INDEPENDENT AUDITORS' REPORT

To the Plan Trustees
Alliance Hospitality Employee Savings Plan
Raleigh, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Alliance Hospitality Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits – liquidation basis as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Alliance Hospitality Employee Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Alliance Hospitality Employee Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Liquidation Basis of Accounting

As discussed in Note 2 to the financial statements, the governing body of Alliance Hospitality Employee Savings Plan approved a plan of liquidation in November 2024, and management determined liquidation is imminent. As a result, the Plan has used the liquidation basis of accounting in presenting the financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Alliance Hospitality Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and the Schedule of Assets (Held at End of Year) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ALLIANCE HOSPITALITY EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

1. Description of Plan

The following description of Alliance Hospitality Employee Savings Plan (the "Plan") provides only general information. Participants in the Plan should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan became effective on September 1, 2003 as a defined contribution plan covering substantially all full-time employees of Alliance Hospitality Management, LLC (the "Company") who are at least 21 years of age and have completed six months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

In November 2024, the Plan Trustees approved a plan of liquidation of the Plan and participation ceased effective January 1, 2025.

Contributions

Each year, participants may contribute up to 100% of their annual pretax wages as defined by the Plan. The elective deferrals may not exceed the annual limit set by the Internal Revenue Service ("IRS"). The Company may make a discretionary matching contribution if certain conditions are met. There were no contributions during the year ended December 31, 2024.

Participant Accounts

Each participant's account is credited with an allocation of the Company's contribution, Plan earnings, and administrative expenses. Employee contributions, employer 401(k) matching contributions, employer discretionary contributions, and rollover contributions activity is maintained separately in each participant's account. Participants direct the investment of their account balances into various investment options offered by the Plan. Allocations are based on participant compensation or account balances, as defined. A participant is entitled to the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested in the compensation deferral portion of their investment account as well as the rollover portion of their investment account plus actual earnings thereon. Participant vesting in the Company's contributions portion of their accounts is determined on a graduated basis based upon years of creditable service. Participants are fully vested after completing five years of credited service.

Forfeited Accounts

At December 31, 2024, forfeited non-vested accounts totaled \$675. Forfeitures may be utilized to pay administrative expenses of the Plan, to reduce employer contributions, or are reallocated to employees. During 2024, the Plan used \$7,852 of forfeited accounts to pay Plan expenses.

ALLIANCE HOSPITALITY EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

1. Description of Plan (Continued)

Payment of Benefits

Generally, the participant becomes eligible to receive benefits on their normal retirement age (62), death, disability, or termination of employment. A participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, in annual installments over a specified period, or as an annuity. The Plan will distribute in a lump-sum any vested balance that does not exceed \$5,000 after a specified time period following a participant's separation from service as soon as administratively feasible. Participants are also eligible to take in-service withdrawals once they attain age 59½.

Hardship Withdrawals

Upon approval by the plan administrator, a participant may withdraw all or part of their vested contributions for immediate and severe financial need. In accordance with IRS regulations, the participant must exhaust all other assets available prior to obtaining the hardship withdrawal.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 from their fund accounts up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000, reduced by any outstanding loan balance during the one-year period ending on the day before the new loan is made. Loan terms are limited to five years. Participants can only have one loan outstanding. The loans are secured by the participant's vested interest in their account and bear interest at a reasonable fixed rate as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants at December 31, 2024 and 2023 were \$0.

2. Significant Accounting Policies

Basis of Accounting

In November 2024, the Plan Trustees approved a plan of liquidation, and management determined liquidation is imminent. As a result, the Plan changed its basis of accounting to the liquidation basis used in presenting the financial statements.

Use of Estimates

The preparation of financial statements in conformity with the liquidation basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Plan considers all invested cash balances to be cash equivalents.

2. Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

All contributions and rollovers are invested at the direction of each participant in any combination of the investment funds offered. Investments are valued at fair market value. Mutual funds are valued at quoted market prices established in an active market which represent the net asset value of shares held by the Plan at year end. Collective investment trust funds are valued using the Net Asset Value ("NAV") provided by the administrator of the fund.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized appreciation and depreciation in value of investments are allocated to the participant accounts based on participant holdings in each fund.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Certain plan expenses are paid by the plan sponsor as provided by the plan document. Expenses related to specific participant transactions (notes receivable from participants and distributions) are charged directly to the participant's account.

