INDEPENDENT AUDITOR’S REPORT

February 12, 2026

Board of Trustees
Creative Alternatives, Inc.
Employee Savings Plan
Turlock, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform the audits of the financial statements of Creative Alternatives, Inc. Employee Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended June 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions, State Street Bank and Trust Company and Lincoln National Life Insurance Company, as of June 30, 2025 and 2024, and for the year ended June 30, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets Held at End of Year as of or for the year ended June 30, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

Note 1 Description of the Plan

The following description of the Creative Alternatives, Inc. Employee Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General The Plan is a participant directed 403(b) defined contribution plan covering all full-time employees of Creative Alternatives, Inc. (the Agency). All employees are eligible on the first day of employment. Employees are allowed to make pre-tax and post-tax (roth) contributions. A participant is eligible to receive employer contributions at the beginning of the following quarter once they have attained one year of service during which they complete at least 1,000 hours of services and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and was amended effective May 1, 2022, to remove automatic enrollment. The plan was amended effective July 1, 2023, to make the employer contribution match discretionary. The financial statements are prepared in accordance with accounting principles generally accepted in the United States of America.

Contributions Eligible employees of the Agency may elect to contribute up to the applicable limits allowed under the Internal Revenue Code. Participants are allowed to make additional catch-up contributions to the Plan if they are 50 years of age or older as of the end of the plan year. The Agency matches eligible 403(b) contributions at 100% up to 2% of an employee's compensation, which is at the discretion of the Board of Trustees. Additionally, participants are permitted to make rollover contributions to the Plan from sources specified in the Plan agreement.

Participant Accounts Each participant's account is credited with the participant's contribution and an allocation of (a) the Agency's contribution, (b) plan earnings, charged with an allocation of administrative expenses, and (c) any forfeitures of terminated participants' nonvested accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account and bear interest at rates that range from 3.25% to 8.50%. Loan terms, unless for the purchase of a principal residence, are not to exceed five years. Principal and interest are paid ratably through payroll deductions. Delinquent loans are treated as distributions based upon the terms of the plan document.

Payment of Benefits A participant may elect to receive all or a portion of their vested account balance upon termination of service, normal retirement date, or disability. Benefits may be paid in the form of a single lump sum or a partial payment or rolled over into another qualified plan. A participant may elect a hardship distribution prior to his or her separation from service in accordance with the hardship distribution policy.

Investment Options Upon enrollment in the Plan, a participant may direct contributions into numerous investment choices offered by State Street Bank and Trust Company. Participants may change their investment options via the internet.

Administrative Expenses Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Agency. Expenses that are paid by the Agency are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's. Investment related expenses are included in net appreciation of investments.

Note 1 Description of the Plan (Continued)

Vesting Participants are immediately 100% vested in their elective deferrals and rollover contributions. Participants' vesting in employer matching contributions is based on years of continuous service. A participant receives 20% vesting after two years of credited service and is 100% vested after five years. A vesting year of service is any plan year during which a participant completes 1,000 hours of service. A participant is 100% vested after reaching normal retirement age, or upon death or disability.

Forfeitures Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures will be used to reduce employer matching contributions. At June 30, 2025 and 2024, forfeited non-fully vested accounts totaled \$58,459 and \$45,404, respectively. Forfeitures in the amount of \$18,497 were utilized to pay Plan expenses for the year ended June 30, 2025.

Secure 2.0 Act On December 29, 2022, the Consolidated Appropriations Act of 2023 was signed into law, which includes the package of retirement provisions referred to as Secure 2.0. These provisions continue the themes and reforms that began with the 2019 Secure Act, focusing on getting more participants into the retirement system and finding ways for them to accumulate more assets. These changes have various effective dates starting in 2023 and forward. Since the provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect.

Note 2 Summary of Accounting Policies

Basis of Accounting The financial statements are prepared on the accrual basis of accounting.

Investment Valuations and Income Recognition Investments in State Street Bank and Trust Company include mutual funds. Lincoln National Life Insurance Company include investments made in accordance with a group annuity contract, which represent participation units in the insurance company's pooled separate accounts and stable value funds.

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Agency determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, or trustees.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses have been recorded as of June 30, 2025 or 2024.

