INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
Graphic Communications Union Local 235-M
Sickness and Accident Insurance Fund

Opinion

We have audited the accompanying financial statements of Graphic Communications Union Local 235-M Sickness and Accident Insurance Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of April 30, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Graphic Communications Union Local 235-M Sickness and Accident Insurance Fund as of April 30, 2023, and the changes in its net assets available for benefits for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Prior Period Financial Statements

The financial statements of the Plan as of April 30, 2022, were audited by other auditors whose report, dated January 4, 2023, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- 
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
 - Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GRAPHIC COMMUNICATIONS UNION LOCAL 235-M SICKNESS AND ACCIDENT INSURANCE FUND

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED APRIL 30, 2023 AND 2022

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Graphic Communications Union Local 235-M Sickness and Accident Insurance Fund (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General - The Plan, established on June 10, 1949, provides a supplemental Medicare benefit provided through the Graphic Communications Health & Welfare Fund to eligible former employees and spouses that are currently receiving Medicare Benefits.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility Summary

Active Employees – An eligible employee is any person who is full-time or part-time employee of a participating union shop or an employee of the Graphic Communications Union Local 235-M. An experienced lithographic employee becomes an eligible employee immediately upon employment. An inexperienced lithographic employee becomes an eligible employee on the first day following completion of continuous employment for the time specified in the collective bargaining agreement. A shipping and receiving employee become an eligible employee on the first day following completion of continuous employment for the time specified in the collective bargaining agreement. Active employees were transferred to a separate health and welfare plan, Teamcare Central States (Teamcare), effective January 1, 2018.

Self-Contribution - To acquire eligibility, a retiree participant (or spouse receiving Medicare benefits) who retired before January 1, 2018, is allowed to make self-contributions to the Plan. Retired employee or spouse must be eligible and receiving Medicare Benefits.

Union Employees - Eligibility commences immediately upon employment.

Retired Employees - Must be eligible for benefits prior to terminating employment in the industry, eligible for Medicare coverage and have at least fifteen years of covered employment prior to retirement. The retired employees would make payments directly to the Plan and must remit timely monthly contributions as prescribed by the Trustees.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The financial statements have been prepared using the accrual basis of accounting. Under this basis, revenue is recognized when earned and expenses are recognized when incurred.

Investment Valuation and Income Recognition - Investments are carried at fair value. The fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recognized on a trade-date basis. Interest income is reported on the accrual basis. Dividends are recognized on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Administrative Expenses - Administrative expenses are billed to and paid directly by the Plan.

Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Postretirement Benefits - The participating retiree's required contribution is set at the amount equal to the Plan's insurance premium payable to provide coverage to the participant. Since coverage to a retiree terminates upon non-payment of a required monthly contribution, there is no postretirement benefit obligation.

Contributions and Contribution Receivable - Employers pay a portion of the coverage for employee and dependent policies directly to the Plan. Self-pay retiree participants pay their contributions directly to the plan as well. If the contribution is not received, eligibility is cancelled after a 90-day period. As a result, the Plan normally does not have a receivable for contributions.

NOTE 3. TAX STATUS

The Plan has been declared an exempt organization by the Internal Revenue Code (IRC). The Plan has obtained a determination letter dated February 1, 1999, in which the Internal Revenue Service stated that the Plan, as then designed, qualifies under Section 501(a) of the Internal Revenue Code and is, therefore, exempt from federal income taxes under the provisions of Section 501(c)(9).

NOTE 3. TAX STATUS (CONTINUED)

The Plan accounts for income taxes in accordance with the Accounting Standards Codification (ASC) Topic *Income Taxes*. These provisions provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribed a threshold of "more likely than not" for recognition and derecognition of tax positions taken or expected to be taken in a tax return. The Plan performed an evaluation of uncertain tax positions for the years ended April 30, 2023 and 2022, and determined that there were no matters that would require recognition in the financial statements or that may have an effect on its tax-exempt status. As of April 30, 2023, the statute of limitations for tax years 2020 through 2022 remains open with the U.S. federal jurisdiction and the various states and local jurisdictions in which the Plan files returns.

NOTE 4. FAIR VALUE MEASUREMENTS

Accounting standards provide the framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include other significant observable inputs including:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4. FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of April 30, 2023 and 2022:

Assets at Fair Value as of April 30, 2023				
	Total	Level 1	Level 2	Level 3
Short-term investments	\$ 73,891	\$ 73,891	\$ -	\$ -
Certificates of deposit	650,000	-	650,000	-
Total	<u>\$ 723,891</u>	<u>\$ 73,891</u>	<u>\$ 650,000</u>	<u>\$ -</u>

Assets at Fair Value as of April 30, 2022				
	Total	Level 1	Level 2	Level 3
Short-term investments	\$ 121,949	\$ 121,949	\$ -	\$ -
Certificates of deposit	650,000	-	650,000	-
Total	<u>\$ 771,949</u>	<u>\$ 121,949</u>	<u>\$ 650,000</u>	<u>\$ -</u>

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at April 30, 2023 and 2022.

Short-term investments: Valued at cost, which approximates fair value.

Certificates of deposit: Valued at cost, which approximates fair value.

NOTE 5. PRIORITIES UNDER TERMINATION

Although it has not expressed any intention to do so, the trustees have the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the trustees or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE 6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan leases office space from the Graphic Communications International Union Local 235-M (Union), a participating employer. Rents paid for the years ended April 30, 2023 and 2022 were \$4,800 for each year. Additionally, the Plan reimbursed the Union for administrative services in the amount of \$36,618 and \$36,035 for the years ended April 30, 2023 and 2022, respectively.

NOTE 7. CONCENTRATION OF CREDIT RISK

The Plan maintains cash at various financial institutions which at times may exceed the federally insured limits. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. The Plan has not experienced any losses in accounts and believes it is not exposed to any significant credit risk in cash.

NOTE 8. RISKS AND UNCERTAINTIES

Investment Risk - The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through February 11, 2026, which is the date the financial statements were available to be issued. This review and evaluation revealed no material event or transaction which would require an adjustment to or disclosure in the accompanying financial statements.