3. Federal Income Taxes

The Plan is a qualified Non-Standardized Pre-Approved Profit Sharing Plan sponsored by Principal Financial Group ("Principal"). This document received a determination letter from the IRS dated June 30, 2020 stating that that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the "Code") and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan has been amended since receiving the determination letter, however, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and operating in compliance with the applicable requirements of the Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

3. Federal Income Taxes (Continued)

The liquidation basis of accounting requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the applicable authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. Plan Termination

In 2024, the Plan Trustees approved a plan of liquidation whereby the Plan terminated effective January 1, 2025, with the Plan to be fully liquidated by April 30, 2026.

5. Investments

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements and supplemental schedule was obtained or derived from information certified as complete and accurate by Principal, the custodian of the Plan, and was not subject to audit for the years ended December 31:

	2024	2023
Mutual Funds	\$ 1,536,569	\$ 1,818,824
Collective Investment Trust Fund	52,521	62,883
Net Change in Value of Investments	\$ 204,354

6. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

	Fair Value Measurements Using Quoted Prices in Active Markets for Identical Assets (Level 1)	<u>Total</u>
<u>December 31, 2024:</u>		
Mutual Funds	<u>\$ 1,536,569</u>	<u>\$ 1,536,569</u>

Total	<u>\$ 1,536,569</u>	<u>\$ 1,589,090</u>
<u>December 31, 2023:</u>		
Mutual Funds	<u>\$ 1,818,824</u>	<u>\$ 1,818,824</u>
Investments Measured at Net Asset Value	<u> </u>	<u>62,883</u>
Total	<u>\$ 1,818,824</u>	<u>\$ 1,881,707</u>

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels:

- Level 1 Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

- Level 2 Inputs are based on significant other observable inputs such as:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs are unobservable and significant to the fair value measurement.

6. Fair Value Measurements (Continued)

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs when market prices are not attainable but other observable inputs are available to arrive at a fair value, and Level 3 inputs were used only when Level 1 or Level 2 inputs were not available. There were no Level 2 or 3 investments in the Plan.

7. Collective Investment Trust Fund

The Plan invests in a collective investment trust fund (the "Fund"). The Fund invests in conventional, synthetic and separate account investment contracts issued by life insurance companies, banks, and other financial institutions. The Fund is valued at its NAV per unit, or contract value. The NAV is determined on each business day by dividing total assets less liabilities by the number of outstanding units. Investment income is accrued as earned and realized gains and losses are determined using the average cost method.

Fair value estimates are made based on available market information and judgements about the financial instrument at a specific point in time. Fair value estimates are evaluated through various methods. One method is oversight of pricing vendors, which includes an analysis of their pricing methodologies through direct interaction with external sources, review of recent trade activity, or use of internal models.

Withdrawals, other than for benefits payments and participant transfer to noncompeting options, require a twelve-month written advance notice. Advance written notice is required for full or partial withdrawal of assets invest in the collective investment trust fund resulting from plan sponsor directed actions, including (a) trustee or plan sponsor direct reallocation of investments, (b) plan sponsor initiated layoffs or terminations of groups of employees, (c) disposing of or selling a component of the business which involves the transfer or termination or employees, (d) terminating the collective investment trust fund as an investment option of the Plan, and (e) terminating the Plan.

There are no unfunded commitments, and the collective investment trust fund can redeem its units from the Fund without restriction.

8. Party-in-Interest Transactions

Plan investments are managed by Principal. Principal is the custodian of the Plan as defined by the Plan. Fees paid to Principal by the Plan for the contract administration and investment management services amounted to \$29,900 for the year ended December 31, 2024. These transactions qualify as party-in-interest transactions and are exempt from being prohibited transactions by ERISA.

9. Risks and Uncertainties

The Plan invests in various investment securities as directed by its participants. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. Prohibited Transactions

During 2022 and 2023, the Company failed to deposit \$67 and \$135, respectively, of participant deferrals within the required timeframe as stated by the Department of Labor ("DOL"). The DOL considers late deposits to be a prohibited transaction. The Company will calculate and deposit lost earnings subsequent to year end to correct for these failures and will file Form 5330 for applicable excise taxes. The excise tax payment will be made from the plan sponsor's assets not from the assets of the Plan.

11. Subsequent Events

The Company has evaluated events and transactions for potential recognition or disclosure in the financial statements through February 5, 2026, which is the date the financial statements were available to be issued.

The Plan terminated on January 1, 2025 and will be fully liquidated by April 30, 2026. As a result, all participants became 100% vested in the employer portion of their accounts.
