Independent Auditors' Report

To the Plan Administrator and Participants
Employee Benefit Plan of Super Bee Holdings, LLC
Knoxville, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Employee Benefit Plan of Super Bee Holdings, LLC (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4i - Schedule of Assets (Held at End of Year) and Schedule H, line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EMPLOYEE BENEFIT PLAN OF SUPER BEE HOLDINGS, LLC

Notes to the Financial Statements

December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Employee Benefit Plan of Super Bee Holdings, LLC (the "Plan") provides only general information. Readers should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan under section 401(k) of the Internal Revenue Code ("IRC") covering substantially all employees of Super Bee Holdings, LLC (the "Company"). The Plan is a single employer, contributory, defined contribution retirement plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan has entered into a trust agreement in the middle of 2023 with Empower Plan Services, LLC (the "Trustee") and appointed this company as trustee of the plan assets. The administration and record keeping of the Plan have also been delegated to Empower Plan Services, LLC.

Prior to entering the trust agreement during 2023, the Plan was in a trust agreement with Mutual of America Life Insurance Company (the "Trustee") and appointed this company as trustee of the plan assets. The administration and record keeping of the Plan had also been delegated to Mutual of America Life Insurance Company.

Eligibility - Employees become eligible to participate in the Plan after completing two months of service time requirements and are age twenty-one or older. Employees must opt into the Plan and deferrals elections begin the first day of the month following completion of the eligibility requirements and opting into the Plan.

Contributions - The Plan is funded by employee and Company contributions. Participants may contribute up to 90% of compensation, as defined by the Plan agreement. The Company makes matching contributions to the Plan of 100% of participant contributions up to a maximum of 2% of total compensation for employees. Participants who have attained age fifty before the end of the Plan year are eligible to make catch up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the allocation of their contributions into various investment options offered by the Plan. The Plan offers multiple registered investment companies and a common/collective trust as investment options for participants. In addition, the Company can elect to make a discretionary contribution; however, none were elected during 2023.

Vesting - Participants are immediately vested in both their voluntary contributions and employer matching contributions, plus actual earnings thereon.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan payments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Participants may borrow from their accounts a minimum of \$1,000 and up to a maximum equal to the lesser of one-half of their vested account balance or \$50,000. The maximum loan amount is further reduced by any outstanding loan(s) through this Plan or another qualified plan, 403(b) plan or 457 plan, maintained by the same employer. The loans are secured by participant account balances. At December 31, 2023, outstanding loans had rates at 5.00% to 9.50%. Principal and interest are paid ratably through payroll deductions.

EMPLOYEE BENEFIT PLAN OF SUPER BEE HOLDINGS, LLC
Notes to the Financial Statements (Continued)

NOTE 1 - DESCRIPTION OF PLAN - (Continued)

Payment of Benefits - A participant may receive distributions from the Plan upon retirement, termination of service, or through an in-service loan in the form of a lump sum payment. The participant's account may also be rolled over to an individual retirement account or another qualified plan. In addition, the Plan allows for in-service distributions once a participant reaches 59.5 years of age. Participant account balances less than \$5,000, upon termination, are automatically rolled over to an individual retirement account.

Forfeited Accounts - Forfeiture of non-vested contributions may be used to offset Plan administrative expenses or reduce future matching contributions of the Company. The balance of forfeited accounts was not significant at December 31, 2023 and 2022, nor was the activity in the forfeited accounts during the plan year ending December 31, 2023.

Administrative Expenses - Administrative expenses related to investment accounts are paid by the Plan. Other administrative expenses are paid by the Company.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Participant Accounts - Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's discretionary contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment Valuation and Income Recognition - The Plan's investments, other than the fully benefit-responsive investment contracts, are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan valuation policies utilize information provided by the investment advisors, custodians and insurance companies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized gains include the Plan's gains and losses on investments bought and sold during the year. Unrealized gains (losses) include the Plan's gains and losses on investments held during the year.

Use of Estimates - The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting periods. Actual results could differ from these estimates.

Payments of Benefits - Benefits are recorded when paid.

EMPLOYEE BENEFIT PLAN OF SUPER BEE HOLDINGS, LLC
Notes to the Financial Statements (Continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

Date of Management's Review - Management has evaluated events and transactions occurring subsequent to the statement of net assets available for benefits date for items that should potentially be recognized or disclosed in the financial statements. The evaluation was conducted through February 6, 2026, which is the date the financial statements were available to be issued.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The following information included in the accompanying financial statements and supplementary schedule was obtained from data that has been prepared and certified to be complete and accurate by the trustee:

	2023	2022
Investments	\$ 2,357,740	\$ 2,084,121
Note receivable from participants	\$ 57,123	\$ 25,338
Net appreciation of investments	\$ 451,222	
Dividends and interest	\$ 2,301	
Interest on notes receivable - participants	\$ 3,581	

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedules.

