Independent Auditor's Report

To the Trustees
Plumbers Local Union No. 200 Vacation Fund

Opinion

We have audited the financial statements of Plumbers Local Union No. 200 Vacation Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits - modified cash basis as of June 30, 2025 and 2024 and the related statements of changes in net assets available for benefits - modified cash basis for the years then ended and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits - modified cash basis as of June 30, 2025 and 2024, and the changes in net assets available for benefits - modified cash basis for the years then ended, of Plumbers Local Union No. 200 Vacation Fund in accordance with the modified cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Plumbers Local Union No. 200 Vacation Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Plumbers Local Union No. 200 Vacation Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plumbers Local Union No. 200 Vacation Fund, and determining that Plumbers Local Union No. 200 Vacation Fund's transactions that are presented and disclosed in the financial statements are in conformity with Plumbers Local Union No. 200 Vacation Fund's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plumbers Local Union No. 200 Vacation Fund's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plumbers Local Union No. 200 Vacation Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules, Schedules of Administrative Expenses, for the years ended June 30, 2025 and 2024, are presented for the purpose of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of the Plumbers Local Union No. 200 Vacation Fund (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

General - The Plan was established on January 1, 1993. The Plan is a health and welfare plan established under the provisions of an Agreement and Declaration of Trust between Plumbers Local Union No. 200 (the Union) and employers in Nassau and Suffolk counties of New York (the Employers). All employees of employers under a collective bargaining agreement with the Union, subject to that agreement, are eligible to participate in the Plan, which is considered covered employment.

Certain plan assets are held in a voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended.

Benefits - The purpose of the Plan is to provide vacation benefits to eligible participants based on their eligible account balances. Requests for benefits are processed in-house, paid directly to or on behalf of participants with assets of the Plan's VEBA trust.

Contributions - In accordance with labor agreements in effect, the Employers are required to contribute from \$1.49 to \$5.15 per hour worked based on the participant's title and class of work performed. This amount is included in the participant's gross wages, the net amount after all federal and state withholdings are remitted to the Plan by the Employers, as contribution income.

Termination - The trustees expect and intend to continue the Plan indefinitely, but reserve the right to amend or terminate it as provided by the applicable trust agreement and plan provisions. If the Plan were terminated, plan assets will be allocated to provide benefits to those eligible under the terms of the Plan in the order of priority specified in the Plan and as otherwise required by law.

Benefits payments - All vacation benefits are paid to participants on June 1st and December 1st of each year. Each payment represents the vacation withholding from each participant's wages that was remitted to the Plan over a six-month period. June payments are contributions collected from the previous July through December. December payments are contributions collected from the previous January through June. Although benefits are earned during these periods, benefit payments to participants are recorded upon distribution.

2. SUMMARY OF ACCOUNTING PRINCIPLES

Basis of accounting - The financial statements of the Plan have been prepared on a modified cash basis, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (U.S. GAAP).

The modified cash basis used by the Plan is the cash receipts and disbursements basis of accounting, modified to report investments at fair value. This basis of accounting differs from U.S. GAAP, because: (i) contributions are recorded when received rather than when earned, (ii) administrative expenses are recorded when paid rather than when incurred, and (iii) right-of-use assets and lease liabilities are not recognized.

Tax status - The VEBA trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service (IRS), stating that the trust is tax-exempt under the provisions of Internal Revenue Code (IRC) Section 501(c)(9). However, as a result of the Plan's funding policy, from time to time, the trust may be subject to income taxes.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of June 30, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Use of estimates in financial statement presentation - The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and the disclosure of contingencies, if any, at the date of the financial statements, and additions to and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Jurisdiction - Under current reciprocal agreements, employer contributions are, for the most part, returned to the home area for members working outside their "home jurisdiction." For financial statement purposes, contributions due to the other jurisdictions are recorded once disbursed, and contributions from other jurisdictions are recorded as income once received.

Notes to the Financial Statements

June 30, 2025 and 2024

Subsequent events - The Plan has evaluated subsequent events after June 30, 2025 through February 24, 2026, the date that the financial statements were available to be issued.

3. COMMITMENTS

The Plan entered into a lease agreement, from July 1, 2024 through July 1, 2025, with County Plumbers, Inc. (a building corporation wholly owned by the Union) to rent office space. Under the terms of the lease, the Plan will pay \$9,750 annually. The lease can be renewed on an annual basis. The lease has been renewed through July 1, 2026. Rent expense was \$9,750 for each of the years ended June 30, 2025 and 2024.

4. RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

The Plan operates in a jointly administered office with the Union and other related plans. Certain administrative expenses that are common among the Union and the plans are allocated annually based primarily upon payroll-based and agreed-upon ratios. The Plan's share of common expenses was approximately \$62,936 and \$54,449 for the years ended June 30, 2025 and 2024, respectively. Included in such amounts are reimbursements for office space, computer services, and administrative services.

As discussed in Note 3, the Plan leases office space from County Plumbers, Inc. on an annual basis.

5. RISKS AND UNCERTAINTIES

At times throughout the year, the Plan had on deposit in banks amounts in excess of the Federal Deposit Insurance Corporation's insurance limits. The Plan has \$1,399,926 in excess of FDIC limits as of June 30, 2025.

For the years ended June 30, 2025 and 2024, approximately 31% and 21%, respectively, of contribution income was received from two and one employers, respectively.
