Independent Auditors' Report

Plan Administrator
Crossroads: Lake County Adolescent Counseling
Service Tax Deferred Annuity Plan
Mentor, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of the Crossroads: Lake County Adolescent Counseling Service Tax Deferred Annuity Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 2 to the financial statements, the Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statements of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions is not reasonably determinable. Accounting principles generally accepted in the United States of America ("GAAP") require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of June 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to, and we do not, express an opinion on this supplemental schedule.

TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following is a summary of certain provisions of the Crossroads: Lake County Adolescent Counseling Service ("Crossroads") Tax Deferred Annuity Plan (the "Plan"). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Participation

The Plan is a defined contribution plan under Section 403(b) of the Internal Revenue Code ("IRC") covering all qualified employees of Crossroads, established as of July 1, 1980. Employees are eligible to participate in the Plan immediately following their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions

Participants may elect to make pre-tax, Roth and eligible catch-up contributions of up to 100% of their eligible earnings subject to certain limitations of the Plan and the IRC. The Plan also provides for qualified rollover contributions. Crossroads will contribute a Safe-Harbor matching amount equal to 100% of up to 4% of participant eligible earnings. Crossroads may also make discretionary contributions to eligible employees, but no such contributions were made for the plan years ended June 30, 2025 and 2024. Employees are eligible for employer contributions upon entry into the Plan.

Participants' Accounts

Principal Trust Company ("Principal" or "Custodian") maintains individual accounts for each participant. These accounts are credited with participants' contributions, Crossroads' contributions and related earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their elective, voluntary, employer Safe-Harbor matching contributions and earnings thereon. Participants vest in Crossroads' discretionary contributions 100% after one year of service, defined as 1,000 hours during the consecutive 12 month period beginning on an employee's hire date, or in the event of disability, death or retirement of the participant.

Payment of Benefits

A participant, upon severance of employment due to death, disability, termination or retirement, may elect to receive his/her vested account balance in the form of lump sum, fixed period, fixed payment or annuity options. Additionally, the Plan has provisions for active participants to make in-service and hardship withdrawals from his/her account, subject to limitation and restrictions.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1. Description of Plan (Continued)

Termination Provisions

Crossroads anticipates and believes that the Plan will continue indefinitely; however, Crossroads reserves the right to terminate the Plan at any time by an action of its Board of Directors subject to the provisions of ERISA. In the event of termination of the Plan, participants will become 100% vested in their account balance and the assets then remaining in the funds will be allocated and distributed to participants in accordance with the terms and provisions of the Plan.

Forfeitures

Any forfeitures during the year are used to pay administrative fees or to be applied as a credit against employer contributions to the Plan. There were no forfeitures to utilize during the years ended June 30, 2025 or 2024.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

The financial statements of the Plan do not include amounts related to certain investment contracts which became inactive prior to January 1, 2009. As contemplated in the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*, Crossroads has made a good faith effort to determine the population of plan participants and has included amounts related to all known contracts in these financial statements. Accordingly, these financial statements are acceptable to the Department of Labor as part of the Plan's Form 5500 filing. However, because of the uncertainty involved in ascertaining all previous arrangements, it is possible that contracts may exist related to this Plan which have not been included in these financial statements and those amounts may be material. Accounting principles generally accepted in the United States of America require these amounts to be included in the financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment adviser, Custodian and insurance company. See Note 3 and Note 5 for discussion of fair value measurements and guaranteed investment contracts, respectively.

Purchases and sales of investment securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid by the Plan.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by Crossroads. Expenses that are paid by Crossroads are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments. Certain transaction and account maintenance fees are charged to the affected participants.

Evaluation of Subsequent Events

The Plan has evaluated subsequent events through February 13, 2026, the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

- Level 1 – Quoted market prices in active markets for identical assets and liabilities
- Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data
- Level 3 – Unobservable inputs in which little or no market data exists

CROSSROADS: LAKE COUNTY ADOLESCENT COUNSELING SERVICE
TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 3. Fair Value Measurements (Continued)

Following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used from 2024 to 2025.

Registered investment companies – The fair value of investments held in registered investment companies is determined based on their quoted closing market prices in active markets for identical investments and is classified as Level 1.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2025 and 2024:

Assets at Fair Value as of June 30, 2025				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$8,687,224	\$ -	\$ -	\$8,687,224
Assets at Fair Value as of June 30, 2024				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$7,804,456	\$ -	\$ -	\$7,804,456

Note 4. Unaudited Information

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, management received a certification from the Principal Trust Company acknowledging the completeness and accuracy of all investments reflected in the statements of net assets available for benefits at June 30, 2025 and 2024, the supplemental schedule as of June 30, 2025, the related investment activity reflected in the statements of changes in net assets available for benefits for the years ended June 30, 2025 and 2024 and investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants.

CROSSROADS: LAKE COUNTY ADOLESCENT COUNSELING SERVICE
TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 5. Guaranteed Investment Contract

The Plan holds an investment contract which meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus interest, less participant withdrawals and any administrative expenses.

The investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a semiannual basis for resetting and may not be less than 3.0%. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan document (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Note 6. Income Tax Status

The Plan has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service dated March 31, 2017, stating that the form of the pre-approved plan document was in compliance with applicable requirements of the IRC. Although the Plan has been amended since adopting the pre-approved Plan document, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified.

The plan administrator has analyzed tax positions taken by the Plan and has concluded that, as of June 30, 2025, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements.

Note 7. Party-in-Interest Transactions

The Plan has a guaranteed investment contract with Principal Life Insurance Company and pays certain plan-related expenses to Principal Trust Company. Principal Trust Company is the Custodian as defined by the Plan and is related to Principal Life Insurance Company and, therefore, these transactions qualify as party-in-interest transactions.

CROSSROADS: LAKE COUNTY ADOLESCENT COUNSELING SERVICE
TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 8. Risks and Uncertainties

The Plan holds various investment options in combinations of investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Independent Auditors' Report

Plan Administrator
Crossroads: Lake County Adolescent Counseling
Service Tax Deferred Annuity Plan
Mentor, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of the Crossroads: Lake County Adolescent Counseling Service Tax Deferred Annuity Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of June 30, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 2 to the financial statements, the Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statements of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions is not reasonably determinable. Accounting principles generally accepted in the United States of America ("GAAP") require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of June 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to, and we do not, express an opinion on this supplemental schedule.

TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following is a summary of certain provisions of the Crossroads: Lake County Adolescent Counseling Service ("Crossroads") Tax Deferred Annuity Plan (the "Plan"). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Participation

The Plan is a defined contribution plan under Section 403(b) of the Internal Revenue Code ("IRC") covering all qualified employees of Crossroads, established as of July 1, 1980. Employees are eligible to participate in the Plan immediately following their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions

Participants may elect to make pre-tax, Roth and eligible catch-up contributions of up to 100% of their eligible earnings subject to certain limitations of the Plan and the IRC. The Plan also provides for qualified rollover contributions. Crossroads will contribute a Safe-Harbor matching amount equal to 100% of up to 4% of participant eligible earnings. Crossroads may also make discretionary contributions to eligible employees, but no such contributions were made for the plan years ended June 30, 2025 and 2024. Employees are eligible for employer contributions upon entry into the Plan.

Participants' Accounts

Principal Trust Company ("Principal" or "Custodian") maintains individual accounts for each participant. These accounts are credited with participants' contributions, Crossroads' contributions and related earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their elective, voluntary, employer Safe-Harbor matching contributions and earnings thereon. Participants vest in Crossroads' discretionary contributions 100% after one year of service, defined as 1,000 hours during the consecutive 12 month period beginning on an employee's hire date, or in the event of disability, death or retirement of the participant.

Payment of Benefits

A participant, upon severance of employment due to death, disability, termination or retirement, may elect to receive his/her vested account balance in the form of lump sum, fixed period, fixed payment or annuity options. Additionally, the Plan has provisions for active participants to make in-service and hardship withdrawals from his/her account, subject to limitation and restrictions.

Note 3. Fair Value Measurements (Continued)

Following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used from 2024 to 2025.

Registered investment companies – The fair value of investments held in registered investment companies is determined based on their quoted closing market prices in active markets for identical investments and is classified as Level 1.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2025 and 2024:

Assets at Fair Value as of June 30, 2025				
	Level 1	Level 2	Level 3	Total
Registered investment companies	<u>\$8,687,224</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$8,687,224</u>
Assets at Fair Value as of June 30, 2024				
	Level 1	Level 2	Level 3	Total
Registered investment companies	<u>\$7,804,456</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$7,804,456</u>

Note 4. Unaudited Information

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, management received a certification from the Principal Trust Company acknowledging the completeness and accuracy of all investments reflected in the statements of net assets available for benefits at June 30, 2025 and 2024, the supplemental schedule as of June 30, 2025, the related investment activity reflected in the statements of changes in net assets available for benefits for the years ended June 30, 2025 and 2024 and investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants.

Note 5. Guaranteed Investment Contract

The Plan holds an investment contract which meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus interest, less participant withdrawals and any administrative expenses.

The investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a semiannual basis for resetting and may not be less than 3.0%. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan document (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Note 6. Income Tax Status

The Plan has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service dated March 31, 2017, stating that the form of the pre-approved plan document was in compliance with applicable requirements of the IRC. Although the Plan has been amended since adopting the pre-approved Plan document, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified.

The plan administrator has analyzed tax positions taken by the Plan and has concluded that, as of June 30, 2025, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements.

Note 7. Party-in-Interest Transactions

The Plan has a guaranteed investment contract with Principal Life Insurance Company and pays certain plan-related expenses to Principal Trust Company. Principal Trust Company is the Custodian as defined by the Plan and is related to Principal Life Insurance Company and, therefore, these transactions qualify as party-in-interest transactions.

Note 8. Risks and Uncertainties

The Plan holds various investment options in combinations of investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