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. A valuation hierarchy has been established for disclosure of the inputs used to measure fair value. This hierarchy prioritizes the inputs into three broad levels. Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities. Level 2 inputs are quoted prices for similar assets and liabilities in active markets or inputs that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument. Level 3 inputs are unobservable inputs based on the Plan's assumptions used to measure assets and liabilities at fair value. The classification of a financial asset or liability within the hierarchy is determined based on the lowest level input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered Investment Companies (Level 1)

The fair value of the registered investment companies (mutual funds) - investment funds issued by the Trustee and other investment funds is based on quoted net asset values of the shares held by the Plan at December 31, 2023 and 2022.

EMPLOYEE BENEFIT PLAN OF SUPER BEE HOLDINGS, LLC
Notes to the Financial Statements (Continued)

NOTE 4 - FAIR VALUE MEASUREMENTS - (Continued)

Fixed Accounts (Level 2)

The Plan has a benefit-responsive guaranteed investment contract with Empower Trust Company, LLC ("Empower"). Empower maintains contributions in a general account that is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value.

Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract on December 31, 2023 was \$2,018.

The average yield and crediting interest rates was 1.23% for 2023. The crediting interest rate is based on a formula agreed upon with the issuer.

In 2022, the Plan had an interest accumulation account that was valued at fair value as of the last day of the Plan year. Fair value approximates contract value and is the total of all amounts allocated under the contract through contributions plus accrued interest, minus withdrawals, transfers, and administrative charges. Amounts allocated to the interest accumulation account become part of the general assets of the trustee (the General Account). The General Account supports insurance annuity obligations for the trustee. The General Account consists of all general assets, other than those in separate accounts and other segregated assets accounts of the trustee. It is valued using the net asset value of the fund shares held by the Plan at December 31, 2022. The trustee guarantees the value and bears full investment risk for all amounts that participants allocate to the General Account. The trustee guarantees a minimum interest credit, which was .15% at December 31, 2022.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 - COMMON/COLLECTIVE TRUST FUND

The Plan sponsor has a trust agreement with Empower Retirement which authorizes participation in the MyWayRetirement Index Funds and the Blackrock Index Funds (collectively, the "Funds"), common/collective trusts. As clarified by the Financial Accounting Standards Board (FASB) with the issuance of Accounting Standards Update (ASU) 2015-12, fully benefit-responsive investment contracts are required to be reported at contract value. Because the Funds are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributed to the Funds because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The beneficial interest of each participant is represented by units. Units are issued and redeemed daily at the Funds' net asset value ("NAV"). Distribution to the Funds' unit holders is declared daily from the net investment income and automatically reinvested in the Funds on a monthly basis, when paid. It is the policy of the Funds to use its best efforts to maintain a stable net asset value, although there is no guarantee that the Funds will be able to maintain this value.

Participants ordinarily may direct the withdrawal or transfer of all or a portion of their investment at contract value to any other investment option offered under the Plan at any time with no restrictions or penalties. Contract value, as reported to the Plan by Empower Retirement, represents contributions made into the Trust, plus earnings, less participant withdrawals and administrative expenses. The crediting interest rate of the Funds fluctuates. The average yield earned by the Plan (derived by averaging the Fund's quarterly gross interest rates) for 2023 was 1.23%. The actual average yield earned by the Plan (derived by averaging the Plan's quarterly interest rates) was 1.23%.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right to discontinue contributions at any time and to terminate the Plan subject to the plan provisions. In the event of termination of the Plan, participants would become 100% vested in the Company contributions.

NOTE 7 - FEDERAL INCOME TAX STATUS OF THE PLAN

The Plan is based on the Non-Standardized Pre-Approved Profit Sharing Plan with Empower. The Plan received its latest determination letter on November 14, 2022, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (the "IRC"). The Plan's administration and the Plan's counsel believe that the Plan continues to be operated in compliance with applicable provisions of the IRC and was qualified and tax exempt as of the financial statement date.

The Plan recognizes tax loss contingencies when it is probable that a liability had been incurred and the amount of the loss could be reasonably estimated. The amount recognized would be subject to estimates and management's judgment with respect to the likely outcome of each uncertain tax position. Although the tax years ending December 31, 2020 through December 31, 2023 remain open for examination by various taxing authorities, it is management's opinion that no significant uncertain tax positions remain open at December 31, 2023.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in securities which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, changes in their values are at least reasonably possible in the near term, and some changes could materially affect participant's account balances and the assets reported in the statement of net assets available for benefits.

NOTE 9 - PARTY-IN-INTEREST

The Company is the administrator of the Plan and, as such, executes the normal duties associated therewith. Costs incurred for legal, audit, and other administrative functions are paid by the Company on behalf of the Plan. There were no financial transactions recorded between the Company and the Plan other than contributions made by the Company to the Plan. Certain Plan investments are managed and administered by the trustee, who acts as contract holders and record keepers for those investments, as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. Other parties in interest include Rodefer Moss & Co, PLLC who serves as the auditor of the Plan.

NOTE 10 - SUBSEQUENT EVENTS

On January 5, 2025, the Plan underwent a name change from "Employee Benefit Plan of Super Bee Holdings, LLC" to "Employee Benefit Trust of Vanterra Holdings, LLC. The name change does not affect the plan's terms, conditions, or participants as of the 2023 plan year. Furthermore, no assets were transferred in or out of the Plan as a result of this change.
