Independent Auditor's Report

To the Plan Administrator and
Those Charged with Governance of the
Profit Sharing Retirement Plan of Stuart M. Perry, Inc.
Winchester, Virginia

Opinion

We have audited the accompanying financial statements of the Profit Sharing Retirement Plan of Stuart M. Perry, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of May 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended May 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Profit Sharing Retirement Plan of Stuart M. Perry, Inc. as of May 31, 2025 and 2024, and the changes in its net assets available for benefits for the year ended May 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Profit Sharing Retirement Plan of Stuart M. Perry, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Profit Sharing Retirement Plan of Stuart M. Perry, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Profit Sharing Retirement Plan of Stuart M. Perry, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Profit Sharing Retirement Plan of Stuart M. Perry, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of May 31, 2025 and Schedule H, Line 4j – Schedule of Reportable Transactions for the year ended May 31, 2025 are presented

for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Independent Auditor's Report

To the Plan Administrator and
Those Charged with Governance of the
Profit Sharing Retirement Plan of Stuart M. Perry, Inc.
Winchester, Virginia

Opinion

We have audited the accompanying financial statements of the Profit Sharing Retirement Plan of Stuart M. Perry, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of May 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended May 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Profit Sharing Retirement Plan of Stuart M. Perry, Inc. as of May 31, 2025 and 2024, and the changes in its net assets available for benefits for the year ended May 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Profit Sharing Retirement Plan of Stuart M. Perry, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Profit Sharing Retirement Plan of Stuart M. Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Profit Sharing Retirement Plan of Stuart M. - Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Profit Sharing Retirement Plan of Stuart M. Perry, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of May 31, 2025 and Schedule H, Line 4j – Schedule of Reportable Transactions for the year ended May 31, 2025 are presented

for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 – Plan Description

The following description of the Profit Sharing Retirement Plan of Stuart M. Perry, Inc. (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established June 1, 1973, and was amended and restated effective June 1, 2021. The Plan covers all employees of Stuart M. Perry, Inc. (the “Company”) that have completed one year of service, excluding union employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA). Eligible employees may enter the Plan June 1 and December 1.

Contributions

Each year, the Company may make discretionary contributions to the Plan based on business units or location, as determined by the Board of Directors. Company contributions are allocated to participants who have completed a year of service and are employed on the last day of the Plan year, as defined. For the year ended May 31, 2025, the Company elected to make a profit-sharing contribution of \$185,000 to eligible participants. The Company’s contributions are invested in a portfolio of investments as directed by the Company. Contributions are subject to certain limitations.

Participant Accounts

Each participant’s account is credited with the Company’s contributions and an allocation of Plan earnings. Allocations of the Company’s contributions are based on eligible compensation while other allocations are based on account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Vesting in employer contributions is based on years of continuous service, as defined by the Plan. Participants are 100% vested after six years of service, death, or total and permanent disability. Service prior to the computation period in which an employee has attained age 18 is disregarded for vesting purposes.

Forfeitures

Forfeitures may be used to pay Plan expenses, allocated to participant accounts in the same manner as the Company’s contributions, used to reduce the Company’s contributions, or allocated based on eligible compensation, as defined. Unallocated forfeitures as of May 31, 2025 and 2024 were \$19,302 and \$12,316, respectively. During the year ended May 31, 2025, no forfeitures were used.

Payment of Benefits

Upon termination of service due to death, disability, or normal retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant’s vested interest in his or her account. Partial withdrawals are permitted for required minimum distributions and hardship withdrawals, as defined. For the year ended May 31, 2024, vested account balances between \$1,000 and \$5,000 were automatically rolled over to an IRA, if no election was made by the participant.

Profit Sharing Retirement Plan of Stuart M. Perry, Inc.

Notes to Financial Statements May 31, 2025

The amount increased to \$7,000 or less for the year ended May 31, 2025 under the SECURE 2.0 Act. Vested account balances under \$1,000 will be automatically paid as a lump-sum distribution, if no election is made by the participant.

Note 2 – Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Cash Equivalents

At May 31, 2025 and 2024, the Plan's cash equivalents consist of a money market account held at the Bank of Clarke. This money market account is interest-bearing and is covered by the Federal Deposit Insurance Corporation (FDIC).

Valuation of Investments and Revenue Recognition

The Plan's investments are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a full discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Benefit Payments

Benefits are recorded when paid.

Administrative Costs

Administrative expenses incurred by the Plan may be paid by either the Company or the Plan on a discretionary basis.

Subsequent Events

Subsequent events have been evaluated through February 27, 2026, the date the financial statements were available to be issued.

Note 3 – Fair Value Measurements

The Plan’s investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 consists of unobservable inputs and has the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of May 31, 2025 and 2024:

	Fair Value Measurements at Reporting Date Using:	
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>May 31, 2025</u>		
Exchange traded funds	\$ 3,959,947	\$ 3,959,947
Common stock	88,172	88,172
Total	\$ 4,048,119	\$ 4,048,119
<u>May 31, 2024</u>		
Exchange traded funds	\$ 3,431,411	\$ 3,431,411
Common stock	84,000	84,000
Total	\$ 3,515,411	\$ 3,515,411

Level 1 Fair Value Measurements

The fair values of exchange traded funds and certain common stock are based on the closing price reported on the active market on which the individual funds or stock are traded.

Note 4 – Related Party and Party-in-Interest Transactions

Certain administrative functions are performed by officers or employees of the Company. These employees are also Plan participants. No such officer or employee receives compensation from the Plan.

The Plan has investments in Eagle Financial Services, Inc. Common Stock. Eagle Financial Services is the holding company for the Bank of Clarke, and therefore, these transactions qualify as party-in-interest transactions. There were no fees incurred by the Plan for the year ended May 31, 2025.

Note 5 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be 100% vested in their accounts.

Note 6 – Tax Status

Effective June 1, 2021, the Plan document was restated to a pre-approved document sponsored by Ascensus, LLC. Ascensus, LLC obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service (IRS) stated that the pre-approved document, as then designed, was in compliance with the applicable requirements of the *Internal Revenue Code (IRC)*. The Plan Administrator and counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the *IRC*.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of May 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.
