Independent Auditors' Report

To the Trustees of Advance Mfg. Co.,
Inc. Employees' Welfare Benefit Plan

Opinion

We have audited the accompanying financial statements of Advance Mfg. Co., Inc. Employees' Welfare Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of May 31, 2025 and 2024, and the related statements of changes in benefit obligations and net assets available for benefits for the years ended May 31, 2025 and 2024, and the related notes to financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the benefit obligations and net assets available for benefits of Advance Mfg. Co., Inc. Employees' Welfare Benefit Plan as of May 31, 2025 and 2024, and the changes in benefit obligations and net assets available for benefits for the years ended May 31, 2025 and 2024 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Advance Mfg. Co., Inc. Employees' Welfare Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Advance Mfg. Co., Inc. Employees' Welfare Benefit Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Advance Mfg. Co., Inc. Employees' Welfare Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Advance Mfg. Co., Inc. Employees' Welfare Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

EMPLOYEES' WELFARE BENEFIT PLAN
NOTES TO FINANCIAL STATEMENTS
MAY 31, 2025 AND 2024

Note 1: Summary of Significant Accounting Policies

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting. A liability has been recorded which includes all claims for medical expense benefits which have been reported, but remain unpaid; and, an estimate of claims for medical expense benefits which have been incurred but remain unreported at May 31, 2025 and 2024, respectively. The estimate of the incurred but unreported claims was based upon statistical information relevant to this Plan.

Use of Estimates, Economic Dependency, and Concentrations:

The preparation of financial statements in conformity with generally accepted accounting principles requires the administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

The Plan is economically dependent on contributions from the Plan Sponsor and Plan participants.

Insurance Contracts:

Insurance carriers provide coverage under the Plan. Under the terms of the contracts with each respective carrier, the insurer has received premium payments and has a legal obligation to make all benefit payments. As such, these insurance contracts are excluded from Plan assets.

Payment of Benefits:

Claim payments are recorded when paid.

Administrative and Other Expenses:

Administrative and other expenses of the Plan are generally paid directly by the Plan Sponsor and are not recorded in the Statements of Changes in Benefit Obligations and Net Assets Available for Benefits.

Recently Issued or Adopted Accounting Pronouncements:

We have assessed the potential impact of accounting standards that have been issued, but are not yet effective, and have determined that no such standards are expected to have a material impact to our financial statements.

Subsequent Events:

Subsequent events were evaluated through February 2, 2026 which is the date the financial statements were available to be issued.

Note 2: General Description of the Plan

The following description of the Advance Mfg. Co., Inc. Employees' Welfare Benefit Plan (the Plan) provides only general information. Participants should refer to the Summary Description of the Plan and the Plan Document for a more complete description of the Plan's provisions.

The Plan is amended periodically. The last amendment to the plan during the fiscal year was on January 1, 2025.

MAY 31, 2025 AND 2024

Note 2: General Description of the Plan (continued)

The Plan provides group life insurance benefits, health care and dental expense benefits for full-time employees who have: (a) completed the applicable "in-service" waiting period of 60 days; (b) made an application to become a Plan participant; and, (c) authorized the Plan Sponsor to withhold a portion of the cost of benefits from their wages. The dependents of such employees are also eligible for health care and dental benefits under the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended. The Board of Trustees oversees governance of the Plan.

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time, and to terminate the Plan subject to the provision set forth in ERISA.

Benefit Obligation:

Plan benefit obligations of the Plan at May 31, 2025 and 2024 for health claims incurred by participants but not reported at that date are estimated by the administrator by analyzing claim lag studies. Such amounts are reported at an undiscounted amount because amounts typically are payable within one year. Any differences in the amounts estimated and actual amounts will be reported in future years.

Plan Contributions:

The Plan is funded in part by employees' contributions made through payroll deductions by participating employees through a "premium conversion" Cafeteria Plan arrangement, and directly by those who have been separated from service pursuant to IRS 4980B (COBRA). The employees' contributions are determined annually, by the Plan Sponsor employer. Employer contributions, representing the balance of funds necessary for the Plan's operations, are contributed as needed from the general assets of the Plan sponsor.

Note 3: Related Party and Administration of the Plan

The Administrator of the Plan is Advance Mfg. Co., Inc., which oversees the enrollment of eligible employees and maintains records of plan participants. Routine administrative functions in respect of the Plan are provided by Massachusetts Benefit Administrators, LLC DBA Blue Benefit Administrators of Massachusetts. Funds used for purposes or premiums, administration fees, and benefit payment expenses in respect of the Plan are transmitted by the Plan Sponsor to the Trustees of the Advance Mfg. Co., Inc. Employees' Benefit Trust from which all benefits, expenses and premiums are disbursed. The primary responsibility for the Plan's record keeping, disbursement or premiums in respect of insured benefits, adjudication and disbursement of medical expense claims up to the self-funded threshold, depends upon Blue Benefit Administrators of Massachusetts, which provides the Plan sponsor a monthly accounting of the Plan's financial activity, including copies of check registers, a summary of premiums and expenses paid, and a listing of persons for whom benefits were paid (and the amounts of such payments). Despite the Plan's utilization of the third-party claims processor, ultimate responsibility to providers and participants is retained by the plan.

Note 4: Transactions With Parties-in-Interest

The Sponsor provides certain accounting and administrative services to the Plan without charge. The Sponsor also pays certain administrative costs on behalf of the Plan, including legal and accounting fees.

Note 5: Group Life Insurance

Death Benefits (Group Term Life Insurance, Accidental Death and Dismemberment Insurance) are provided pursuant to a Policy of Insurance issued by a regulated insurance company of the Plan Sponsor's choice. Premiums for such insurance are determined annually by the insurer, based on the age, sex, and volume of insurance in-force on a date selected by the insurer.

Amounts of Group Life Insurance and Accidental Death and Dismemberment Insurance are allocated to each Plan participant according to a Non-Discriminatory Schedule (as that term is defined in I.R.C. 79) based on conditions pertaining to such Participants' employment in the service of the Plan Sponsor.

It is our opinion that benefits paid to named beneficiaries of Plan participants, on account of death, are excludible from such beneficiaries' income pursuant to the provisions of I.R.C. 101(a).

Note 6: Excess Risk Assurance

To protect the financial integrity of the Plan, a policy of Excess Risk Assurance was placed with an Insurance Company selected by the Management of the Plan Sponsor.

Benefits are provided, up to the Excess Risk Assurance threshold of covered medical expenses paid during the Plan fiscal year in respect of any one Plan participant from the general assets of the Plan. Benefits paid in excess of the Excess Risk Assurance threshold in respect of any one Plan participant are funded from the general assets of the Plan but are subject to reimbursement under the Specific Excess Risk Assurance element of the Policy.

Note 7 Tax Status

The Trust established under the Plan to hold the Plan's net assets is qualified pursuant to Section 501(c)(9) of the Internal Revenue Code, and, accordingly, the Trust's net investment income is exempt from income taxes. The Trust has obtained a favorable tax exemption letter from the Internal Revenue Service and the Sponsor believes that the trust and the Plan, as amended, continue to qualify and to operate as designed.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income examination for years prior to 2022.

Note 8: Concentration of Credit Risk

The Plan's financial instruments that are exposed to concentrations of credit risk consist primarily of cash and cash equivalents. The Plan places its cash and cash equivalents with a financial institution that is insured by the Federal Deposit Insurance Corporation. As of May 31, 2025 and 2024, there were no cash balances in excess of the FDIC insurance.