Payment of Benefits The Plan records benefits when paid. Total vested benefits due to terminated participants but not paid was \$3,537,948 as of June 30, 2025.

Note 2 Summary of Accounting Policies (Continued)

Accounting for Uncertainty in Income Taxes Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. Plan management has determined as of June 30, 2025, there are no uncertain tax positions taken or expected to be taken that would require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Use of Estimates The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Accordingly, actual results could differ from those estimates.

Subsequent Events In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through February 12, 2026, the date the financial statements were available to be issued.

Note 3 Information Prepared and Certified by the Trustees

The following is a summary of the Plan's asset information as of June 30, 2025 and 2024, and for the year ended June 30, 2025, included throughout the Plan's financial statements and supplemental schedules, that was prepared by or derived from information provided by the trustees and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustees that information provided to the Plan Administrator by the trustees related to the following assets are complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedules related to the following assets:

	<u>2025</u>	<u>2024</u>
Mutual funds	\$9,249,766	\$8,234,636
Pooled separate accounts	63,230	56,374
Stable value fund	78,918	76,348
Notes receivable from participants	121,900	159,528

The trustees also certified to the completeness and accuracy of \$740,921 of net appreciation, \$2,683 of interest income, \$361,168 of dividend income associated with the investments, and \$8,384 of interest income associated with notes receivable from participants for the year ended June 30, 2025.

Note 4 Transactions with Parties-in-Interest

State Street Bank and Trust Company and Lincoln National Life Insurance Company, the Plan's trustees, Transamerica Financial Life Insurance Company, Inc., the Plan's third-party administrator, Merrill Lynch, the Plan's financial advisor, and Atherton & Associates, LLP, independent auditor, qualify as parties-in-interest according to Section 3(14) of ERISA.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

Note 5 Income Tax Status

The Plan adopted a pre-approved volume submitter 403(b) plan and has received an opinion letter from the Internal Revenue Service dated March 31, 2017, as to the Plan's qualified status. The pre-approved volume submitter opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Note 6 Plan Termination

Although they have not expressed any intent to do so, the Agency has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 7 Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account and balances and the amounts reported in the statements of net assets available for benefits.

Note 8 Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

CREATIVE ALTERNATIVES, INC. EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2025 AND 2024

Note 8 Fair Value Measurements (Continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs that are unobservable inputs for the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at June 30, 2025 and 2024. Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: Primarily valued daily at NAV per share. The NAV, as provided by the trustees, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the total value of all the securities in each fund's portfolio less any liabilities.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of:

	June 30, 2025			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$9,249,766	\$ -	\$ -	\$9,249,766

Note 8 Fair Value Measurements (Continued)

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of June 30, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>June 30, 2025</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$63,230	N/A	Daily	Daily
<u>June 30, 2024</u>				
Pooled separate accounts	\$56,374	N/A	Daily	Daily

Note 9 Fully Benefit-Responsive Investment Contracts

The Plan invests in a fully benefit-responsive investment contract with Lincoln National Life Insurance Company. The trustee credits the account with participant contributions and earnings and charge the account for participant withdrawals and administrative expenses. The value of the stable value fund at contract value was \$78,918 and \$76,348 at June 30, 2025 and 2024, respectively.

The stable value fund is reported at contract value because it meets the criteria of a fully benefit-responsive contract. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Transfers from the stable value fund elected by the Plan are subject to a market value adjustment.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

- (a) The Plan's failure to qualify under Section 403(b) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code.
- (b) Premature termination of the contracts.
- (c) Plan termination or merger.
- (d) Changes to the Plan's prohibition on competing investment options.

Note 9 Fully Benefit-Responsive Investment Contracts (Continued)

- (e) Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

- (a) An incurred violation of the Plan's investment guidelines.
- (b) A breach of material obligation under the contract.
- (c) A material misrepresentation.
- (d) A material amendment to the agreements without the consent of the issuer.

Note 10 Nonexempt Transactions

During Plan year 2025, the Plan Sponsor inadvertently failed to deposit \$24,245 of participant deferrals within the required time frame as stated by the United States Department of Labor regulations. The Plan Sponsor has reimbursed the Plan for lost earnings for Plan year 2025 prior to year end.
