the Plan. Termination shall not permit any part of the Plan to be used for, or diverted to, purposes other than the exclusive benefit of the participants.

NOTE 4 – FUNDING POLICY

The Plan is funded by contributions made by active employees of health care industry employers primarily in Northern California. In addition, three employers make contributions to the Plan. Contribution rates are established by the Board of Trustees. The rate participants pay for basic coverage is designed to cover the premium cost of such coverage, disability waivers and Plan administration. The rates for optional "buy-up" coverage are set to cover the incremental premium cost of such coverage.

CALIFORNIA NURSES ASSOCIATION BENEFIT TRUST

MARCH 31, 2024 AND 2023

NOTE 5 - SIGNIFICANT CONCENTRATIONS OF CREDIT RISK

The Fund's cash and cash activities are with Wells Fargo Bank. The accounts are insured by the Federal Deposit Insurance Corporation up to \$250,000. At times, such cash balances may be in excess of the insurance limit.

NOTE 6 - SIGNIFICANT TRANSACTIONS WITH PERSONS KNOWN TO BE PARTIES IN INTEREST

The Fund has contracted for administrative services with Health Services & Benefit Administrators, Inc. The administrative fees paid for the years ended March 31, 2024 and 2023 were \$252,014 and \$283,051, respectively.

The fund also contracts with investment managers, consultants, attorneys, and auditors who are all known to be parties in interest.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 8 - INCOME TAXES

The Internal Revenue Service issued a favorable determination pursuant to Internal Revenue Code Section 501 (c) (9), and accordingly, the trust's net investment income is exempt from income taxes. The Plan sponsor believes that the Trust, as amended, continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code. Generally Accepted Accounting Principles requires plan management to evaluate tax positions taken by the plan and recognizes a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income examination for years prior to 2021.

NOTE 9 - SUBSEQUENT EVENTS

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosures through DRAFT, the date the financial statements were available to be issued.
