INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Police Benevolent Association Pension Benefit Plan
Richmond, Virginia

Opinion

We have audited the accompanying financial statements of the Police Benevolent Association Pension Benefit Plan (the "Plan"), which comprise the statements of net assets – modified cash basis as of October 31, 2025 and 2024, and the related statements of changes in net assets – modified cash basis for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Police Benevolent Association Pension Benefit Plan as of October 31, 2025 and 2024, and the changes in its net assets for the years then ended in conformity with the modified cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on a modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

POLICE BENEVOLENT ASSOCIATION PENSION BENEFIT PLAN

Notes to Financial Statements

1. Description of the Plan:

The following description provides only general information of the Police Benevolent Association Pension Benefit Plan (the "Plan"). Participants should refer to the Plan's amended by-laws for more complete description of the Plan's provisions.

General: The Plan, which is sponsored by the Police Benevolent Association of Richmond, Virginia (the "Association"), was organized to encourage and reward long-term honorable service with the City of Richmond Police Department by providing supplemental payments to its members, who were police officers, following their retirement or to their beneficiaries upon their death. The Association is an incorporated, community supported association.

Plan Administration: Overall responsibility for administering the Plan rests with the Association.

Funding and Contributions: The amended by-laws of the Association stipulate that all dues from members and all monies and securities resulting from gifts, grants, devises, bequests and other sources should be placed in and held by the Association. All increases in net assets produced by the Association in excess of that necessary to pay operating expenses and benefit payments to the Plan in any one year and to maintain an amount for emergencies shall be reinvested or otherwise used for purposes of the Association in accordance with the discretion of the Board of Directors.

Payment of Benefits: Benefit payments to Plan participants are funded by contributions from the Association, due to timing considerations some benefit payments may be made on the first day of the month following the Association's contribution. No estimation is made of future payments because benefit payments are determined monthly by the Board of Directors, are not guaranteed, and are based on annual variables. Individual monthly benefit payments during fiscal years 2025 and 2024 were as follows: \$650 for both fiscal years ended October 31, 2025 and October 31, 2024.

Payments of benefits shall be computed (a) based on the current formula prescribed by the amended by-laws, if in aggregate the formula results in estimated annual payments within 5% of the fair market value of the Association's net assets as of the prior year ended, or (b) determined as \$3 million divided by the estimated number of participants for the forthcoming year.

POLICE BENEVOLENT ASSOCIATION PENSION BENEFIT PLAN

Notes to Financial Statements, Continued

1. Description of the Plan, Continued:

Payment of Benefits, Continued: The Plan shall make payment of pension benefits to each person who established that he or she:

- Is an active member of the Association, is retiring from the Police Department of the City of Richmond, Virginia, after honorable service and is eligible to receive a disability retirement allowance under the Retirement System: or
- Has been an active member of the Association for a minimum of 20 years and is retiring from the Police Department of the City of Richmond, Virginia, after honorable service therein, either voluntary or involuntarily in accordance with existing regulations of the Police Department. Retirement is defined as termination of employment upon eligibility for retirement under the applicable retirement system, Virginia Retirement System ("VRS") or Richmond Retirement System. Participation in a deferred retirement option program does not constitute retirement. Members covered by the VRS who retire prior to age 60 must also be eligible for an unreduced monthly pension benefit under VRS.

2. Summary of Significant Accounting Policies:

Basis of Accounting: The Plan's accounts are maintained on a modified cash basis and the financial statements reflect only cash received and disbursed and the modification of adjusting investments to fair value. Therefore, receivables, payables, and accrued income and expenses, which would be recognized under accounting principles generally accepted in the United States ("GAAP"), and which may be material in amount, are not reflected in the accompanying financial statements.

Payment of Benefits: Benefits are recorded when paid.

Use of Estimates: The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets, liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the period. Actual results could differ from those estimates.

Revenue Recognition: Plan Sponsor contributions are recognized when received.

Subsequent Events: Management has evaluated subsequent events through February 23, 2026, the date the financial statements were available for issuance, and has determined that there are no subsequent events to be reported in the accompanying financial statements.

3. Tax Status:

The Internal Revenue Service has determined that the Plan funded by the Association and the related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC) as a taxable trust. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. There was no taxable income for the years ended October 31, 2025 and 2024. For the years ended October 31, 2025 and 2024, management has determined that there are no material uncertain income tax positions.
